## **The Heart Of The Matter:**

**The Heart of the Matter** Graham Greene,1971 An assistant police commissioner in a West African coastal town lets passion overrule his honor

**The Heart of the Matter** Ian Smillie,Lansana Gberie,Ralph Hazleton,2000 How diamonds have been the cause of widespread death misery destruction for almost a decade in the West African country of Sierra Leone Through the 1990s Sierra Leone s rebel war became a tragedy of major humanitarian political historic proportions but the story goes back 60 years to the discovery of the diamonds The diamond mining sector has become influenced by organized crime by the smuggling not just of diamonds but of guns drugs by vast sums of money in search of a laundry No peace agree would be sustainable until the problems of mining selling diamonds had been addressed both inside Sierra Leone internationally Tables

**The Heart of the Matter** Kas Hawes,2023-10-28 This is a unique story It is the story of a doctor and the many patients she sees every day A tale of the diversity of life the uniqueness of individuals and the impact of deprivation on the health of society

**The Heart of the Matter** Douglas Westveer,Sandra Jordan,2009-08-01 If you re browsing through The Heart of the Matter the threat of cardiac disease is lurking in your mind and with good reason Although national programs to contain this killer are highly successful and ahead of schedule heart disease remains highly prevalent and deadly Medical research during the last 15 years has successfully defined many treatment strategies that work and many that don t Your task is not to understand this mountain of information but to know the critical questions to ask your doctor when you are in trouble The Heart of the Matter will highlight for you the right questions to ask after your heart attack or if you re afflicted by hypertension high cholesterol or heart failure Before you need a pacemaker defibrillator heart surgery or angioplasty the right questions need to be asked and you ll find out why they re important Take advantage of all of the recent research and years of clinical experience by the authors in managing heart disease

**The Heart of the Matter** Darren R. Weissman, Dr.,Cate Montana,2013-09-02 How do you access your authentic self in order to have a fulfilling and meaningful life The Heart of the Matter introduces you to a simple but extraordinarily powerful tool called the See Feel Hear Challenge that will inspire you to easily transform reactive patterns of behavior and negative ways of thinking into a profoundly balanced and healthy lifestyle of your own conscious design Based on the latest findings in neuroscience and neurocardiology this book reveals the astounding power of our emotions and how they can either limit us or set us free As important as eating breathing and sleeping processing our emotions is the fundamental key to creating harmony in all areas of life This technique will help us do exactly that provide guidance on how to live in the moment and create the incredible existence that we desire Using clear steps and real experiences Dr Darren Weissman s latest work co authored with Cate Montana teaches you a new way to live intentionally Get ready to evoke positive change that will impact the world you re a part of change that will remold your body mind and emotions into a purposeful expression of the radiant spirit that you are Whether your life is speaking to you through addictions or dysfunctional relationships illness or unhappiness or you re

focused on becoming an Olympic champion *The Heart of the Matter* gives you a potent tool for real change and transformation that you'll be able to use no matter what issues may arise **The Heart of the Matter** Bob

Edwards, 2002-07-24 Psychiatrist and Holocaust survivor Viktor Frankl said Man's search for meaning is the primary motivation in his life Yet some contemporary voices claim that increased knowledge of the material world must diminish our sense of meaning Physicist Steven Weinberg said The more the universe seems comprehensible the more it also seems pointless Many people hold the material and meaningful perspectives separate in their minds in a state of uneasy truce *The Heart of the Matter A Case for Meaning in a Material World* tells us that this split vision is not necessary and shows us how the two views can be harmonized to give depth to our picture of the world It looks at current scientific observations from astronomy biology and physics as well as insights from mathematics philosophy psychology and religion We are left with a sense of wonder at both the mechanics and the values of the world the how and the why of events This book will appeal to everyone fascinated by how our world works and especially to those who wonder how such marvelous mechanisms can leave room for the values and purpose that give meaning to our lives and to our world *The Heart of the Matter* Olive

Whicher, 2015-09-11 In this concise and richly illustrated work Olive Whicher introduces a radical new science of living organisms forms and processes based on the pioneering work of Rudolf Steiner and his pupil George Adams If we are to understand fully the laws of living nature she argues it is necessary to overcome the one-sided ideas of modern science ideas that are only adequate to describe material forms and forces We need to widen our thinking to include the etheric formative forces forces that are alive in ethereal space or counterspace Such forces work in plants for example by drawing matter upwards in a suctional manner in contrast to the forces of gravity which draw downwards and the forces of an explosion which work upward and outward This easily digestible introduction will be valuable to anybody seeking to comprehend the living world around us *The Heart of the Matter* Pasquale De Marco, 2025-03-18 The Second World War was the deadliest conflict in human history resulting in the deaths of tens of millions of people It was a global war that spanned six continents and all of the world's oceans The war began in 1939 when Nazi Germany invaded Poland and it ended in 1945 with the defeat of Germany Italy and Japan This book provides a comprehensive overview of the Second World War from its origins to its aftermath It examines the political economic and social factors that led to the outbreak of war and it follows the conflict from its early battles to its bloody conclusion The book also considers the war's impact on the lives of ordinary people and it explores the ways in which it has shaped the world we live in today In this book you will learn about The rise of Adolf Hitler and the Nazi Party in Germany The invasion of Poland and the outbreak of war The major battles of the war including the Battle of Stalingrad the Battle of Britain and the Battle of the Bulge The Holocaust and other atrocities committed by the Nazis The Allied victory and the end of the war The legacy of the war and its impact on the world today This book is essential reading for anyone who wants to understand one of the most important events in human history It is a comprehensive and

balanced account of the war and it is written in a clear and engaging style Whether you are a student a historian or simply someone who is interested in learning more about the Second World War this book is for you If you like this book write a review

