David L. Andrews

The Hurricane The Turbulent Life Times Of Alex Higgins:

The Hurricane Bill Borrows, 2002 Born on a council estate in Belfast Alex Higgins left school at 15 At 17 he won the Northern Ireland and All Ireland snooker championships and turned professional when he was 20 In 1972 aged just 23 he became the youngest person ever to win the World Championship He repeated this achievement in an emotional final 10 years later in the process becoming the biggest box office draw the game has ever known Alex Higgins was a showman gambler comedian bully charmer and alcoholic His antics and ferocious temper were legendary yet he was loved by millions Now dying of cancer he has spent everything he has and divided his time between Manchester and Belfast where he survives by playing u10 snooker matches in pubs Bill Burrows has had unprecedented access to Higgins and reconstructs vividly the terrifying roller coaster ride that is his life Outrageous gripping and ultimately emotionally wrenching this is the definitive account of one of the most charismatic and self destructive figures ever to appear in British sport *Snooker's World Champions* Luke Williams, Paul Gadsby, 2012-10-05 The top snooker players in the world compete for several trophies every year but one carries more prestige than all the others put together the World Championship No other tournament in the sport carries with it so much history so many golden moments of spectacular success and dramatic failure Meticulously researched and including exclusive interview material with Steve Davis Stephen Hendry and 2005 world champion Shaun Murphy among others Masters of the Baize is a comprehensive guide to the men who have lifted the greatest prize in snooker From the legendary Joe Davis the first champion in 1927 to modern day masters like Mark Williams all the sport's world champions are put under the microscope while the colourful careers of forgotten figures such as Walter Donaldson and John Pulman and rogue heroes like Alex Higgins and Ronnie O Sullivan are brought vividly to life After uncovering the inauspicious origins of the game in nineteenth century India the authors examine every former world champion in his own comprehensive chapter Additionally a special section focuses on the extraordinary popularity of Jimmy White by far the greatest player never to have won the title and one of the most emotive names in the sport *Alex Higgins: Snooker Legend* J Hennessey, 2013-05-24 When Alex Higgins first manager John McLaughlin bestowed the nickname Hurricane Higgins on the young feisty snooker player he had no idea just how apt it was to prove over the next thirty years Eye of the Hurricane details a sad but uplifting story of a man who had everything to play for but now has to play hard for anything he can get It describes Higgins sitting fitfully on snooker's sidelines still has a story to tell another controversy to spark Author John Hennessey promises a wart and all account of Alex Higgins's life and that is precisely what he delivers in this thoroughly absorbing book well told but cautionary tale of how narrow the line is between genius and insanity This first proper account of Higgins's life is all the more clear eyed for being written without his co operation *A Billiards and Snooker Compendium* Gary Clarke, 2008 A Billiards Snooker Compendium A Billiards Snooker Compendium is the most extensive work on the literature of billiards and snooker ever published and took over two years to compile It contains bibliographical information on over

650 books a detailed description of each book's content tips on identifying different editions notes on scarce dustjackets plus the estimated values of 1st editions These values have been calculated using a variety of well respected sources This essential reference book is easy to use is clearly laid out and includes both an author and title index Each book has its own unique reference number and entries are fully cross referenced It will appeal to all collectors of billiards and snooker memorabilia book dealers and collectors fans of both sports and those simply wishing to add a few books to their sports collection About the author Gary Clarke has been playing and watching snooker for over 25 years and has a great knowledge and deep affection for the game He is also an avid reader and book lover and this work combines two of his most passionate interests The author currently lives in his home town of Ipswich and this is his first work of non fiction **Rejoice! Rejoice!** Alwyn W. Turner, 2010-04-25 When Margaret Thatcher became prime minister in 1979 she promised to bring harmony where once there had been discord But Britain entered the 1980s bitterly divided over its future At stake were the souls of the great population boom of the 1960s Would they buy into the free market patriotic agenda of Thatcherism Or the anti racist anti sexist liberalism of the new left From the miners strike the Falklands War and the spectre of AIDS to Yes Minister championship snooker and Boy George Rejoice Rejoice steps back in time to relive the decade when the Iron Lady sought to remake Britain What it discovers is a thoroughly foreign country **From the Eye of the Hurricane** Alex Higgins, 2014-05-01 Considered by many to be a genius at his peak Alex Higgins's unorthodox play and exciting style earned him the nickname Hurricane and led to his immense popularity and fame In 1972 he became the youngest winner of the World Championship repeating his victory in emotional style in 1982 Higgins's story is so much more than just snooker Head butting tournament officials threatening to shoot team mates getting involved with gangsters abusing referees affairs with glamorous women frequent fines and lengthy bans all contributed to Higgins slipping down the rankings as he succumbed to drink and lost his fortune After suffering throat cancer Alex Higgins now reflects on his turbulent life and career in his first full autobiography The Hurricane is back prepare to be caught up in the carnage *What Fresh Lunacy is This?* Robert Sellers, 2013-06-13 Oliver Reed may not have been Britain's biggest film star for a period in the early 70s he came within a hairsbreadth of replacing Sean Connery as James Bond but he is an august member of that small band of people like George Best and Eric Morecambe who transcended their chosen medium became too big for it even and grew into cultural icons For the first time Reed's close family has agreed to collaborate on a project about the man himself The result is a fascinating new insight into a man seen by many as merely a brawling boozing hellraiser And yet he was so much more than this For behind that image which all too often he played up to in public was a vastly complex individual a man of deep passions and loyalty but also deep rooted vulnerability and insecurities Why was a proud patriotic intelligent successful and erudite man so obsessed about proving himself to others time and time again Although the Reed myth is of Homeric proportions he remains a national treasure and somewhat peculiar icon Praise for other books by Robert Sellers Hellraisers The Life and Inebriated

