Spirits Are Willing:

Spirit Willing Susan Belt Johnson, 2007 Does the ghost of Cyrus Thornheart exist Or does he live in Olivia s imagination Set in present day Savannah GA in this ghost story for non believers only the reader knows for sure Provided by publisher

Devotions for the Man in the Mirror Patrick Morley, 2010-06-01 Patrick Morley a leader in the Christian men s movement offers motivation and inspiration to help men put Christ first in their lives The 75 short two or three page readings depict practical daily life challenges of men in their jobs their finances and their relationships These thought provoking devotions will help men Rekindle their personal relationship with Jesus Christ and gain their identity in him Cultivate a prayer life that will powerfully connect them to God The Holy Word for Morning Revival - Crystallization-study of Leviticus, Volume 2

Witness Lee, 2017-12-22 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the semiannual training held December 25 30 2017 in Anaheim California on the Crystallization study of Leviticus Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ **The Modern Witch's Curriculum A guide to spiritual exploration, discovery, and magickal practices**

E. Massey, 2018-05-30 There comes a time in every Witch s life when they feel there is nothing left to learn When all the classes and all the books just cannot satisfy our want to learn more What if there was a book for all magickal practitioners that went beyond Witchcraft magick 101 and 102 What if there was a resource that allowed a Witch to grow and learn without the constraints of tradition and at their own pace The Modern Witch s Curriculum is that resource Combining history science and hands on activities in an easy to follow calendar format that can be started at any time of the year and on any day of the week There is no beginning or ending to this book It can be used over and over again This curriculum is relevant to anyone of any magickal tradition or spiritual background Created to guide the reader to areas of study and spiritual knowledge by using any resources that are accessible to them There are no boundaries or requirements on how the reader can collect the information it s all individual choice Living the Victory Jere Probert, 2015-04-27 A premise of Living the Victory is that Christians can and should be living life with noticeably different outcomes on a daily basis when compared to non believers The sovereignty of God and its impact on our walk is examined The author uses Bible principles fleshed out with Bible examples of their implementation Often this world examples of those principles are included as well Jere s teaching on spiritual warfare not only opened my eyes to realizing what we all have a battle against it also gave me the tools I needed to stay on my feet like a Christian soldier should be able to Daily life can be so much easier when people like Jere come forth and do what the Lord has put on his heart to do that being sharing what he has learned about spiritual warfare Thank you Jere Dennis Backes Program Director Faith Discipleship Center From Jere Probert I learned to faith build Jere would open each class with Romans 10 17 then open the classroom for sharing and discussing scripture This

taught me the importance of scripture study meditation and application of the Word to daily life Tammy Rogers former student
