The Hungarians A Divided Nation:

The Hungarians Stephen Borsody, 1988 *Nationalism and Territory* George W. White, 2000 Why do nations come into conflict What factors lead to the horrors of ethnic cleansing This timely book offers clear eyed answers to these questions by exploring how national identity is shaped by place focusing especially on Serbia Hungary and Romania Moving beyond studies of nationalism that consider only the economic and geostrategic value of territory George W White shows that the very core of national identity is intimately bound to specific places Indeed nations define themselves in terms of spaces that have historical linguistic and religious meaning as Serbs have clearly demonstrated in Kosovo These territories are concrete expressions of a nation's identity both past and present With his detailed analysis of the places that define national identity in Southeastern Europe White convincingly shows why territorial disputes so often escalate into war **Between State and Nation** M. Waterbury, 2010-11-14 Based on a qualitative study of Hungary and its changing relationship to the 3 million ethnic Hungarians in neighbouring states this book argues that it is not the ties of ethnicity but the political interests of kin state elites that drives states in Eastern Europe to take action on behalf of ethnic kin in neighboring states Talk of the Nation Zsuzsa Csergo, 2018-07-05 How can democratization coupled with transnational integration resolve conflicts over cultural difference in places that are marked by legacies of nationalist competition This book explores that question through a comparative study of contestations over language use in the heart of the post Communist region Zsuzsa Csergo notes that newly independent governments looked to rejoin the West in particular the European Union while at the same time asserting control over the institutions they considered key to the reproduction of national cultures These national projects resulted in renewed salience for minority language rights and a complicated politics triggering EU concerns about the treatment of regional cultural minorities Csergo's field research in Romania Hungary and Slovakia leads her to make a bold claim about the primacy of domestic politics in the construction of democratic solutions to the conundrum of nation building and minority rights Talk of the Nation breaks new ground by focusing on both majority and minority political elites and parties in interethnic relations Csergo challenges arguments about the overwhelming importance of international influence Her book demonstrates that the role of domestic political actors in interethnic reconciliation is not merely that of compliance with international requirements or effectiveness in responding to external pressure they are largely guided by the internal democratic process **Imagology** , 2007-01-01 How do national stereotypes emerge To which extent are they determined by historical or ideological circumstances or else by cultural literary or discursive conventions This first inclusive critical compendium on national characterizations and national cultural or ethnic stereotypes contains 120 articles by 73 contributors Its three parts offer 1 a number of in depth survey articles on ethnic and national images in European literatures and cultures over many centuries 2 an encyclopedic survey of the stereotypes and characterizations traditionally ascribed to various ethnicities and nationalities and 3 a conspectus of relevant concepts in various cultural fields and scholarly

disciplines The volume as a whole as well as each of the articles has extensive bibliographies for further critical reading Imagology is intended both for students and for senior scholars facilitating not only a first acquaintance with the historical development typology and poetics of national stereotypes but also a deepening of our understanding and analytical perspective by interdisciplinary and comparative contextualization and extensive cross referencing

Irredentism Thomas Ambrosio, 2001-09-30 The idea of national unification has long been a powerful mobilizing force for nationalist thinkers and ethnic entrepreneurs since the rise of nationalist ideology in the late 1700s This phenomenon came to be known as irredentism During the Cold War irredentist projects were largely subordinated to the ideological struggle between East and West After the Cold War however the international system has witnessed a proliferation of such conflicts throughout Europe and Asia Ambrosio integrates both domestic and international factors to explain both the initiation and settlement of irredentist conflicts His central argument is that irredentist states confront two potentially contradictory forces domestic nationalism and pressure from the international community Irredentist leaders are forced to reconcile their nationalist policies with pressures from the international plane At the same time irredentist leaders exploit perceived windows of opportunity in pursuit of their nationalist goals Ambrosio examines in depth the past present and possible irredentist projects of Serbia Croatia Hungary and Armenia within a theoretical and comparative framework His conclusions yield significant theoretical findings and important policy implications for both scholars of ethnic conflicts nationalism and international relations and policy makers