Times of Richard Burton Richard Harris Peter O Toole and Oliver Reed So wonderfully captures the wanton belligerence of both binging and stardom you almost feel the guys themselves are telling the tales GQ Vic Armstrong The True Adventures of the World's Greatest Stuntman This is the best and most original behind the scenes book I have read in years gripping and revealing Roger Lewis Daily Mail Don't Let the Bastards Grind You Down a rollicking good read Sellers has done well to capture a vivid snapshot of this exciting time Lynn Barber Sunday Times

Deep Pockets Brendan Cooper, 2023-04-06 A brilliant book brilliantly written You really do need to read it Adrian Chiles Mixing the sacred and the profane high culture and low culture the sublime and the ridiculous Deep Pockets is the book this game of unfathomable difficulty and infinite mystery well deserves Critic The game of snooker has a remarkable history From humble origins it blossomed spectacularly in the 1980s into the nation's most popular sport Top players became celebrities The papers were stuffed with snooker scandals It even conquered the pop charts In the twenty first century the game is still big news Along with millions of British fans a vast audience continues to grow across every corner of the world from Europe to the Middle East to China The global thirst for snooker has never been greater But strangely perhaps snooker's deeper meanings have rarely been explored It is a game that celebrates subtlety and mystery a slow undertaking in a fast paced world Elegant and profound snooker invites serious contemplation Deep Pockets is a study of this uncharted territory a love letter to snooker and an impassioned journey into its soul Because snooker in fact is more than a game It is a belief set a way of seeing an entire philosophical system In chapters that cover everything from time truth loss luck and more Deep Pockets explores how snooker can help us to trace the meaning of life itself

Manchester United David L. Andrews, 2004-08-02 Despite myriad popular and journalistic expositions up to this point there have been virtually no academic discussions of the Manchester United phenomenon This anthology represents the first concerted academic examination of Manchester United F C in its current guise as a widely followed and highly emblematic sporting institution Bringing together respected academics from an array of disciplinary backgrounds these essays each interrogate various related dimensions of the Manchester United world The primary aim of this collection is to illustrate how the structure and experience of Manchester United is implicated in broader societal shifts within which the boundary between cultural and commercial concerns have become increasingly indivisible The chapters are presented within five thematic sections 1 Becoming United 2 Economy United 3 Embodied United 4 Local United 5 Global United

The Hurricane The Turbulent Life Times Of Alex Higgins Introduction

In today's digital age, the availability of The Hurricane The Turbulent Life Times Of Alex Higgins books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Hurricane The Turbulent Life Times Of Alex Higgins books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Hurricane The Turbulent Life Times Of Alex Higgins books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Hurricane The Turbulent Life Times Of Alex Higgins versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Hurricane The Turbulent Life Times Of Alex Higgins books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Hurricane The Turbulent Life Times Of Alex Higgins books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Hurricane The Turbulent Life Times Of Alex Higgins books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Hurricane The Turbulent Life Times Of Alex Higgins books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Hurricane The Turbulent Life Times Of Alex Higgins books and manuals for download and embark on your journey of knowledge?
