## **The Ideologies Of Childrens Rights:**

**The Ideologies of Children's Rights** Michael Freeman, Philip E. Veerman, 2021-09-27 It is often said that you can judge a society by the way it treats its weaker members This book takes this theme and examines the ways in which different aspects of children s lives are treated in a number of societies To this end it uses the conduit of children s rights The importance of children s rights as an ideology and in practice is critically examined by a group of academics and practitioners with an international reputation and wide experience and insight The book offers an understanding of the moral foundations of children s rights and enables all those in whatever discipline to gain a deeper understanding of an issue which has assumed major importance with the passing of the UN Convention on the Rights of the Child *Children's Rights: Progress and Perspectives* Michael Freeman, 2011-10-28 More has been written about children childhood and children s rights in the last 20 years than in the rest of history There are more university courses focusing on children now than ever before The International Journal of Children s Rights has been a major player in all this Its impact is worldwide It has established itself as the leading journal in the field The journal is now in its 19th year and is flourishing This volume has been compiled not only to commemorate the journal s work but also the 20th anniversary of the Convention coming into operation and of the first World Summit on Children An anthology of the best articles published in these formative years this volume offers a representative sample of what the journal has achieved Some of the articles are ones which are frequently cited whilst others are less well known some deal with theory others with practice The case for children s rights is to be found throughout this collection as is the history of children s rights Some articles are devoted to the UN Convention others cover a wide selection of issues relating to different children s rights ranging from children and religion the relationship between women and children to children and health and how children perceive their rights *The New Handbook of Children's Rights* Bob Franklin, 2002 The expanded and completely revised new edition of this well established handbook provides essential information on a topic of increasing importance across a range of disciplines and practices *Handbook of Children's Rights* Martin D. Ruck, Michele Peterson-Badali, Michael Freeman, 2016-12-08 While the notion of young people as individuals worthy or capable of having rights is of relatively recent origin over the past several decades there has been a substantial increase in both social and political commitment to children s rights as well as a tendency to grant young people some of the rights that were typically accorded only to adults In addition there has been a noticeable shift in orientation from a focus on children s protection and provision to an emphasis on children s participation and self determination With contributions from a wide range of international scholars the Handbook of Children s Rights brings together research theory and practice from diverse perspectives on children s rights This volume constitutes a comprehensive treatment of critical perspectives concerning children s rights in their various forms Its contributions address some of the major scholarly tensions and policy debates comprising the current discourse on children s rights including the best interests of the child evolving capacities of the child

states rights versus children's rights rights of children versus parental or family rights children as citizens children's rights versus children's responsibilities and balancing protection and participation In addition to its multidisciplinary focus the handbook includes perspectives from social science domains in which children's rights scholarship has evolved largely independently due to distinct and seemingly competing assumptions and disciplinary approaches e.g childhood studies developmental psychology sociology of childhood anthropology and political science The handbook also brings together diverse methodological approaches to the study of children's rights including both quantitative and qualitative perspectives and policy analysis This comprehensive cosmopolitan and timely volume serves as an important reference for both scholarly and policy driven interest in the voices and perspectives of children and youth **Children's Rights** Ursula

Kilkelly, 2017-07-05 The articles in this volume shed light on some of the major tensions in the field of children's rights such as the ways in which children's best interests and respect for their autonomy can be reconciled challenges such as how the CRC can be made a reality in the lives of children in the face of ignorance apathy or outright opposition and critiques whether children's rights are a Western imposition or a successful global consensus Along the way the writing covers a myriad of issues encompassing the opposition to the CRC in the US gay parenting Dr Seuss's take on children's autonomy the voice of neonates on their health care the role of NGO in supporting child labourers in India and young people in detention and more The ^AOxford Handbook of Children's Rights Law Jonathan Todres, Shani M. King, 2020-02-19 This book is a

