Rose,1910 **Illustrated History of Nebraska** Julius Sterling Morton,1907 **The Illustrated London News** ,1871 **The American Heritage Cookbook and Illustrated History of American Eating & Drinking** Helen McCully,Eleanor Noderer,1964 Includes material on the Bartrams Mark Twain Catharine Beecher Thomas Jefferson Sylvester Graham the Hartfords Delmonico s Fannie Farmer and Diamond Jim Brady Country Life Illustrated ,1901 American Phrenological Journal and Life Illustrated ,1877 Gin and the English Paul Jennings,2024-08-21 This book charts the history of gin from its arrival in England in the sixteenth century to the present day In doing so it uses a range of perspectives economic social cultural and political to give a rounded picture of how the spirit developed in the way it did over some 400 years It looks at how gin s popularity has ebbed and flowed over the centuries among different groups in society It is therefore concerned with the drinkers of gin and why they chose it and at the meanings which they attached to its consumption Gin was particularly popular with women and the spirit is often associated

with them in phrases like Mother's Ruin This also alerts us to the fact that gin has often had a bad press never more so than in the infamous Gin Craze of the first half of the eighteenth century so vividly depicted in Hogarth's Gin Lane The book attempts to tell something of the real history of gin beneath the frequent condemnation It ends with the resurgence of gin's popularity with the emergence of so called designer gins in the twenty first century **Focus On: 100 Most Popular**