The Struggle for the Eurasian Borderlands Alfred J. Rieber, 2014-03-20 A major new account of the Eurasian borderlands as shatter zones which have generated some of the world's most significant conflicts

Expanding European Unity - Central and Eastern Europe, 2023-08-14 Since the fall of the Berlin wall in 1989 the former Communist countries of Central and Eastern Europe have been pushing for a quick return to Europe The project of expanding European unity is in full progress however so far none of the former Soviet bloc countries have been able to join the European Union Technical problems related to financial management and administrative matters still have to be overcome but more fundamental issues are also at stake what are the borders of Central and Eastern Europe And will the eastward expansion of the European Union be conducted on the basis of western images and stereotypes of the East This volume examines the state of affairs after ten years of attempts to further enlarge the Union Written by authors from the East as well as the West some of the articles focus on the general issue of how to distinguish between Western Central and Eastern Europe while others discuss the specific situation of the countries that are closest to joining the European Union Poland the Czech Republic and Hungary

Stalin's Legacy in Romania Stefano Bottoni, 2018-05-29 This study explores the little known history of the Hungarian Autonomous Region HAR a Soviet style territorial autonomy that was granted in Romania on Stalin's personal advice to the Hungarian Szekely community in the summer of 1952 Since 1945 a complex mechanism of ethnic balance and power sharing helped the Romanian Communist Party RCP to strengthen with Soviet

assistance its political legitimacy among different national and social groups The communist national policy followed an integrative approach toward most minority communities with the relevant exception of Germans who were declared collectively responsible for the German occupation and were denied political and even civil rights until 1948 The Hungarians of Transylvania were provided with full civil political cultural and linguistic rights to encourage political integration The ideological premises of the Hungarian Autonomous Region followed the Bolshevik pattern of territorial autonomy elaborated by Lenin and Stalin in the early 1920s The Hungarians of Székely Land would become a titular nationality provided with extensive cultural rights Yet on the other hand the Romanian central power used the region as an instrument of political and social integration for the Hungarian minority into the communist state The management of ethnic conflicts increased the ability of the PCR to control the territory and at the same time provided the ruling party with a useful precedent for the far larger nationalization of the Romanian communist regime which starting from the late 1950s resulted in ethnicized communism an aim achieved without making use of pre war nationalist discourse After the Hungarian revolution of 1956 repression affected a great number of Hungarian individuals accused of nationalism and irredentism In 1960 the HAR also suffered territorial reshaping its Hungarian born political leadership being replaced by ethnic Romanian cadres The decisive shift from a class dictatorship toward an ethnicized totalitarian regime was the product of the Gheorghiu Dej era and as such it represented the logical outcome of a long standing ideological fouling of Romanian communism and more traditional state building ideologies

A Nation Divided by History and Memory Gábor Gyáni, 2020-07-12 During the last few decades there has been a growing recognition of the great role that remembering and collective memory play in forming the historical awareness In addition the dominant national form of history writing also met some challenges on the side of a transnational approach to the past In A Nation Divided by History and Memory a prominent Hungarian historian sheds light on how Hungary's historical image has become split as a consequence of the differences between the historian's conceptualisation of national history and its diverse representations in personal and collective memory The book focuses on the shocking experiences and the intense memorial reactions generated by a few key historical events and the way in which they have been interpreted by the historical scholarship The argument of A Nation Divided by History and Memory is placed into the context of an international historical discourse This pioneering work is essential and enlightening reading for all historians many sociologists political scientists social psychologists and university students

The Challenge of Ethnic Conflict, Democracy and Self-determination in Central Europe Anton Pelinka, Dov Ronen, 2013-10-23 This volume provides an overall assessment of ethnic diversity in Central Europe in historical context and presents a critical assessment of the conflict in former Yugoslavia It advances a hypothesis on the origins of ethnic conflict proposes an approach to the prevention and reduction of ethnic conflict in general and in Central Europe in particular and forwards concrete policy recommendations for the region of East and Central Europe and beyond

