The Incredible Kung Fu Master

William Moy, Paul Volponi

The Incredible Kung Fu Master:

Live Life Like a Kung Fu Master William Moy, Paul Volponi, 2025-05-27 Live Life Like a Kung Fu Master is William Moy's personal invitation to become your teacher or sifu as he presents over twenty attributes/techniques that will contribute to living a life made better by possessing Kung Fu Attributes such as balance, structure, distance, awareness, relaxation, and traveling the shortest route between two points are presented both in terms of self-defense and in making an impact on your daily life at home, school, work, business, and social encounters. The text also features positional sketches drawn by William as well as links to a number of videos in which William demonstrates physical techniques for students to model. William is joined on this literary Kung Fu journey by this long-time student and disciple, multi-award-winning author Paul Volponi. In turn, the co-authors are joined by several renowned martial artists including Sammo Hung, Karen Sheperd, Grandmaster Tak Wah Eng, Grandmaster Doc Fei Wong, and Sifu Leo Imamura. A score of contributors such as basketball Hall of Famer Dave Cowens, two-time Olympic Gold medalist Kayla Harrison, glass ceiling breaking baseball pitcher Ila Borders, famed tightrope walker Denis Josselin, and World Scrabble Champion Joel Wapnick discuss how the attributes of Kung Fu relate to their many successes. The term Kung Fu actually translates as time and effort equals a skill. That's why you see establishments with names such as Kung Fu Bread and Kung Fu Tea. These proprietors are not trumpeting their ability to fight. Rather, they're saying we put in the time to study and learn our craft, and the result is that we are masters in our own arena, baking bread or brewing tea. In Asian culture, people who are said to have good Kung Fu have a handle on their lives. They are honest, direct, kindly, and self-assured. These are values more highly prized than the ability to fight. What's the parallel between these prized qualities and the ability to physically defend yourself like a martial arts Kung Fu master? Kung Fu, especially Wing Chun Kung Fu, is based on a center line theory of taking the shortest path, a straight line between two points, in defending yourself. It is also based on calmness and relaxation, enabling the practitioner to feel and quickly interpret incoming forces, therefore bringing about a swifter and more focused reaction. Cultivating such abilities will allow you to transfer their martial benefits onto daily situations in your personal, social, and business interactions. William Moy's view of the teacher-student relationship is a simple one. Your sifu's role is to help you find your own Kung Fu. Hence, there are no cookie-cutter students. Each journey will be inherently different, depending upon the individual student's physical attributes, personality, and goals. In this very patient art, there are no failures, just students continuing on a path to their desired destination.

The Encyclopedia of Martial Arts Movies Bill Palmer, Karen Palmer, Ric Meyers, 1995-01-01 The Encyclopedia covers the genre from 1920 to 1994. The genre, however, can be very confusing; films often have several titles, and many of the stars have more than one pseudonym. In an effort to clarify some of the confusion, the authors have included all the information available to them on almost 3,300 films. Each entry includes a listing of the production company, the cast and crew, distributors, running times, reviews with star ratings whenever possible, and alternate film titles. A list of film series and one of the stars' pseudonyms, in addition to a 7,900

name index are also included Illustrated 1 yan xi,2025-01-14 When I opened the first aid kit a chill rose from it and this box actually had its ownfreezing function
