From Sapper to Spitfire Spy Sally-Anne Greville Heygate,2015-08-31 David Greville Heygate was one of the few men who served in both the army and the Royal Air Force during the Second World War but it was in the sky that he really earned his stripes Stalking the skies flying photo reconnaissance missions with No 16 Squadron over Northern France he was to win the illustrious and highly coveted Distinguished Flying Cross DFC Another highlight saw him in action in the skies above the French coastline in preparation for the D Day landings taking photographs that would provide the allies with essential intelligence upon which to base their plans Based in Holland in December 1944 David flew armed recces with No 168 Squadron then transferred to No 2 Squadron where he reported on troop movements behind German lines During the course of a dynamic and eventful career he flew a wide variety of iconic wartime aircraft including Lysanders Mustangs Typhoons and Spitfires in England the Netherlands and Germany Although there have been many stories about the Battle of Britain there has been less published about the life of a photo reconnaissance pilot during this time David's thrilling exploits in the sky and the part he played within the context of the wider war are enlivened here to great effect by his daughter Sally Anne Greville Heygate herself a professional photographer Using snippets from diary entries letters logbooks squadron records and other documents she has managed to construct an engaging history of a talented photo reconnaissance pilot and the war in which he fought

The Merlin Gordon A. A. Wilson,2018-12-15 First ever narrative history of the famous aero engine that powered the Spitfire Hurricane Lancaster Mosquito and Mustang the aircraft that made the difference between victory and defeat at critical moments in the Second World War the Battle of Britain and the allied aerial offensive against Germany [Air Combat Legends: Supermarine Spitfire, Messerschmitt Bf109](#) ,2004 [Spitfire](#) Jeremy Flack,1992 This commemoration of the Spitfire aircraft illustrates the surviving airworthy examples of the Spitfire which have been restored repainted in different squadron markings and camouflage colours and continue to entertain thousands of spectators at airshows across Britain This book is a follow on from

Spitfire A Living Legend and includes all the new aircraft that have subsequently been restored *Spitfire* Leo McKinstry, 2010-10-14 In June 1940 the German Army had brought the rest of Europe to its knees Hitler knows that he will have to break us in this island or lose the war If we can stand up to him all Europe may be free and the life of the world will move forward into broad sunlit uplands said Churchill The future of Europe depended on Britain A self confident Herman Goring thought that it would be only a matter of weeks before his planes had forced Britain to surrender The courage resourcefulness and brilliant organisation of the RAF were to prove him wrong By late September 1940 the RAF had proved invincible thanks to the Vickers Supermarine Spitfire It exceeded anything that any other air force possessed RJ Mitchell a shy and almost painfully modest engineer was the genius behind the Spitfire On the 5th March 1936 following its successful maiden flight a legend was born Prize winning historian Leo McKinstry s vivid history of the Spitfire brings together a rich cast of characters and first hand testimonies It is a tale full of drama and heroism of glory and tragedy with the main protagonist the remarkable plane that played a crucial role in saving Britain *Alice-But Not Through The Looking Glass* Geoffrey Lewis, 2005-12 Alice the author s mother is mentioned frequently in this account of his book A disciplinarian to no small degree she did her best in the trying pre war times of unemployment A fair amount of the author s recollections concerns the ups and downs of life in the small Derbyshire town of Clowne in the thirties The history and records of shops and ownership in Clowne might be said to be as meticulous as the records in the Doomsday book But what makes this volume most valuable is the author s memories and insights into that ballerina of the skies the Spitfire the key player in the Battle of Britain And who better qualified to sing these praises than a Spitfire pilot For out of Clowne came Geoffrey Lewis a living legend now in his eighties one of our heroes who gives us first hand information about his Spitty apart from the absorbingly interesting account of his aircraft training in Prince Albert in Canada prior to engaging battle in Britain *Their Finest Hours* Jerome Klinkowitz, 1989