*The Heart Of The Matter* Rick Baldacci,2006-03-13 This book is about a journey of a person looking for the heart of the matter of life It is a story of a person who found welled up in his soul the residue of one emotional event after another With the help and encouragement of some very special and gifted teachers he endeavored to learn how to release those emotions by putting them into word paintings Day to day activities fill the pages of our lives however it is the poignant events that turn them Because these events hold such hallowed ground they are easily resurrected They come dressed in the same images of the past and rekindle many of the feelings last remembered Some are warm comforting reunions welcomed home as one would welcome a friend Others remain the sobering reminders they always were A special few are as painfully sore as the day they happened They are hard to relive harder to forget and are the hardest to share Nevertheless they are permanently inscribed on the walls of our souls and play a significant role in the sum of who we are This book is a gallery of emotions that began in a young heart and grew as life and his many experiences marched onward It is a look back and a look forward It is also a realization that there is an answer to the question What really lies at the heart of the matter

The Heart of the Matter John D. Loscher,2014-07-28 The heart belonging to Dr Jacob Rothmann M D Professor of Anatomy and Physiology at Rosalind Franklin University of Medicine and Science is filled with rage He has yet to recover from being romantically spurned some three decades earlier by the beautiful Melissa Neithaus in favor of his irresponsible roommate Marty Adkins Carrying that anger for nearly thirty years blackened his heart beyond reproach With the cardiac physicians spirit completely devoured he evolves into a repulsive man with no redeeming characteristics whatsoever But with Marty dying of congestive heart failure Melissa re enters his life As a renowned cardiovascular surgeon Dr Rothmann has the power to do as the woman he still loves with all his heart implores Save Martys life But does he have the heart to do it

Getting to the Heart of the Matter Carl Levin,2021-03-02 Former senator Carl Levin s memoir demonstrates the value of pragmatism empathy and compromise Representing Michigan for thirty six years in the U S Senate Carl Levin the longest serving senator in Michigan history was known for his dogged pursuit of the truth his commitment to holding government accountable and his basic decency Getting to the Heart of the Matter My 36 Years in the Senate is his story from his early days in Detroit as the son of a respected lawyer to the capstone of his career as chair of both the Senate Armed Services Committee and the Senate Permanent Subcommittee on Investigations Levin s career placed him at the center of some of our nation s most critical points in modern times from the aftermath of the 1967 Detroit riots to the Clinton impeachment through 9 11 and the wars in Iraq and Afghanistan and the 2008 financial crisis He met with numerous world leaders including Egypt s Anwar Sadat and China s Jiang Zemin Getting to the Matter recounts Levin s experiences thoughts and actions during these historic moments Consisting of seventeen chapters the book takes the reader through Levin s early life in Detroit of the

1940s 50s and 60s where he met his wife started a family practiced law and served as the first General Counsel for the newly created Michigan Civil Rights Commission and the chief appellate defender for Detroit's Legal Aid Office Elected to the Detroit City Council in 1969 where Levin served for eight years including four as Council president the book describes how his fight against the Department of Housing and Urban Development's devastating housing practices in the neighborhoods of Detroit led him to run for the U S Senate with a pledge to make government work more effectively Winning election six times Levin had an illustrious career in the Senate where he challenged leaders in government and the private sector for the greater good of the nation Levin describes how as a Democrat throughout his time in the Senate he worked with Republican senators who often held different policy positions in order to find common ground to achieve national goals and how he and his Senate staff searched for creative solutions to trade issues support for the auto industry and manufacturing sector U S military action in Iraq and Afghanistan and efforts to protect the Great Lakes and the environment among many other issues Levin's hope in writing this memoir is that by sharing his deeply held beliefs about the responsibility of elected officials the book will serve as a resource for people beginning a career in or contemplating running for public office Readers with an interest in politics history facts and perseverance will find kinship in this book

**Singapore Perspectives 2009: The Heart Of The Matter** Tarn How Tan, 2009-06-02 The Singapore Perspectives series is a yearly publication that provides critical analysis of emerging trends and issues Singapore faces in terms of social economic and political development It is a quick and essential reference for understanding the broad policy discussions that animate thought leaders policy makers and the public in the country during the immediate period or that are likely to do so in the short and medium term In this volume contributors take an in depth look at four topics of pertinent interest to Singapore's mid to long term future and offer some radical ideas for Singaporeans consideration They are Can Singaporeans Afford a High Cost Singapore Can Singaporeans Remain Rooted Can Singapore Preserve Its Hub Status Can Government Do Less and Singaporeans More Contributors include Member of Parliament Inderjit Singh playwright and law academic Eleanor Wong and former president of the Law Society of Singapore Philip Jeyaretnam Co published by the think tank the Institute of Policy Studies Singapore this is a useful publication for those with an interest in understanding the governance challenges facing a small highly globalised economy and nation state or those who want a quick feel of the pulse of Singapore

*The Heart Of The Matter: Perspectives On Emotion In Marital* Susan M. Johnson, Leslie S. Greenberg, 2013-08-21 First published in 1995 Intimate relationships are at the core of our emotional life There is no other context so infused by and responsive to the ebb and flow of human emotion A large part of human communication is emotional communication involving minute signals concerning closeness and distance and dominance and submission This information is of central importance in organizing interactions with significant others In addition the social interactions most crucial to our senses of well being positive adaptation and physical and emotional health are those that occur with significant others on whom we depend for our sense of security and belonging in

the world This book examines the role of affect in intimate relations and in the redefinition of such relationships in therapy