foundational interdisciplinary volume on children's rights that is relevant to scholars practitioners and students with an interest in children's rights human rights family law and related topics With contributions from leading experts in the field of children's rights this book provides both in depth analysis of children's rights as a discipline and maps the critical issues for advancing children's rights today and in the future The Future of Children's Rights Michael Freeman, 2015-01-08 This

volume is in part intended to celebrate the 25th anniversary of the United Nations Convention on the Rights of the Child We are now a generation on from its formulation and as this varied collection of articles by leading thinkers in the field reflects children's rights have come a long way Yet the aim of this volume is not to look back but to take stock and look forward It explores subjects as diverse as socio economic rights corporal punishment language and scientific progress as they relate to children and their rights and offers new insights and new ideas Edited by one of the most respected and leading scholars in the field The Future of Children's Rights constitutes a stimulating and useful resource for academics and practitioners alike

*Children's Rights and the Developing Law* Jane Fortin, 2009-08-13 This book examines how developing law and policies in England and Wales simultaneously promote and undermine children's rights *Children's Rights* Wouter

Vandenhoe, Gamze Erdem Türkelli, Sara Lembrechts, 2019 This Commentary is a fully up to date solid legal work on children's rights It offers a contemporary legal perspective on the inherently interdisciplinary field of children's rights It responds to the scarcity of legal commentaries in a landscape where several handbooks covering different disciplines have been

published in recent years It is succinct and seeks to capture the essence yet offers a sophisticated analysis of children s rights law and branches out into other disciplines where relevant in light of the recent legal and social developments

**Children's Rights Law in the Global Human Rights Landscape** Eva Brems, Ellen Desmet, Wouter

Vandenhoe, 2017-04-21 Children s rights law is often studied and perceived in isolation from the broader field of human rights law This volume explores the inter relationship between children s rights law and more general human rights law in order to see whether elements from each could successfully inform the other Children s rights law has a number of distinctive characteristics such as the emphasis on the best interests of the child the use of general principles and the inclusion of third parties e g parents and other care takers in treaty provisions The first part of this book questions whether these features could be a source of inspiration for general human rights law In part two the reverse question is asked could children s rights law draw inspiration from developments in other branches of human rights law that focus on other specific categories of rights holders such as women persons with disabilities indigenous peoples or older persons Finally the interaction between children s rights law and human rights law and the potential for their isolation inspiration or integration may be coloured or determined by the thematic issue under consideration Therefore the third part of the book studies the interplay between children s rights law and human rights law in the context of specific topics intra family relations LGBTQI marginalization migration media the environment and transnational human rights obligations

**The Human Rights of Children** Dr Antonella Invernizzi, Dr Jane Williams, 2013-02-28 This volume provides a series of critical analyses of some of the contemporary debates in relation to the human rights of children resituating them within visions which informed the text of the United Nations Convention on the Rights of the Child in 1989 The studies embrace examination of some of today s widespread interpretations of the CRC analysis of what is implied by a human rights based approach in research and advocacy and consideration of advances and barriers to research and to several aspects of CRC implementation With contributions by leading experts in the field the book examines the CRC as an international instrument its inherent dilemmas and some of the debates generated by the challenges of implementation It embraces examinations of different levels of governance from the international to the state party regional and local levels including institutional developments and changes in law policy and practice The book will be a valuable resource for students researchers and policy makers working in the area of children s rights and welfare

*Children's Rights and Obligations in Canon Law* Mary McAleese, 2019-11-04 In the first study of its kind Mary McAleese subjects to comprehensive scrutiny the Roman Catholic Church s 1983 Code of Canon law as it applies to children The Catholic Church is the world s largest non governmental organisation involved in the provision of education and care services to children It has over three hundred million child members world wide the vast majority of whom became Church members when they were baptised as infants Canon law sets out their rights and obligations as members Children also have rights which are set out in the 1989 United Nations Convention on the Rights of

the Child to which the Holy See is State Party The impact of the Convention on Canon Law is examined in detail and the analysis charts a distinct and worrying sea change in the attitude of the Holy See to its obligations under the Convention since the clerical sex abuse scandals became a subject of discussion at the Committee on the Rights of the Child which monitors implementation of the Convention Mary McAleese wins Europe's richest theology prize for her study of canon law The former President of Ireland Mary McAleese has won one of the Catholic world's most prestigious prizes the Alfons Auer Ethics Award from Tübingen University in Germany for her doctoral thesis on Children's Rights and Obligations in Canon Law

