The Legacy of Supranationalism P. Close, 2000-08-22 The doctrine of supranationalism has been most evident in Europe but has become increasingly a global tour de force Supranationalism is the ideological driving force behind the process of European integration and so the European Union the first supranational regional regime SRR But the same doctrine has bequeathed other gifts to the world and to posterity The EU is evolving as a prominent global player and as a result appears to have become an inspiration and model for the proliferation of other SRRs and proto SRRs However as SRRs acquire greater power relative to traditional global players such as nation states a further state of development has ensued entailing the creation of supranational global regimes SGRs signalled by the progress of the United Nations and the World Trade Organisation Legacy of War Wilbur Smith, 2021-04-20 A Courtney Series adventure An action packed book in the Courtney Series and the sequel to Courtney's War Just because the war is over and Hitler dead doesn't mean the politics he stood for have died too Saffron Courtney and her beloved husband Gerhard only just survived the brutal war but Gerhard's Nazi supporting brother Konrad is still free and determined to regain power As a dangerous game of cat and mouse develops a plot against the couple begins to stir One that will have ramifications throughout Europe Further afield in Kenya the last outcrop of the colonial empire is feeling the stirrings of rebellion As the situation becomes violent and the Courtney family home is under threat Leon Courtney finds himself caught between two powerful sides and a battle for the freedom of a country Legacy of War is a nail biting story of courage bravery rebellion and war from the master of adventure fiction

From New Public Management to New Political Governance Herman Bakvis, Mark D. Jarvis, 2012-06-26 With the direct participation of partisan political staff in governance the onset of permanent election campaigns heavily dependent on negative advertising and the expectation that the public service will not only merely implement but enthusiastically support the agenda of the elected government we are experiencing a new form of political governance The late Peter Aucoin 1943-2011 has argued that traditional norms of impartial loyalty have been displaced by partisanship on the part of civil servants and that the political executive is keen on directly controlling all aspects of communication and interaction between government and citizens The arrival of New Political Governance has a direct bearing on the long standing tension between the need of ensuring democratic control over bureaucracy while also allowing the public service sufficient flexibility to exercise discretion judgment and professional expertise when implementing and managing programs Through a series of essays using Aucoin's New Political Governance framework leading scholars in the field address the manner in which this tension and its conflicts have played out over the past decade in different domains Contributors examine themes including accountability democracy public management and reform the paradoxes of electoral democracy and the dilemmas of democratic governance Contributors include Mark Jarvis University of Victoria Herman Bakvis University of Victoria B Guy Peters University of Pittsburgh Donald Savoie Universit  de Moncton Allan Tupper University of British Columbia Lori Turnbull Dalhousie David E Smith University of Saskatchewan C E S Franks Queen's R Kenneth Carty University of British Columbia Lisa Young University of Calgary Jennifer Smith Dalhousie Gerald Baier University of British Columbia Fred Fletcher York University Andr  Blais Universit  de Montr al Evert Lindquist University of Victoria Ken Rasmussen University of Regina Jonathan Boston Victoria University John Halligan University of Canberra Grace Skogstad University of Toronto Jenn Wallner University of Ottawa Cosmo Howard University of Victoria Susan Phillips Carleton University Paul Thomas University of Manitoba Ralph Heintzman University of Ottawa Luc Juillet University of Ottawa G Bruce Doern Carleton Kenneth Kernaghan Brock
