

The Hatfields The Mccoys

Virgil Carrington Jones

The Hatfields The Mccoys:

The Feud Dean King, 2013-05-14 For more than a century the enduring feud between the Hatfields and the McCoys has been American shorthand for passionate unyielding and even violent confrontation Yet despite numerous articles books television shows and feature films nobody has ever told the in depth true story of this legendarily fierce and far reaching clash in the heart of Appalachia Drawing upon years of original research including the discovery of previously lost and ignored documents and interviews with relatives of both families bestselling author Dean King finally gives us the full unvarnished tale one vastly more enthralling than the myth Unlike previous accounts King s begins in the mid nineteenth century when the Hatfields and McCoys lived side by side in relative harmony Theirs was a hardscrabble life of farming and hunting timbering and moonshining and raising large and boisterous families in the rugged hollows and hills of Virginia and Kentucky Cut off from much of the outside world these descendants of Scots Irish and English pioneers spoke a language many Americans would find hard to understand Yet contrary to popular belief the Hatfields and McCoys were established and influential landowners who had intermarried and worked together for decades When the Civil War came and the outside world crashed into their lives family members were forced to choose sides After the war the lines that had been drawn remained and the violence not only lived on but became personal By the time the fury finally subsided a dozen family members would be in the grave The hostilities grew to be a national spectacle and the cycle of killing kidnapping stalking by bounty hunters and skirmishing between governors spawned a legal battle that went all the way to the United States Supreme Court and still influences us today Filled with bitter quarrels reckless affairs treacherous betrayals relentless mercenaries and courageous detectives The Feud is the riveting story of two frontier families struggling for survival within the narrow confines of an unforgiving land It is a formative American tale and in it we see the reflection of our own family bonds and the lengths to which we might go in order to defend our honor our loyalties and our livelihood

The Hatfields and the McCoys Otis K. Rice, 2010-09-12 The Hatfield McCoy feud has long been the most famous vendetta of the southern Appalachians Over the years it has become encrusted with myth and error Scores of writers have produced accounts of it but few have made any real effort to separate fact from fiction Novelists motion picture producers television script writers and others have sensationalized events that needed no embellishment Using court records public documents official correspondence and other documentary evident Otis K Rice presents an account that frees as much as possible fact from fiction event from legend He weighs the evidence carefully avoiding the partisanship and the attitude of condescension and condemnation that have characterized many of the writings concerning the feud He sets the feud in the social political economic and cultural context of eastern Kentucky and southwestern West Virginia in the late nineteenth and early twentieth centuries By examining the legacy of the Civil War the weakness of institutions such as the church and education system the exaggerated importance of family the impotence of the law and the isolation of the mountain folk Rice gives new meaning to

the origins and progress of the feud These conditions help explain why the Hatfield and McCoy families which have produced so many fine citizens could engage in such a bitter and prolonged vendetta *The Hatfields & The McCoys* Charles River Editors,2025-06-21 They were men who matched the mountains they were Hatfields and McCoys They were men who matched the mountains They were men when they were boys Jimmy Wolford A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known The feud between the Hatfields and McCoys is the stuff of American legend and has become synonymous for vendettas In fact it has become its own term for any large scale disagreement and has made its way into everything from music to television and movies Though the fighting took place over a century ago Americans remain so fascinated by it that The History Channel s 2012 miniseries about the feuding families set records for cable television ratings These days the feud between the Hatfields and McCoys is a celebrated piece of American folklore but for two families living along the West Virginia Kentucky border during the last half of the 19th century the feud was literally a matter of life and death 21st century America might celebrate this relic of the country s rural past but modern society would also likely scoff at the idea of a couple of rural families taking pot shots at each other through the woods over slights as insignificant as a stolen pig Nevertheless for the Hatfields and McCoys the feud was every bit as dangerous as a modern gang war or organized crime activity While the feud may be harder to understand today it was a microcosm of other conflicts that shaped America s destiny First it represents the heritage of the blood feud that came to the United States with those immigrating from Scotland and Ireland The backcountry of the South was settled primarily by immigrants from the Celtic fringe of Great Britain Scotland Northern England Cornwall Wales and Ireland For these settlers family ties were paramount loyalty was key and conflicts were settled with violence The feud also demonstrated the continuing importance of honor in the South in the late 19th century and a notion that personal honor should be defended against actual or perceived slights with violence Clearly the South s code of honor persisted long after the Civil War as did tension between supporters of the Union and the Confederacy American Legends The Hatfields The McCoys chronicles America s most famous blood feud from the origins of each family to the events that sparked the fighting Along with pictures of important people places and events you will learn about The Hatfields and The McCoys like you never have before in no time at all [The Hatfields and the McCoys](#) Kirra Fedyszyn,2014-07-15 The American Civil War was a time of great upheaval in our nation Slavery was becoming a major issue and the decision over what to do formed a great rift in our nation The story of the Hatfields and McCoys demonstrates just how high emotions ran between the two sides One man s choice to fight for the Union when his neighbors have joined forces with the Confederacy launches two families into an infamous feud that lasts for half a century and causes many deaths **The Hatfields & the McCoys** Otis K. Rice,2010-09-12 A captivating

