Finbarr Barry Flood, Beate Fricke, 2023-11-21 How can we understand the past in the absence of written records Pre modern histories of cross cultural exchange pose a particular problem for medieval historians They are marked by the long distance mobility of concepts individuals and materials and many of them cannot be reconstructed from the standard source texts on which historians usually depend They exist without named makers both outside and beyond official documents and court chronicles The same is true of artisans responsible for crafting objects whose circulation and reception defined aesthetic economic and technological networks that may not have conformed to political or sectarian boundaries Authored by two leading medieval historians of the Middle East Africa and Europe Object Lessons addresses the gaps in medieval sources and modern scholarship arguing for the archival value of objects images and monuments Flood and Fricke examine six case studies that focus on the twelfth and thirteenth centuries From the stone carvings at the churches of Lalibela Ethiopia which have no textual documentation to medicinal bowls from Iraq for which some data can be gathered from unassociated but contemporary sources these studies show how imagery and objects traveled across continents The authors connect the histories of medieval Europe Africa and west Asia and raise significant questions about out of place objects and how in the absence of substantial archival material we might write their histories While there have been many publications on the histories of global circulation most of them focus on the early modern period in Europe By moving away from histories with abundant written archival material Object Lessons ventures far beyond the narratives of Europe and into complex cross cultural and intercontinental histories of objects and images Seventy Weeks Prophecy: How the Bible Foretold the Year Jesus(As) and Muhammad(Saw) Will Come on Earth Pedro C. Arceno Jr, 2020-09-10 Volume One of this book will discuss about the true gospel of Jesus as which is about the imminent coming of the Son of Man and the establishment of the universal Kingdom of God on earth We will emphasize the fact that the entire ministry of Jesus as is all about the good news of the imminent fulfillment of the Son of Man Prophecy and the Kingdom of God Prophecy of Prophet Daniel as as written in the Bible Based on the correct context and interpretation the Son of Man mentioned by Jesus as refers to Prophet Muhammad saw and the Kingdom of God refers to Islam Volume Two will discuss about the fulfillment of the 70 Weeks Prophecy of Prophet Daniel as That this prophecy is actually a countdown to know the year Jesus as and Muhammad saw will come on earth Jesus as is expected to arrive in the 69th Week of the countdown and Prophet Muhammad saw will arrive in the 70th Week of the countdown Its exact fulfillment in history such as the year of their birth the starting year of their ministry and the year their respective messianic mission will be accomplished is a miracle or sign from Allah swt Qur an 20 133 and a clear evidence Qur an 61 6 attesting the veracity of the prophethood of both Jesus as and Muhammad saw This will explain to us why there are Jews who knew what time or year Jesus as will arrive on earth and why there were Jews in Yathrib Arabia who knew what time or year Muhammad saw will emerge as Messenger of God Forthcoming Books Rose
