continued to rise in supernal spiritual attainments of goodness and G dliness From his lofty perspective Rabbi Nachman looks into the deepest abyss and gives firm directions to self redemption Back in his times the world still had a great deal of denial of human weakness and open honest admittance to one s failings were almost not existent just on a very private and somewhat theoretical paradigm Rabbi Nachman s simple true approach of dedication to addressing one s character and standing in regular sessions of hisbodidus seclusion with G d was a sharp and brutal attack on the sophisticated yet superficial systems which ruled society Those who strongly needed to find the truth would find Rabbi Nachman Slowly his chasidus sect of Breslov grew with individuals who had the strength to stand up for their values even in the face of condemnation by society at large Ultimately the holy ways of Rabbi Nachman began to inoculate even the views of the world at large and today we are witness to how the world at large has embraced many of the approaches which had previously been somewhat exclusive to Breslov Hopefully this little booklet will help that initiative along there s still quite a way to go B H In this little booklet I present many succinct teachings which are basics of Breslov short sweet and to the point Great care was given to accurately translate the teachings and their exact sources are provided In addition there is a short synopsis of who Rabbi Nachman was and what he was about The booklet also explains the progression of Breslov into the present day specifically with the revelation of the New Song in a letter signed by Na Nach Nachma Nachman MeUman This booklet also has a transliteration of the Teekoon Haklalli the comprehensive General rectification which are the ten Psalms that Rabbi Nachman prescribed and a short prayer which has become conventional In short this booklet is like a first aid kit providing some basic directives to help a person gain his her footing and gather his wit so that he can get his life in order and set in the right direction Everyone should be extremely familiar with all the teachings presented and one should pray profusely and copiously over every teaching to merit to realize and achieve them