*Children's Rights from Below* M. Liebel, 2012-01-25 This book presents an integral cross cultural reflection on the social reality of children's rights and citizenship giving an insight into new perspectives on the history and different concepts of children's rights in a contextualized and localized manner

**Fortin's Children's Rights and the Developing Law** Jane Fortin, Rachel E. Taylor, 2024-02-29 This text considers the developing law in England and Wales as it applies to the burgeoning and confusing subject of the rights of children It examines the extent to which the emerging legal principles can be harnessed to fulfil those rights

**Children's Rights in Africa** Julia Sloth-Nielsen, 2016-05-23 This collection is anchored in an African conception of children's rights and the law and reflects contemporary discourses taking place in the region of the children's rights sphere The majority of contributors are African and adopt an individual approach to their topic which reflects their first hand experience The book focuses on child rights issues which have particular resonance on the continent and the chapters span themes which are both broad and narrow containing subject matter which is both theoretical and illuminated by practice The book profiles recent developments and experiences in furthering children's legal rights in the African context and distils from these future trends the specific role that the law can play in the African children's rights environment

Children, Family and the State Thomas, Nigel, 2002-10-11 Children family and the state examines different theories of childhood children's rights and the relationship between children parents and the state

*Children's Socio-Economic Rights, Democracy And The Courts* Aoife Nolan, 2011-09-15 This book is concerned with children's economic and social rights sometimes referred to simply as children's social rights Despite increased academic interest in both children's rights and socio economic rights over the last two decades children's social and economic rights remain a comparatively neglected area This is particularly true with regard to the role of the courts in the enforcement of such social rights Aoife Nolan's book remedies this omission focussing on the circumstances in which the courts can and should give effect to the social and economic rights of children The arguments put forward are located within the context of and develop long standing debates in constitutional law democratic theory and human rights The claims made by the author are supported and illustrated by concrete examples of judicial enforcement of children's social and economic rights from a variety of jurisdictions The work is thus rooted in both theory and practice The author brings together and addresses a wide range of issues that have never previously been considered together in book form These include children's socio economic

rights children as citizens and their position in relation to democratic decision making processes the implications of children and their rights for democratic and constitutional theory the role of the courts in ensuring the enforcement of children s rights and the debates surrounding the litigation and adjudication of social and economic rights This book thus represents a major original contribution to the existing scholarship in a range of areas including human and specifically social rights legal and political theory and constitutional law Children s rights were often thought to be synonymous with economic and social welfare prior to the adoption of the Convention on the Rights of the Child in 1989 Ironically since that time remarkably little scholarship has been devoted to the vitally important economic and social rights dimensions of children s rights Nolan s book singlehandedly remedies that neglect and does so in a sophisticated nuanced and balanced way It provides a superb account of the pros and cons of judicial activism in promoting these rights Philip Alston John Norton Pomeroy Professor NYU Law School Thus far the burgeoning literature on the judicial enforcement of socio economic rights has failed to engage in a sustained systemic manner with this topic from the perspective of children and the complexity of their status as citizens within contemporary democracies This book fills this gap and makes a major contribution to the literature in the three interrelated areas of the judicial review of socio economic rights claims children s rights and democratic theory Nolan navigates skilfully through the dense but rich literature in these areas as well as relevant international and comparative law In so doing she illuminates both the pitfalls and potential of resorting to courts in a partial response to the multifaceted and deeply entrenched global phenomenon of child poverty Professor Sandra Liebenberg HF Oppenheimer Professor of Human Rights Law University of Stellenbosch Law Faculty Winner of the Kevin Boyle Book Prize 2012 awarded by the Irish Association of Law Teachers to a book that is deemed to have made an outstanding contribution to the understanding of law

