Spit Nolan:

Spit Nolan Bill Naughton,1991 Coping with Special Needs Geof Sewell,2018-09-03 First published in 1986 Following the Warnock report schools attempted to integrate the teaching of children with special needs into ordinary classrooms Many teachers had no experience of teaching children with special needs and the new developments were likely to pose a substantial challenge This book provides a guidance for inexperienced especially new teachers in how to teach children with special needs in ordinary classrooms An important feature of the book is realism the book grows out of the author s own experiences and research The author describes what really happens and bases his suggestions on practices which are likely to bring results The Goalkeeper's Revenge Bill Naughton,2011-09-28 The Goalkeeper s Revenge is comprised of stories of

a Lancashire childhood of football on the streets fishing fighting and school of growing up and looking for work and of characters such as Spit Nolan the champion trolley rider Sim Dalt the goalkeeper and Maggie Gregory the amazing reader

Achieving Literacy (RLE Edu I) Margaret Meek,2013-06-17 How children learn to read well and what kind of teaching helps them is a scarcely penetrated mystery This book is a fascinating and informative research report by a group of teachers who set out to teach children who have failed to acquire a useful degree of literacy in it they discuss their experiences The authors are presenting evidence about a central and constant problem in education an essential kind of evidence which is often ignored because it is so difficult to collect and present The report presents enough case notes and recordings of lessons and discussions to allow readers to make their own interpretations alongside those of the writers Highly informative about many of the central topics of teaching literacy it discusses children s motivation the influence of social and cultural background on learning and different methods of teaching reading **Developing Young Writers in the Classroom** Gail

Loane,2016-10-04 Educators want young people to grow up knowing that writing is an important and deeply satisfying life skill one that helps them make more sense of themselves and their world and one that helps them to communicate effectively Sadly too often writing becomes merely an exercise in getting words right or writing to teacher prescribed tasks Developing Young Writers in the Classroom explores the principles of developing literacy through authorship allowing children to describe question and celebrate their own experiences and personal creativity The book offers detailed guidance supported by planning documents poetry and prose examples of children s work and stimulating visuals Inspiring topics explored include creating a classroom environment which supports an independent writer students lives brought into the classroom finding significance in our experiences the use of memoir for recording experiences description in all kinds of writing choosing and writing about a character writing in all curriculum areas linking reading and writing using other authors as mentors and teachers collaborative learning Illustrated throughout with accessible activities and ideas from literature and poetry Developing Young Writers in the Classroom is an essential resource for all teachers wishing to inspire writing in the classroom The Castle We Called Home Simone Brenneman,2011-06-22 The Castle We Called Home will draw you in from

the very first word until the last It is simply a captivating story By the age of three it was obvious that someone needed to be with Hayden almost constantly and with focus It wasnt only because of his aggression or his lacking sense of danger It was as much because he would otherwise wander aimlessly looking for trouble putting objects of any type in his mouth or destroying things Or even worse he would park himself in front of the TV and slip into Nowhereland It tormented me Why couldnt I get more deeply into his head It was like standing in a corridor a door ahead locked and bolted shut and me hopelessly and frantically fumbling with a mess of keys none of them fitting Was it that I genuinely didnt possess the right key Or was it that I wasnt able to give myself the presence of mind to recognize the right key and then guide it into the lock Or was the problem that there really just wasnt a key anywhere that would fit It truly tormented me because we were falling apart at the seams I had found the key with Genevieve Id only had to think her and feel her and reach down from within With her it was all about getting into her head and her body and her world and then letting her feel safe and accepted enough to let me enter From there it was a matter of using tools that fit for her like Fantasy But with Hayden I didnt feel that I had that edge I couldnt help feeling that I had let Hayden down Why couldnt I do the same for him that I had done for her For more information about this book and others by Simone as well as TV and radio appearances and her blog please visit autismembrace.com or effervescentclarity.com As seen on Global TV Vancouver Montreal CTV Calgary Edmonton Citytv Breakfast Television Vancouver Calgary CHCH All News CTS Always Good News Burlington and more Simone is wonderful a must see Connie smith CTS
