how to use her gift for healing herself and others Despite the extraordinary powers of clairsentience and clairvoyance revealed to her through her work with the spirit world Alexandra Leclere shows that the greatest gift she has received since her shamanic awakening is the ability to experience unconditional joy Often the pain caused by unresolved psychological traumas from the past including past lives is the key obstacle restricting access to the powers offered by the spirits The first step in healing requires reconnecting with the joy that resides within us Once this connection has been established we are all capable of restoring our connection to the spirit world Alexandra Leclere s story provides a roadmap for finding our way back
