## **The Informant A True Story:**

**The Informant** Kurt Eichenwald, 2001-07-03 From an award winning New York Times investigative reporter comes a gripping account of one of the most captivating and bizarre tales in the history of the FBI and corporate America It was one of the FBI's biggest secrets Mark Whitacre a senior executive at Archer Daniels Midland America's most politically powerful corporation became a confidential government witness Putting his career and family at risk Whitacre along with a small team of agents tapped into secrets at ADM that led the FBI to discover the company's scheme to steal millions of dollars from its own customers But as the FBI and federal prosecutors closed in on ADM they suddenly found that everything was not all that it appeared While Whitacre was cooperating with the Feds and playing the role of loyal company man he also had his own agenda Whitacre became sucked into his own world of James Bond antics imperiling the criminal case and creating a web of deceit that left the FBI and prosecutors uncertain where the lies stopped and the truth began Meticulously researched and richly told The Informant re-creates the drama of the story beginning with the secret recordings stakeouts and interviews with suspects and witnesses to the power struggles within ADM and its board including the high profile chairman Dwayne Andreas F Ross Johnson and Brian Mulroney to the big gun Washington lawyers hired by ADM and on up through the ranks of the Justice Department to FBI Director Louis Freeh and Attorney General Janet Reno A page turning real life thriller that features deadpan FBI agents crooked executives idealistic lawyers and shady witnesses with an addiction to intrigue The Informant tells an important and compelling story of power and betrayal in America

*Fishers of Men - The Gripping True Story of a British Undercover Agent in Northern Ireland* Rob Lewis, 2017-09-07 Fishers of Men is the true account of secret operations in Northern Ireland carried out by the British Army's most clandestine unit It tells the unique story through Rob Lewis's own extraordinary experiences of an essential instrument in the fight against terrorism that of covert intelligence gathering The men and women who work in this field are a special breed who undertake hazardous risks with unflinching tenacity and professionalism the price of negligence is high and the need for secrecy must be preserved even at the expense of personal relationships The sheer determination and single mindedness required to achieve selection to this secret world is graphically described as well as how against seemingly impossible odds the operators of the FRU managed to persuade terrorists and their close associates to turn informer The methods the unit used to target recruit and handle their contacts how they protected their informants and the terrifying life their agents led are all told by an agent handler using many of his cases to illustrate the sharpness intelligence and sense of humour essential to the job Fishers of Men fills a gap in the available information about the secret war against terrorism in Northern Ireland It is a gap that has so far remained largely unexplored until Rob Lewis's informative and explosive book

Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a

single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars

**Cartel Criminality** Christopher Harding, Jennifer Edwards, 2016-04-08 Anti competitive business cartels engaging in practices such as price fixing market sharing bid rigging and restrictions on output are now subject to strong official censure and rigorous legal control in a large number of jurisdictions across the world The longstanding condemnation under the US Sherman Act of 1890 has been taken up although in a rather different form during the last thirty years in the EC EU and in European national jurisdictions in particular but also in a range of countries outside North America and Europe Legal control has not only extended geographically but has intensified as a number of jurisdictions have moved beyond administrative regulation and penalties to embrace enforcement through civil liability and most significantly in terms of policy and rhetoric the methods of criminal law It is therefore timely to consider critically this development of legal control and assess its achievement to date and its future prospects But such an exercise requires an understanding of the reasons and need for such regulation based on a clear appreciation of the nature and extent of the economic and social malaise which is its subject What more exactly are such business cartels why do they come into existence and persist why are they regarded as being so bad and what are the objectives within this increasingly complex and multi level phenomenon of legal control By seeking to answer such fundamental questions this book sets a research agenda for a pathology aetiology and criminology of business cartels and probes more accurately their nature operation endurance and perceived delinquency

*Memory and Presence of Female Saints in Ksar El Kebir (Morocco)* Rachid El Hour, Manuela Marín, 2022-05-16 This book discusses hagiographical sources from Morocco taking in consideration the often overlooked oral tradition Orality as is shown in this study completes and enriches the vision of hagiography that written sources traditionally has offered The most relevant example in this book is the high presence of female saints in oral narratives that were not included in any other written sources Recovering oral tradition to study hagiography as well as the role of female saints in Morocco has been one of the main areas of focus in this study as well as problematizing the dependence and dialogue between written and oral culture and can help to understand the diffusion and presence of similar phenomena in other areas of Morocco
