A Japanese Blossom Onoto Watanna,2022-06-13 The children sat in a little semi circle about their grandmother listening intently as she read to them the last letter from their father in America Ever since they could remember his business as a tea merchant had taken him away from Japan on long visits to the foreign countries His latest absence had continued for three years now and little Juji born a short time after his departure had never seen him As the grandmother finished the letter the children instinctively looked first of all at Juji sitting there in placid indifference stolidly sucking his thumb Juji had ceased to be the baby of the Kurukawa family Afar off in America a new strange baby had been born and had taken the place of Juji just