account of two families whose stubbornness and loyalty were exceeded only by their capacity for a terrible revenge Southern Living The Hatfield McCoy feud has long been a famous part of Appalachian history but over the years it s become encrusted with myth and error Novelists motion picture producers television writers and others have neglected to separate fact from fiction and sensationalized events that needed no embellishment Using court records public documents official correspondence and other sources Otis K Rice presents an account that frees as much as possible truth from legend He weighs the evidence carefully avoiding the partisanship and the attitude of condescension and condemnation that have characterized many of the writings concerning the feud He also sets the feud in the social political economic and cultural context of eastern Kentucky and southwestern West Virginia in the late nineteenth and early twentieth centuries By examining the legacy of the Civil War the weakness of institutions such as the church and education system the exaggerated importance of family the impotence of the law and the isolation of the mountain folk Rice gives new meaning to the origins and progress of the feud These conditions help explain why the Hatfield and McCoy families which have produced so many fine citizens could engage in such a bitter and prolonged vendetta

The Hatfields and the McCoys Bruce Wexler,2013-04-24 The Hatfields and the McCoys explores with vibrant illustration the historic feud between two iconic American families that ran for nearly three decades between 1863 and 1891 On the heels of the popular History Channel miniseries starring Kevin Costner Bruce Wexler brings this chapter of American history to life for a new generation of readers Here is an intimate look at the feud the era and an iconic cast of characters including the two family patriarchs that started it all William Anderson Devil Anse Hatfield and Randolph Ole Ran l McCoy The two led their families into a war marked by bloodshed and loss on both sides of the Tug Fork River that flows along the border of West Virginia and Kentucky Part American folklore part cautionary tale The Hatfields and the McCoys separates the fact from the fiction and stands as a testimony to how this terrible episode became symbolic for pointless and bitter animosity Wexler presents the reader with all of the crime romance betrayal and violence that makes this America s most infamous family feud Through impressive storytelling and rare images this book portrays the dramatic life and times of two extraordinary families unique to American history from the developing hostilities towards the end of the Civil War to the New Year s Night massacre of 1888 and the ensuing trials imprisonments and hangings that signaled the end of the feud

The Hatfields and the McCoys Virgil Carrington Jones,1948 History of the famous 19th century mountain feud

Feud Altina L. Waller,1988 Recounts the feud between the Hatfields and the McCoys examines the sociological implications of the conflict and offers brief profiles of the main participants

Bloodlines ,2012 No other family feud in history has captured the attention of the United States more than that of the Hatfields and McCoys Although the feud itself raged from 1865 to 1888 it has continued for generations in the eyes of many In this scrapbook of the McCoy and Hatfield families see how the feud was illustrated through pen and ink drawings and photographs over the past century and a half revealing each clan s colorful history and showing how the feud