Screen Memories Catherine Portuges, 1993 excellent Slavic Review

displays a depth of scholarship and breadth of research which in the main is distilled into a fascinating read At last M sz ros is getting the attention she deserves Sight and Sound Drawing on personal reminiscences interviews with Meszaros and critiques of individual films Portuges delineates in detailed and convincing fashion the cultural contradictions surrounding Meszaros and her art Signs This book provides engaging insight to works by one of Hungary s best contemporary filmmakers M rta M sz ros Canadian Slavonic Papers A fascinating exploration of the culture of post Stalinist Eastern Europe through a detailed study of the achievements of its foremost woman director and revealing interviews with the filmmaker and her collaborators M rta M sz ros s visual representations of youth sexual difference and class conflict challenged official socialist versions of gender family relations and workers lives Her films include documentaries and features and the recently completed Diary of My Father and Mother *Silenced Voices* Csilla Bertha,Donald E. Morse,2008 This book is a timely reminder of how theatre can not just entertain but enlighten and transform us too The five plays it collects are wonderfully theatrical moving fluidly from absurdism to tragedy and from satire to the darkly comic The translators give us versions that will stimulate and delight readers performers and audiences And by giving voice to the forgotten playwrights of Central Europe they also deeply enrich our understanding of the relationship between art ethics and politics in Europe both in the past and the present BOOK JACKET Challenges of Labour Chris Wrigley,2002-03-11 This collection of essays all published for the first time in English provide a fresh look at the critical years of 1917 1920 when revolutionary activity and working class unrest was rife in Europe Written by leading authorities in the field the collection gives wide European coverage examining developments in the rural provinces and key cities of both Western and Central Europe in the period after the Great War In depth studies analyse the causes and extent of protest the factors which contributed to its initial success and failure and the influence of the propertied classes and re establishment of the old order The introduction and conclusion draw the essays together giving a clear account of the principal themes and establishing the comparative structure of the book The essays provide major coverage of a crucial period of modern history and should raise many new questions about the events of those years The Romani Movement Peter Vermeersch,2007-12-01 The collapse of communism and the process of state building that ensued in the 1990s have highlighted the existence of significant minorities in many European states particularly in Central Europe In this context the growing plight of Europe s biggest minority the Roma Gypsies has been particularly salient Traditionally dispersed possessing few resources and devoid of a common kin state to protect their interests the Roma have often suffered from widespread exclusion and institutionalized discrimination Politically underrepresented and lacking popular support amongst the wider populations of their host countries the Roma have consequently become one of Europe s greatest losers in the transition towards democracy Against this background the author examines the recent attempts of the Roma in Central Europe and their supporters to form a political movement and to influence domestic and international politics On the basis of first hand observation and interviews

with activists and politicians in the Czech Republic Hungary and Slovakia he analyzes connections between the evolving state policies towards the Roma and the recent history of Romani mobilization In order to reach a better understanding of the movement s dynamics at work the author explores a number of theories commonly applied to the study of social movements and collective action *Ceausescu and the Securitate* Dennis Deletant,2016-12-05 First Published in 2017 This book contains Deletant s research and view that an inescapable feature of life in Romania under Ceausescu was the ubiquity of the Securitate or the security police known officially for much of the period as the Department of State Security of the Ministry of the Interior He seeks to right the omission in Romanian literature until now of the mechanism of terror which Stalin used in Romania to enforce his will and about the organisation of the Department of State Security *Lessons and Legacies VIII* Peter Hayes,Holocaust Educational Foundation,1991 In the courtroom and the classroom in popular media public policy and scholarly pursuits the Holocaust its origins its nature and its implications remains very much a matter of interest debate and controversy Arriving at a time when a new generation must come to terms with the legacy of the Holocaust or forever lose the benefit of its historical social and moral lessons this volume offers a richly varied deeply informed perspective on the practice interpretation and direction of Holocaust research now and in the future In their essays the authors an international group including eminent senior scholars as well those who represent the future of the field set the agenda for Holocaust studies in the coming years even as they give readers the means for understanding today s news and views of the Holocaust whether in court cases involving victims and perpetrators international national and corporate developments or fictional documentary and historical accounts Several of the essays such as one on nonarmed amidah or resistance and others on the role of gender in the behavior of perpetrators and victims provide innovative and potentially significant interpretive frameworks for the field of Holocaust studies Others for instance the rounding up of Jews in Italy Nazi food policy in Eastern Europe and Nazi anti Jewish scholarship emphasize the importance of new sources for reconstructing the historical record Still others including essays on the 1964 Frankfurt trial of Auschwitz guards and on the response of the Catholic Church to the question of German guilt bring a new depth and sophistication to highly charged sharply politicized topics Together these essays will inform the future of the Holocaust in scholarly research and in popular understanding Publisher s description

