The Inside Story Of The Warren G Harding Tragedy:

The Inside Story of the Warren G. Harding Tragedy Harry M. Daugherty, 2013-10 This is a new release of the original 1932 edition **Warren G. Harding** John W. Dean, 2004-01-07 President Nixon's former counsel illuminates another presidency marked by scandal Warren G Harding may be best known as America's worst president Scandals plagued him the Teapot Dome affair corruption in the Veterans Bureau and the Justice Department and the posthumous revelation of an extramarital affair Raised in Marion Ohio Harding took hold of the small town's newspaper and turned it into a success Showing a talent for local politics he rose quickly to the U S Senate His presidential campaign slogan America's present need is not heroics but healing not nostrums but normalcy gave voice to a public exhausted by the intense politics following World War I Once elected he pushed for legislation limiting the number of immigrants set high tariffs to relieve the farm crisis after the war persuaded Congress to adopt unified federal budget creation and reduced income taxes and the national debt before dying unexpectedly in 1923 In this wise and compelling biography John W Dean no stranger to controversy himself recovers the truths and explodes the myths surrounding our twenty ninth president's tarnished legacy **The Strange Deaths of President Harding** Robert H. Ferrell, 1998-09-16 Rumors circulated of the president's death by poison either by his own hand or by that of his wife allegations of an illegitimate daughter were made and questions were raised concerning the extent of Harding's knowledge of the Teapot Dome scandal and of irregularities in the Veterans Bureau as well as his tolerance of a corrupt attorney general who was an Ohio political fixer Journalists and historians of the time added to his tarnished reputation by using sources that were easily available but inaccurate In *The Strange Deaths of President Harding* Ferrell lays out the facts behind these allegations for the reader to ponder *Warren G. Harding* Elaine Landau, 2004-09-01 Examines the life of Warren G Harding from his birth in Ohio to his time as twenty ninth president of the United States and death in office Who Killed Warren G. Harding? Timothy Wright, 2011-06-08 Accidental Presidents Jared Cohen, 2020-01-28 This New York Times bestselling deep dive into the terms of eight former presidents is chock full of political hijinks and d j vu Vanity Fair and provides a fascinating look at the men who came to the office without being elected to it showing how each affected the nation and world The strength and prestige of the American presidency has waxed and waned since George Washington Eight men have succeeded to the presidency when the incumbent died in office In one way or another they vastly changed our history Only Theodore Roosevelt would have been elected in his own right Only TR Truman Coolidge and LBJ were re-elected John Tyler succeeded William Henry Harrison who died 30 days into his term He was kicked out of his party and became the first president threatened with impeachment Millard Fillmore succeeded esteemed General Zachary Taylor He immediately sacked the entire cabinet and delayed an inevitable Civil War by standing with Henry Clay's compromise of 1850 Andrew Johnson who succeeded our greatest president sided with remnants of the Confederacy in Reconstruction Chester Arthur the embodiment of the spoils system was so reviled as James Garfield's

successor that he had to defend himself against plotting Garfield's assassination but he reformed the civil service Theodore Roosevelt broke up the trusts Calvin Coolidge silently cooled down the Harding scandals and preserved the White House for the Republican Herbert Hoover and the Great Depression Harry Truman surprised everybody when he succeeded the great FDR and proved an able and accomplished president Lyndon B Johnson was named to deliver Texas electorally He led the nation forward on Civil Rights but failed on Vietnam Accidental Presidents shows that history unfolds in death as well as in life The Wall Street Journal and adds immeasurably to our understanding of the power and limits of the American presidency in critical times **A Companion to Warren G. Harding, Calvin Coolidge, and Herbert Hoover** Katherine A.S.