**The Evolution of Humanitarian Protection in European Law and Practice** Liv Feijen, 2021-04-01 The last couple of years have witnessed an unprecedented battle within Europe between values and pragmatism and between states interests and individuals rights This book examines humanitarian considerations and immigration control from two perspectives one broader and more philosophical the other more practical The impetus to show compassion for certain categories of persons with vulnerabilities can depend on religious philosophical and political thought Manifestation of this compassion can vary from the notion of a charitable act to aid the wretched in their home country to humanitarian assistance for the distant needy in foreign lands and finally to immigration policies deciding who to admit or expel from the country The domestic practice of humanitarian protection has increasingly drawn in transnational law through the expansion of the EU acquis on asylum and the interpretation of the European Court of Human Rights

**Law in Society: Reflections on Children, Family, Culture and Philosophy** Alison Diduck, Noam Peleg, Helen Reece, 2015-08-24 This collection written by legal scholars from around the world offers insights into a variety of topics from children s rights to criminal law jurisprudence medical ethics and more Its breadth reflects the fact that these are all elements of what can broadly be called law and society that enterprise that is

interested in law's place or influence in different aspects of real lives and understands law to be simultaneously symbol philosophy and action. It is also testament to the broad range of vision of Professor Michael Freeman in whose honour the volume was conceived. The contributions are divided into categories which reflect his distinguished career and publications over 85 books and countless articles including pioneering work on children's rights, domestic violence, religious law, jurisprudence, law and culture, family law and medicine, ethics and the law, as well as his enduring commitment to interdisciplinarity. The volume begins with work on law in its philosophical, cultural or symbolic realm (Part I: Law and Stories, Culture, Religion and Philosophy) including its commitment to the normative ideal of rights (Part II: Law and Rights) and then offers work on law as coercive state action (Part III: Law and the Coercive State) and as regulator of personal relationships (Part IV: Law and Personal Living). It continues with reflections on the importance of globalisation both of law and of doing family in personal and public life (Part V: Law and International Living) before closing with two reflections on Michael Freeman's body of work generally, including one from Michael himself (Part VI: Law and Michael Freeman).

The Right of the Child to Religious Freedom in International Law Sylvie Langlaude, 2007-11-30. The child's right to religious freedom in international law has never been considered in a comprehensive fashion yet key issues include the prevention of indoctrination, religious clothing, the relationship of the child with parents and religious communities and the duties of the state to the child. Building on a sociological analysis of religious children, a body of international legal materials is analysed against a theoretical model of what the child's right ought to be. This book is the first attempt at analysing what international law says on the question; the result is a compelling analysis of the definitive position of international law on the child's right to religious freedom.

Thank you for downloading **The Ideologies Of Childrens Rights**. As you may know, people have search hundreds times for their favorite readings like this The Ideologies Of Childrens Rights, but end up in harmful downloads. ## **The Ideologies Of Childrens Rights Introduction**

In todays digital age, the availability of The Ideologies Of Childrens Rights books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Ideologies Of Childrens Rights books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Ideologies Of Childrens Rights books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Ideologies Of Childrens Rights versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Ideologies Of Childrens Rights books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Ideologies Of Childrens Rights books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Ideologies Of Childrens Rights books and manuals is Open Library.

Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Ideologies Of Childrens Rights books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Ideologies Of Childrens Rights books and manuals for download and embark on your journey of knowledge?

### **FAQs About The Ideologies Of Childrens Rights Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Ideologies Of Childrens Rights is one of the best book in our library for free trial. We provide copy of The Ideologies Of Childrens Rights in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Ideologies Of Childrens Rights. Where to download The Ideologies Of Childrens Rights online for free? Are you looking for The Ideologies Of Childrens

Rights PDF? This is definitely going to save you time and cash in something you should think about.