"Ligeti's Laments: Nostalgia, Exoticism, and the Absolute " Amy Bauer,2017-07-05 When the Hungarian composer Gy rgy Ligeti passed away in June 2006 he was widely feted as being one of the greatest composers of our time His complete published works were recorded during his lifetime and his music continues to inspire a steady stream of performances and scholarship Ligeti s Laments provides a critical analysis of the composer s works considering both the compositions themselves and the larger cultural implications of their reception Bauer both synthesizes and challenges the prevailing narratives surrounding the composer s long career and uses the theme of lament to inform a discussion of specific musical topics including descending melodic motives passacaglia and the influence of folk music But Ligeti laments in a larger sense

his music fuses rigour and sensuality tradition and the new and influences from disparate high and low cultures with a certain critical and ironic distance reflected in his spoken commentary as well as in the substance of his music The notions of nostalgia exoticism and the absolute are used to relate works of different eras and genres along with associated concepts of allegory melancholy contemporary subjectivity and the voice **Italy And East Central Europe** Vojtech

Mastny,2019-03-13 As a medium sized power in strategic proximity to east central Europe Italy has sought a special role in the region following the collapse of Communist regimes there Building on historical traditions and cultural affinities Italy has drawn on its newly acquired economic power and important position within the European Union to develop an Eastern policy for example as originator of the Pentagonale project for regional cooperation As a result Italy has often been perceived by east central Europeans as a key country in their efforts to become more closely integrated with western Europe More recently however both ethnic strife in the region and the collapse of Italy s own political establishment have cast doubt on the country s ability to play the role that many east central Europeans as well as Italians hope it can assume in the future European order In this timely volume leading European and U S experts examine the multifaceted dimensions of what has been in many ways a unique relationship in contemporary Europe *In Defense of Christian Hungary* Paul

Hanebrink,2018-09-05 In this important historical account of the role that religion played in defining the political life of a modern national society Paul A Hanebrink shows how Hungarian nationalists redefined Hungary a liberal society in the nineteenth century as a narrowly Christian nation in the aftermath of World War I Drawing on impressive archival research Hanebrink uncovers how political and religious leaders demanded that Christian values influence public life while insisting that religion should never be reduced to the status of a simple nationalist symbol In *Defense of Christian Hungary* also explores the emergence of the idea that a destructive Jewish spirit was the national enemy In combining the historical study of antisemitism with more recent considerations of religion and nationalism Hanebrink addresses an important question in Central European historiography how nations that had been inclusive of Jews before World War I became rabidly antisemitic during the interwar period As he traces the crucial and complex legacy of religion s role in shaping exclusionary antisemitic politics in Hungary Hanebrink follows the process from its origins in the 1890s to the Holocaust and beyond More broadly In *Defense of Christian Hungary* squarely addresses the relationship between antisemitic words and antisemitic violence and between religion and racial politics deeply contested issues in the history of twentieth century Europe The Hungarian example is a chilling demonstration of how religious nationalism can find a home even within a pluralist and tolerant civil society

The Hungarians A Divided Nation Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Hungarians A Divided Nation has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Hungarians A Divided Nation has opened up a world of possibilities. Downloading The Hungarians A Divided Nation provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Hungarians A Divided Nation has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Hungarians A Divided Nation. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Hungarians A Divided Nation. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Hungarians A Divided Nation, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Hungarians A Divided Nation has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available

and embark on a journey of continuous learning and intellectual growth.

FAQs About The Hungarians A Divided Nation Books

What is a The Hungarians A Divided Nation PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Hungarians A Divided Nation PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Hungarians A Divided Nation PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Hungarians A Divided Nation PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Hungarians A Divided Nation PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
