

Spirited Rebel

Philippines. Congress (1987-). Senate

Spirited Rebel:

Record of the Senate Philippines. Congress (1987-). Senate, 1987 Women of the American South Christie Farnham, 1997-11 Among the most prominent icons of the American south is that of the southern belle immortalized by such figures as Scarlett O'Hara, Dolly Madison and Lucy Pickens whose elegant image graced the Confederate 100 bill. And yet the women of America's south have always defied that generalization no more readily forced into facile categories than women in the country's other regions. Never before has a book of southern history so successfully integrated the experiences of white and non-white women. Among the myriad subjects addressed in the book are black women's suffrage, the economic realities of Choctaw women, female kin and female slaves in planters' wills, the northern myth of the rebel girl, second wave feminism in the South and southern lesbians. Bringing to light the lives of Cherokee women, Appalachian coal daughters and Jewish women in the South, the essays all but one published in this book for the first time ensure that monolithic representations of southern womanhood are a thing of the past. Filling a crucial gap in southern history and women's history, Women of the American South is a valuable reference and pedagogical aid for a wide range of scholars and students. Tributes Irving Horowitz, 2017-10-19 In one of his final works, Stephen Jay Gould spoke of the human race as a wildly improbable evolutionary event well within the realm of contingency. Drawing on his personal knowledge of fifty figures from the world of twentieth-century social science, Irving Louis Horowitz offers commentaries drawn from a variety of public occasions to explain one segment of this improbable event. In the process, he reveals how the past century was defined in substantial measure by the rise of social research. Commenting on Tributes, Daniel Mahoney observes some pieces are completely authoritative and detailed, others more conversational and informal. That diversity of approaches, tied to the special character of these people, increases the readability and interest in the book as a whole. In addition to illuminating the life and thought of these major figures, these essays and addresses reveal the impressive catholicity of Horowitz's concerns and his ability to remain open to the widest range of theoretical and practical approaches. In a certain sense, this book is also an intellectual autobiography in the form of an expression of Horowitz's debt to intellectual interlocutors and influences over the years. As a consequence, Tributes will be of the greatest interest to anyone who wishes to come to terms with the intellectual formation of the people who gave substance to new ways of experiencing as well as explaining society. The book is thus a thoughtful guide to the intellectual life of our times. From Arendt and Aron to Veblen and Wildavsky, these essays take shape as a systematic mosaic of the past century. Written by a central participant in social theory, Tributes is both an informal guide and a formal text for readers coming upon social science innovators for the first time. The book breaks the boundaries of conventional discourse and in so doing gives voice to the outstanding figures that helped make the twentieth century the century of social research. **Revolution an Uncommon Chronicle of the American War for Independence** Kenneth Samco, 2013-02 Revolution is a chronicle of a remarkable contest fought between the largest, most powerful army on earth

and a motley collection of men and boys extremely ill equipped and inexperienced in the arts of warfare It reveals how the radical revolutionaries revered today as the nation s founding fathers sometimes barely succeed and more often miserably fail to keep a healthy Continental army and a pusillanimous Continental Congress together Written in the present tense as newspaper articles and interviews Revolution is also the story of a civil conflict fought in a divided country where the words liberty and independence are equally cheered cursed and ignored

Pea Ridge William L. Shea,Earl J. Hess,2011-06-08 The 1862 battle of Pea Ridge in northwestern Arkansas was one of the largest Civil War engagements fought on the western frontier and it dramatically altered the balance of power in the Trans Mississippi This study of the battle is based on research in archives from Connecticut to California and includes a pioneering study of the terrain of the sprawling battlefield as well as an examination of soldiers personal experiences the use of Native American troops and the role of Pea Ridge in regional folklore A model campaign history that merits recognition as a major contribution to the literature on Civil War military operations Journal of Military History Shines welcome light on the war s largest battle west of the Mississippi USA Today With its exhaustive research and lively prose style this military study is virtually a model work of its kind Publishers Weekly A thoroughly researched and well told account of an important but often neglected Civil War encounter Kirkus Reviews Offers the rich tactical detail maps and order of battle that military scholars love but retains a very readable style combined with liberal use of recollections of the troops and leaders involved Library Journal This book is assured of a place among the best of all studies that have been published on Civil War campaigns American Historical Review Destined to become a Civil War classic and a model for writing military history Civil War History A campaign study of a caliber that all should strive for and few will equal Journal of American History An excellent and detailed book in all accounts scholarly and readable with both clear writing and excellent analysis Utterly essential for any serious student of the Civil War Civil War News