Sibley, 2014-07-22 With the analysis of the best scholars on this era 29 essays demonstrate how academics then and now have addressed the political economic diplomatic cultural ethnic and social history of the presidents of the Republican Era of 1921 1933 Harding Coolidge and Hoover This is the first historiographical treatment of a long neglected period ranging from early treatments to the most recent scholarship Features review essays on the era including the legacy of progressivism in an age of normalcy the history of American foreign relations after World War I and race relations in the 1920s as well as coverage of the three presidential elections and a thorough treatment of the causes and consequences of the Great Depression An introduction by the editor provides an overview of the issues background and historical problems of the time and the personalities at play **History's Greatest Libels** Steve Byas, 2020-10-02 George Orwell said The most effective way to destroy people is to deny and obliterate their own understanding of their history Liberals understand that they win victories today by distorting the record of our past For all their devotion to the merits of tradition conservatives think a great victory such as the confirmation of Clarence Thomas is the end of the battle Liberals never concede the historical record and neither should those who believe in limited government free enterprise and individual liberty In History's Greatest Libels Steve Byas takes the battle to the Left challenging head on their politicized distortions of the past *The Inside Story of the Harding Tragedy* Harry Micajah Daugherty, Thomas Dixon (Jr.), 1971 [The Herrin Massacre of 1922](#) Greg

Bailey, 2020-10-22 In 1922 a coal miner strike spread across the United States swallowing the heavily unionized mining town of Herrin Illinois When the owner of the town's local mine hired non union workers to break the strike violent conflict broke out between the strikebreakers and unionized miners who were all heavily armed When strikebreakers surrendered and were promised safe passage home the unionized miners began executing them before large cheering crowds This book tells the cruel truth behind the story that the coal industry tried to suppress and that Herrin wants to forget A thorough account of the massacre and its aftermath this book sets a heartland tragedy against the rise and decline of the coal industry

Guide to the Collections National Library of Australia, 1910 Political Hell-Raiser Marc C. Johnson, 2019-03-21 Burton K Wheeler 1882-1975 may have been the most powerful politician Montana ever produced and he was one of the most influential and controversial members of the United States Senate during three of the most eventful decades in American history A New Deal Democrat and lifelong opponent of concentrated power whether economic military or executive he consistently acted with a righteous personal and political independence that has all but disappeared from the public sphere Political Hell Raiser is the first book to tell the full story of Wheeler a genuine maverick whose successes and failures were woven into the political fabric of twentieth century America Wheeler came of political age amid antiwar and labor unrest in Butte Montana during World War I As a crusading United States attorney he battled Montana's powerful economic interests championed farmers and miners and won election to the U S Senate in 1922 There he made his name as one of the Montana scandalmongers uncovering corruption in the Harding and Coolidge administrations Drawing on extensive research and new archival sources Marc C Johnson follows Wheeler from his early backing of Franklin D Roosevelt and ardent support of the New Deal to his forceful opposition to Roosevelt's plan to expand the Supreme Court and in a move widely viewed as political suicide his emergence as the most

prominent spokesman against U S involvement in World War II right up to three days before Pearl Harbor Johnson provides the most thorough telling of Wheeler s entire career including all its accomplishments and contradictions as well as the political storms that the senator both encouraged and endured The book convincingly establishes the place and importance of this principled hell raiser in American political history **Dead Last** Phillip G. Payne,2009 2009 CHOICE Outstanding Academic Title If George Washington and Abraham Lincoln are the saints in America s civil religion then the twenty ninth president Warren G Harding is our sinner Prior to the Nixon administration the Harding scandals were the most infamous of the twentieth century Harding is consistently judged a failure ranking dead last among his peers By examining the public memory of Harding Phillip G Payne offers the first significant reinterpretation of his presidency in a generation Rather than repeating the old stories Payne examines the contexts and continued meaning of the Harding scandals for various constituencies Payne explores such topics as Harding s importance as a midwestern small town booster his rumored black ancestry the role of various biographers in shaping his early image the tension between public memory and academic history and finally his status as an icon of presidential failure in contemporary political debates Harding was a popular president and was widely mourned when he died in office in 1923 but with his death began the construction of his public memory and his fall from political grace In *Dead Last* Payne explores how Harding s name became synonymous with corruption cronyism and incompetence and how it is used to this day as an example of what a president should not be Not So! Paul F. Boller,1996 This study explores a number of myths and misconceptions about the American past The book covers events throughout American history from whether Columbus knew the world was round when he went off to discover America to contemporary media attacks of the presidency **The Presidents and the Constitution** Ken Gormley,2016-05-10 Shines new light on America s brilliant constitutional and presidential history from George Washington to Barack Obama In this sweepingly ambitious volume the nation s foremost experts on the American presidency and the U S Constitution join together to tell the intertwined stories of how each American president has confronted and shaped the Constitution Each occupant of the office the first president to the forty fourth has contributed to the story of the Constitution through the decisions he made and the actions he took as the nation s chief executive By examining presidential history through the lens of constitutional conflicts and challenges *The Presidents and the Constitution* offers a fresh perspective on how the Constitution has evolved in the hands of individual presidents It delves into key moments in American history from Washington s early battles with Congress to the advent of the national security presidency under George W Bush and Barack Obama to reveal the dramatic historical forces that drove these presidents to action Historians and legal experts including Richard Ellis Gary Hart Stanley Kutler and Kenneth Starr bring the Constitution to life and show how the awesome powers of the American presidency have been shaped by the men who were granted them The book brings to the fore the overarching constitutional themes that span this country s history and ties together presidencies in a way never before accomplished *The Teapot Dome Scandal* Laton