affected each family's destiny P 4 of cover *Blood Feud* Lisa Alther, 2013-02-05 America's most notorious family feud began in 1865 with the murder of a Union McCoy soldier by a Confederate Hatfield relative of Devil Anse Hatfield More than a decade later Ranel McCoy accused a Hatfield cousin of stealing one of his hogs triggering years of violence and retribution including a Romeo and Juliet interlude that eventually led to the death of one of McCoy's daughters In a drunken brawl three of McCoy's sons killed Devil Anse Hatfield's younger brother Exacting vigilante vengeance a group of Hatfields tied them up and shot them dead McCoy's posse hijacked part of the Hatfield firing squad across state lines to stand trial while those still free burned down Ranel McCoy's cabin and shot two of his children in a botched attempt to suppress the posse's Legal wrangling ensued until the US Supreme Court ruled that Kentucky could try the captured West Virginian Hatfields Seven went to prison and one mentally disabled yelled The Hatfields made me do it as he was hanged But the feud didn't end there Its legend continues to have an enormous impact on the popular imagination and the region With a charming voice a wonderfully dry sense of humor and an abiding gift for spinning a yarn bestselling author Lisa Alther makes an impartial comprehensive and compelling investigation of what happened masterfully setting the feud in its historical and cultural contexts digging deep into the many causes and explanations of the fighting and revealing surprising alliances and entanglements Here is a fascinating new look at the infamous Hatfield McCoy feud The Hatfields and the McCoys John R. Spears, 2013-04-02 Originally published in the November 1888 issue of Current Literature magazine THE HATFIELDS AND THE McCOYS THE DRAMATIC STORY OF A MOUNTAIN FEUD chronicles the true events of the notorious Hatfield and McCoy feud of the late 1800s Sample passage When the gang reached the Kentucky side they stopped and by dashing water into Farmer's face revived him that he might suffer the more Then they forced the prisoners along the grassy bank under the trees until a slight depression was reached Here were a number of pawpaw trees The prisoners were there thrown to the ground and then raised on their knees and each one tied in that position to a pawpaw bush Talbot who had asked to be shot in the face was tied with his back to his executioners but Farmer who was already nearly dead with fear was tied facing them The lad was tied facing his brothers and then the gang formed in line and Bad Anse shouted to Wall who was on the other side of the river for the word As it came they all fired and the two older brothers Talbot and Farmer fell dead The crying of the lad had ceased through horror and fear After a few shots had been fired into the dead bodies by Cap and Jonce Hatfield Ellison Mounts and Tom Mitchell to gratify their innate thirst for the safe shedding of blood the gang started down the river But fear overcame one of their number Alex Messer and he said Dead men tell no tales He referred to the lad who had recognized them all **The coffin quilt : the feud between the Hatfields and the McCoys** Ann Rinaldi, 2000 In the 1880s young Fanny McCoy witnesses the growth of a terrible and violent feud between her Kentucky family and the West Virginia Hatfields complicated by her older sister Roseanna's romance with a Hatfield **The Hatfields & the McCoys** Bruce Wexler, 2013 Bad blood between the Hatfield and McCoy families spiraled into the most infamous feud in American

folklore Their animosity simmered for over forty years and often flared into murderous violence It led to over a dozen deaths the destruction of property orphaned children and childless parents Although it is estimated that there were only around thirty combatants on each side this legendary vendetta cast a dark stain across the whole of Appalachia **The Feud** Dean King,2014-07-01 The in depth true story of this legendarily fierce and far reaching clash in the heart of Appalachia

Reunion Ron McCoy,2015-04-17 Reunion is the story of one man s journey to discover his family heritage in the shadow of America s most famous feud The American saga of the Hatfield McCoy feud continues to intrigue people fascinated by even the smallest details of the story People are drawn to the tale of two families caught up in a tragic vendetta in the rugged Appalachian Mountains of Kentucky and West Virginia But this is not a book about the feud Until the author was thirty five years old he did not know he was related to the clan This is a book about discovery It is the story of enduring challenges surprising revelations and new found family It is a personal journey to connect with the past and understand its relationship to the future It is the story of family members past and present whose choices decisions and actions both good and bad have directly affected and shaped the lives of generations to come Ron McCoy is the great great great grandson of Randolph McCoy patriarch of the family at the time of the feud His improbable discovery of his family heritage led to his involvement in seminal events that added new chapters to its history He helped organize the first national reunion of the Hatfields and McCoy s in 2000 In 2003 he helped shepherd the historic Hatfield McCoy truce signing an event carried live on national television Hatfields and McCoy s ,1971 American Legends Charles River Charles River Editors,2017-10-14 Includes pictures of some of the important people places and events involved in the feud Explains the origins and legacy of the famous feud Includes a timeline of the feud Includes a Bibliography for further reading They were men who matched the mountains they were Hatfields and McCoy s They were men who matched the mountains They were men when they were boys Jimmy Wolford A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known The feud between the Hatfields and McCoy s is the stuff of American legend and has become synonymous for vendettas In fact it has become its own term for any large scale disagreement and has made its way into everything from music to television and movies Though the fighting took place over a century ago Americans remain so fascinated by it that The History Channel s 2012 miniseries about the feuding families set records for cable television ratings These days the feud between the Hatfields and McCoy s is a celebrated piece of American folklore but for two families living along the West Virginia Kentucky border during the last half of the 19th century the feud was literally a matter of life and death 21st century America might celebrate this relic of the country s rural past but modern society would also likely scoff at the idea of a couple of rural families taking pot shots at each other through the woods over slights as insignificant as a stolen pig

