Veterinarian Approved Meals for Healthy Pets Now Grain Free There s a reason why pets beg at the table they want real food Not the kibble manufactured by pet food companies transformed beyond recognition drained of natural nutrients and a far cry from fresh meat vegetables and grain If we as human beings are so dedicated to preparing healthy homemade meals for ourselves in the comfort and safety of our own kitchens shouldn t we be doing the same for our beloved pets Homemade Meals for Cats and Dogs is a collection of more than fifty cat and dog food recipes that will teach you how to whip up a fresh balanced meal for your hungry critters Written by a veterinarian certified in food therapy and an advocate for pet food safety these recipes are also based on the National Research Council requirements for dogs and cats Debunk the myth that pet food companies are the only entities qualified to feed your pets Instead beat pet obesity disease and sickness by reaching into your pantry or refrigerator turning on the stove and starting to cook yourself Making food at home will also decrease those exorbitant pet food bills It s time to go back to the table Know exactly what your pet is eating and serve it a variety of real food that it deserves Be a responsible pet parent by balancing your pet s diet and pleasing its palate Cooking for your pet is paws ible

Health and Nutrition for Dogs and Cats David G. Wellock, 2013-04-11 While the internet provides pet parents with a great deal of information finding and understanding that information can be like wading through a bog at midnight without a flashlight In spite of the internet pet parents remain desperate for valid resources Health and Nutrition for Dogs and Cats is timely informative and delivers sensible information on topics of importance to all pet owners From reading pet food labels to storing food from understanding appropriate calorie intake to food allergies David Wellock helps readers better understand the dietary needs of their dogs and cats In recent years Americans have come to pay more attention to the foods they eat This trend toward a healthier lifestyle quickly found its way into the world of pet foods allowing better diets to find success in the marketplace However the change has been somewhat perplexing for pet parents as they struggle to sort out the various and sometimes misleading messages surrounding the new foods available to their pets Here a seasoned expert in the care and feeding of dogs and cats provides fact filled no nonsense understandable information on the topics pet parents need to know in order to purchase and prepare food and develop an appropriate diet for their furry charges

The Ultimate Pet Health Guide Gary Richter, MS, DVM, 2017-08-15 As a holistic veterinarian and scientist Dr Gary Richter helps dog and cat owners to navigate the thicket of treatment options and separate the fact from the fiction He

wants us to use what actually works not just what Western science or alternative medicine say should work This multifaceted approach to health is known as integrative medicine Dr Richter examines traditional medicine from many cultures alongside modern medical techniques describing the best of complementary care and the best of conventional veterinary medicine Every treatment he recommends has the backing of scientific research or years of successful outcomes in his clinical practice After explaining the treatment he offers specific recommendations for an integrative approach to common diseases including allergies skin conditions diabetes heart disease and cancer A holistic approach to health includes nutrition as it sets up the foundation for your pet s health Dr Richter cuts through the hype in the pet food world and explains how to choose the best commercial foods and supplements and even includes both raw and cooked dog and cat food recipes for general diet as well as to treat specific needs He also explains how we can use the right foods and supplements to hack the body s processes including the immune system
