Robert Henkes

Spiritual Art Of Abraham Rattner In Search Of Oneness:

The Spiritual Art of Abraham Rattner Robert Henks, 1984 **The Spiritual Art of Abraham Rattner** Robert Henkes, 1998 The Spiritual Art of Abraham Rattner explores for the first time the life of an artist who captured his tremendous spirituality through his work Rattner searched for a philosophy of oneness as he depicted religious scenes from both the Old and New Testaments as well as some secular scenes He struggled with his own life as he compared himself with Abraham or the crucified Christ His prayerful life was dominated by a hope for peace and an abhorrence for war and the suffering it carries with it Henkes examines the presence of Rattner's ideas and views in his work finding his suffering as well as his deep spirituality and love for humanity as expressed through the dominant figures of St Francis of Assisi and Moses Recommended for all students of art and religion *On the Strange Place of Religion in Contemporary Art* James Elkins, 2004 Can contemporary art say anything about spirituality Answering this question and more *On the Strange Place of Religion in Contemporary Art* explores the curious disconnection between spirituality and current art *Encyclopedia of Jewish American Artists* Samantha Baskind, 2007 Encyclopedia of Jewish American Artists presents over 80 19th and 20 century Jewish American artists ranging from the critically neglected Theresa Bernstein Ruth Gikow and Jennings Tofel to the well known Eva Hesse Roy Lichtenstein and Larry Rivers The subject matter of some of these artists may surprise readers Adolph Gottlieb designed and supervised the fabrication of a 35 foot wide four story high stained glass facade for a synagogue Louise Nevelson sculpted a Holocaust memorial and Philip Pearlstein painted a version of Moses with the Tablets of the Law early in his career Covering painters sculptors printmakers and photographers as well as artists who engage in newer forms of visual expression such as video conceptual and performance art the book is in part intended to stimulate further scholarship on these artists When appropriate entries reveal the influence of the Jewish American encounter on the artists work along with other factors such as gender and the immigrant experience In many cases the artists own words are employed to flesh out perspectives on their art as well as on their Jewish identity To that end the volume contains excerpts from recent interviews conducted by the author with some of the artists including Judy Chicago Audrey Flack Jack Levine and Sol LeWitt Illustrations accompanying each artist's entry some in color aid this invaluable look at Jewish American art

The Color Revolution Regina Lee Blaszczyk, 2012-09-07 A history of color and commerce from haute couture to automobile showrooms to interior design When the fashion industry declares that lime green is the new black or instructs us to think pink it is not the result of a backroom deal forged by a secretive cabal of fashion journalists designers manufacturers and the editor of Vogue It is the latest development of a color revolution that has been unfolding for more than a century In this book the award winning historian Regina Lee Blaszczyk traces the relationship of color and commerce from haute couture to automobile showrooms to interior design describing the often unrecognized role of the color profession in consumer culture Blaszczyk examines the evolution of the color profession from 1850 to 1970 telling the stories of innovators

who managed the color cornucopia that modern artificial dyes and pigments made possible These color stylists color forecasters and color engineers helped corporations understand the art of illusion and the psychology of color Blaszczyk describes the strategic burst of color that took place in the 1920s when General Motors introduced a bright blue sedan to compete with Ford s all black Model T and when housewares became available in a range of brilliant hues She explains the process of color forecasting not a conspiracy to manipulate hapless consumers but a careful reading of cultural trends and consumer taste And she shows how color information flowed from the fashion houses of Paris to textile mills in New Jersey Today professional colorists are part of design management teams at such global corporations as Hilton Disney and Toyota The Color Revolution tells the history of how colorists help industry capture the hearts and dollars of consumers

Exhibiting the Visual Culture of American Religions David Morgan, Sally M. Promey, 2000 **Encyclopaedia Judaica** Fred Skolnik, 2007 Provides an exhaustive and organized overview of Jewish life and knowledge from the Second Temple period to the contemporary State of Israel from Rabbinic to modern Yiddish literature from Kabbalah to Americana and from Zionism to the contribution of Jews to world cultures American Book Publishing Record , 1998 *Cercle Et Carré and the International Spirit of Abstract Art* Georgia Museum of Art, 2013 **Four American Expressionists: Doris Caesar, Chaim Gross, Karl Knaths, Abraham Rattner** Whitney Museum of American Art, 1959