Nevertheless for the Hatfields and McCoys the feud was every bit as dangerous as a modern gang war or organized crime activity While the feud may be harder to understand today it was a microcosm of other conflicts that shaped America's destiny First it represents the heritage of the blood feud that came to the United States with those immigrating from Scotland and Ireland The backcountry of the South was settled primarily by immigrants from the Celtic fringe of Great Britain Scotland Northern England Cornwall Wales and Ireland For these settlers family ties were paramount loyalty was key and conflicts were settled with violence The feud also demonstrated the continuing importance of honor in the South in the late 19th century and a notion that personal honor should be defended against actual or perceived slights with violence Clearly the South's code of honor persisted long after the Civil War as did tension between supporters of the Union and the Confederacy

American Legends: The Hatfields and McCoys chronicles America's most famous blood feud from the origins of each family to the events that sparked the fighting Along with pictures of important people places and events you will learn about The Hatfields and The McCoys like you never have before in no time at all *American Legends: the Hatfields and McCoys* Charles River Charles River Editors, 2013-09-12 Includes pictures of some of the important people places and events involved in the feud Explains the origins and legacy of the famous feud Includes a timeline of the feud Includes a Bibliography for further reading They were men who matched the mountains they were Hatfields and McCoys They were men who matched the mountains They were men when they were boys Jimmy Wolford A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors' American Legends series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known The feud between the Hatfields and McCoys is the stuff of American legend and has become synonymous for vendettas In fact it has become its own term for any large scale disagreement and has made its way into everything from music to television and movies Though the fighting took place over a century ago Americans remain so fascinated by it that The History Channel's 2012 miniseries about the feuding families set records for cable television ratings These days the feud between the Hatfields and McCoys is a celebrated piece of American folklore but for two families living along the West Virginia Kentucky border during the last half of the 19th century the feud was literally a matter of life and death 21st century America might celebrate this relic of the country's rural past but modern society would also likely scoff at the idea of a couple of rural families taking pot shots at each other through the woods over slights as insignificant as a stolen pig Nevertheless for the Hatfields and McCoys the feud was every bit as dangerous as a modern gang war or organized crime activity While the feud may be harder to understand today it was a microcosm of other conflicts that shaped America's destiny First it represents the heritage of the blood feud that came to the United States with those immigrating from Scotland and Ireland The backcountry of the South was settled primarily by immigrants from the Celtic fringe of Great Britain Scotland Northern England Cornwall Wales and Ireland For these settlers

family ties were paramount loyalty was key and conflicts were settled with violence The feud also demonstrated the continuing importance of honor in the South in the late 19th century and a notion that personal honor should be defended against actual or perceived slights with violence Clearly the South s code of honor persisted long after the Civil War as did tension between supporters of the Union and the Confederacy American Legends The Hatfields The McCoys chronicles America s most famous blood feud from the origins of each family to the events that sparked the fighting Along with pictures of important people places and events you will learn about The Hatfields and The McCoys like you never have before in no time at all **The Feuding Hatfields and McCoys** Coleman C. Hatfield,F. Keith Davis,2011-06-01 This unique book is about two proud families It is a title that includes a comprehensive timeline of the Hatfield family migration westward and documents the history before during and following the bloody Hatfield and McCoy feud era There are special stories which have never been published before directly from the Hatfield family that adds color and clarity to this famous feud This book is a pictorial history that features rare and interesting photographs from both families **The Hatfields** George Elliott Hatfield,1988
