Spirituality for the Moment Ma Cags W. D. Allan, W. D. Allan Ma Cags, 2008-11-01 Spirituality for The Moment is a new and innovative look into the many facets of people's beliefs in anything tied to their thought and places definitive thinking into a completely varied perspective for the reader The author asks questions of these themes in a wide ranging attempt to spark both the reader's thoughts with regard to these personal sense of spirituality in their lives This vision of growth change and betterment takes an inclusive look at many different themes of spiritual different spiritual principles as well as using the facilitator of the open ended question as a means to help bring the reader to their own conclusions of these varied yet all encompassing concepts of belief Spirituality for The Moment is not an attempt to place definitives on spiritual truth but rather places these themes into a forum that enables the reader to draw their own conclusions ever further into the light where they might examine their beliefs in a more exacting way Everybody carries their own beliefs of life and of their spiritual nature and therefore perceives their own existence according to these beliefs as flexible as some of them tend to be and as rigid as others tend to be This book is an attempt to broaden thought to spark conversation and to add to the ever widening consciousness of our modern advancing spiritual age as wondrous and shifting as it is for everyone For more information go to <http://spiritualitymoment.com>

In Search of Stanislavsky's Creative State on the Stage Gabriela Curpan, 2021-04-12 This book rediscovers a spiritual way of preparing the actor towards experiencing that ineffable artistic creativity defined by Konstantin Stanislavski as the creative state Filtered

through the lens of his unaddressed Christian Orthodox background as well as his yogic or Hindu interest the practical work followed the odyssey of the artist from being oneself towards becoming the character being structured in three major horizontal stages and developed on another three vertical interconnected levels Throughout the book Gabriela Curpan aims to question both the cartesian approach to acting and the realist psychological line generally viewed as the only features of Stanislavski's work This book will be of great interest to theatre and performance academics as well as practitioners in the fields of acting and directing