McCartney,2008-03-25 Mix hundreds of millions of dollars in petroleum reserves rapacious oil barons and crooked politicians under the table payoffs murder suicide and blackmail White House cronyism and the excesses of the Jazz Age The result the granddaddy of all American political scandals Teapot Dome In The Teapot Dome Scandal acclaimed author Laton McCartney tells the amazing complex and at times ribald story of how Big Oil handpicked Warren G Harding an obscure Ohio senator to serve as our twenty third president Harding and his so called oil cabinet made it possible for the oilmen to secure vast oil reserves that had been set aside for use by the U S Navy In exchange the oilmen paid off senior government officials bribed newspaper publishers and covered the GOP campaign debt When news of the scandal finally emerged the consequences were disastrous for the nation and for the principles in the plot to bilk the taxpayers Harding s administration was hamstrung Americans confidence in their government plummeted Secretary of the Interior Albert Fall was indicted convicted and incarcerated and others implicated in the affair suffered similarly dire fates Stonewalling by members of Harding s circle kept a lid on the story witnesses developed faulty memories or fled the country and important documents went missing but contemporary records newly made available to McCartney reveal a shocking revelatory picture of just how far reaching the affair was how high the stakes and how powerful the conspirators In giving us a gimlet eyed but endlessly entertaining portrait of the men and women who made a tempest of Teapot Dome Laton McCartney again displays his gift for faithfully rendering history with the narrative touch of an accomplished novelist *The Jazz Age President* Ryan S.

Walters,2022-02-15 Presidents are ranked wrong In The Jazz Age President Defending Warren G Harding Ryan Walters mounts a case that Harding deserves to move up and supplies the evidence to make that case strong Amity Shlaes bestselling author of Coolidge He s the butt of political jokes frequently subjected to ridicule and almost never absent a Worst Presidents list where he most often ends up at the bottom Historians have labeled him the Worst President Ever Dead Last Unfit and Incompetent to name but a few Many contemporaries were equally cruel H L Mencken called him a nitwit To Alice Roosevelt Longworth he was a slob Such is the current reputation of our 29th President Warren Gamaliel Harding In an interesting survey in 1982 which divided the scholarly respondents into conservative and liberal categories both groups picked Harding as the worst President But historian Ryan Walters shows that Harding a humble man from Marion Ohio has been unfairly remembered He quickly fixed an economy in depression and started the boom of the Roaring Twenties healed a nation in the throes of social disruption and reversed America s interventionist foreign policy [Encyclopedia of the Jazz Age: From the End of World War I to the Great Crash](#) James Ciment,2015-04-08 This illustrated encyclopedia offers in depth coverage of one of the most fascinating and widely studied periods in American history Extending from the end of World War I in 1918 to the great Wall Street crash in 1929 the Jazz age was a time of frenetic energy and unprecedented historical developments ranging from the League of Nations woman suffrage Prohibition the Red Scare the Ku Klux Klan the Lindberg flight and the Scopes trial to the rise of organized crime motion pictures and celebrity culture Encyclopedia of the Jazz Age provides
