Spirituality For Everyday Living An Adaptation Of The Rule Of St Benedict:

Spirituality for Everyday Living Brian C. Taylor, 1989 Taking the Rule's balance of prayer, conversion of life, commitment, study, work, relationships, and solitude, this practical spiritual guide explores the Rule's application for ordinary people living outside a monastery. A bestseller.

St. Benedict's Toolbox Jane Tomaine, 2015-07-01 A practical, down-to-earth guide on the Rule of St Benedict and its use in daily life. In the sixth century, when the Roman Empire was breaking apart and politics, cultural life, and even the Church were in disarray, tumultuous times not unlike our own, Benedict of Nursia designed what he termed a little rule that showed his monks the way to peace as they learned to prefer Christ above all things. Jane Tomaine translates St Benedict's ancient rule for a modern audience and offers readers a primer on how to use these tools in their own tumultuous lives. Each chapter examines one aspect of the Rule, from ways of praying to ways of being in relationships and community, and offers tools for reflection, prayer, journaling, and action. This updated edition includes historical background to the Rule, a new chapter on relationships and community, and a guide for group use. A wonderful book, one of the best introductions we have in print today to the spirit of St Benedict. It speaks clearly to Episcopalians of our day about the great spiritual treasure of the Benedictine tradition. The Rt Rev R William Franklin, Assisting Bishop of Long Island.

Monk Habits for Everyday People Dennis L. Okholm, 2007-12-01 In their zeal for reform, early Protestant leaders tended to throw out Saint Benedict with the holy water. That is a mistake, writes Dennis Okholm in *Monk Habits for Everyday People*. While on retreat in a Benedictine abbey, the author, a professor who was raised as a Pentecostal and a Baptist, observed how the meditative and ordered life of a monk lifted Jesus' teachings off the printed page and put them into daily practice. Vital aspects of devotion, humility, obedience, hospitality, and evangelism took on new clarity and meaning. Paralleling that experience, Okholm guides the reader on a focused and instructive journey that can revitalize the devotional life of any Christian who wants to slow down and dig deeper.

The Oblate Life Gervase Holdaway, 2013-01-25 A comprehensive guide to living as an oblate in the home, in society, at work, and in the church. Written by experienced oblate directors from around the world, it is an essential, lifelong formative guide for anyone living or considering the oblate life.

Where Two Or Three Are Gathered Daniel L. Prechtel, 2012-04 Much has been written about the practice of one-to-one spiritual directions, but much less about small group communities that offer in depth mutual spiritual support and guidance to its members. But small groups are most likely the more usual setting for spiritual companionship and have strong biblical, theological, and historical foundation in the Christian tradition. This book offers a detailed presentation of ten small group models, plus guidance in group leadership dynamics. It also presents material related to group retreat, work, spiritual guidance with organizations, and peer supervision consultation model for supporting leaders of spiritual companionship groups and retreats. Church leaders, spiritual directors, and educators are looking for the kinds of resources this book provides to assist them in understanding and leading groups and retreats.

Kingdom Family Trevecca Okholm,2012-02-09 There is a lot of talk these days about how churches need to become more missional and Kingdom focused but what about the families that make up our churches and often reflect the surrounding culture more than the Kingdom of God Christian families know that God has a better purpose for marriage and family but often don t have the slightest idea how to get there And while many books on Christian marriage and family are inwardly focused on simply getting along better this book addresses the cultural influences that have taken our focus away from God s intended purpose for marriage and family and through analysis and practical suggestions recalls marriages and families to the purpose for which God intended them in the first place namely to serve God s Kingdom as witnesses to a world desperately seeking deeper purpose and authenticity