Alan Hollinghurst and the Vitality of Influence Allan Johnson,2014-04-09 Alan Hollinghurst and the Vitality of Influence proposes a striking approach for reading the influences that interlace twentieth century gay British writers Focusing on the role of the textual image in literary influence this book moves toward a new understanding of the interpenetration of literary and visual culture in the twentieth century

A Time Honoured Killing Samesh Ramjattan,2018-09-25 Rookie Scotland Yard detective Nick Shankar lies before a Police Inquiry to cover up corruption and murder to further his own ambition His first case is the murder of a forbidden and secret ex lover Adilaah Khan daughter of wealthy and politically powerful Islamic leader Mahmoud Khan a father figure to Nick Nick discovers that he is a pawn in a deadly conspiracy that involves perverting the course of justice and framing an innocent man to protect family status and honour As Nick is haunted by the memory of his love for Adilaah he must choose whether to further his own corrupt ambitions by concealing the truth or redeem himself by exposing it

The Social Graces Renée Rosen,2021-04-20 The USA Today Bestseller Named one of 2021 s Most Anticipated Historical Novels by Oprah Daily SheReads Frolic BookReporter and more The author of Park Avenue Summer throws back

the curtain on one of the most remarkable feuds in history Alva Vanderbilt and the Mrs Astor s notorious battle for control of New York society during the Gilded Age 1876 In the glittering world of Manhattan s upper crust women are valued by their pedigree dowry and most importantly connections They have few rights and even less independence what they do have is society The more celebrated the hostess the more powerful the woman And none is more powerful than Caroline Astor the Mrs Astor But times are changing Alva Vanderbilt has recently married into one of America s richest families But what good is dizzying wealth when society refuses to acknowledge you Alva who knows what it is to have nothing will do whatever it takes to have everything Sweeping three decades and based on true events this is the mesmerizing story of two fascinating complicated women going head to head behaving badly and discovering what s truly at stake **Saints and Strangers**

George Willison,2017-07-05 A great deal has been written about the Pilgrims perhaps more than any other small group in American history Yet they continue to be extravagantly praised for accomplishing what they never attempted or intended and they are even more foolishly abused for possessing attitudes and attributes foreign to them In the popular mind they are still generally confused to their great disadvantage with the Puritans who settled to the north of them around Boston Bay The purpose of the Willison narrative is to allow the Pilgrims to tell their own story insofar as possible in their own words and deeds *Saints and Strangers* brings back to life men and women who were among the most stalwart of American ancestors George F Willison destroys the myth that too long has been created in the American mind that Pilgrims while pious and much to be admired were a drab stern people dedicated to prudery Nothing could be further from the facts These were lusty English people who were well aware of good food drink and pleasurable living They were also an adventurous hardheaded community united in their campaign for freedom of worship The book takes the reader from the Puritan exile in Holland their long and troubled voyage from old Europe to new America and the hazardous period of settling on a strange bleak coast The Puritans were comprised of weavers smiths carpenters printers tailors and working people with scarcely a blue blood among them It was a long trek to Plymouth Rock from English village life Willison has produced a realistic picture of these people who often have been inaccurately portrayed with little appreciation of their substantial place in the history of a New World

Irish on the Inside Tom Hayden,2020-05-05 Tom Hayden first realized he was Irish on the inside when he heard civil rights marchers in Northern Ireland singing We Shall Overcome in 1969 Though his great grandparents had been forced to emigrate to the US in the 1850s Hayden s parents erased his Irish heritage in the quest for respectability In this passionate book he explores the losses wrought by such conformism Assimilation he argues has led to high rates of schizophrenia depression alcoholism and domestic violence within the Irish community Today s Irish Americans Hayden contends need to re inhabit their history to recognize that assimilation need not entail submission By recognizing their links to others now experiencing the prejudice once directed at their ancestors they can develop a sense of themselves that is both specific and inclusive The survival of a distinct Irish soul is proof enough that Anglo culture will never fully satisfy our needs We have a

unique role in reshaping American society to empathize with the world's poor for their story is the genuine story of the Irish

The Enigmatic Realm of **Spirited Rebel**: Unleashing the Language is Inner Magic
