school that is right for them FYI sections with candid student opinions and outrageous advice *The Insider's Guide to the Colleges, 2009* Yale Daily News,2008-06-24 The comprehensive college guide is written by students who know firsthand what makes or breaks the undergraduate experience This work goes past admissions requirements to get to the stuff that matters most to students dorm life sports dating and of course food The Insider's Guide to the Colleges, 2004 Yale Daily News,Yale Daily News Staff,2003-07-18 Only The Insider s Guide is written by current students who know firsthand what really makes or breaks a college experience Student journalists at Yale interviewed hundreds of undergrads to compile these detailed profiles of the top 300 schools in the U S and Canada *The Applicant: An Insider's Guide to the College Admissions Process* Ishan Puri,2012-03-10 The Applicant is an admissions guide written by a Stanford University graduate intended for parents students college counselors and anyone interested in the college admissions process Instead of promising secrets The Applicant uses the Perspective Method to facilitate students to develop their own reasons for learning applying to college and even finding a job The Applicant motivates hands on exercises for students that help them think about themselves and learn how to think about the college admissions process in a framework that is meaningful In this way it is unique in its approach and effective in its results **The Insider's Guide to the Colleges, 2008** Yale Daily News,2007-06-26 Student journalists at the Yale Daily News interview fellow students at over 320 colleges in the U S and Canada to produce detailed profiles on each campus in this premier peer to peer guide to colleges and universities An Insider's Guide to University Administration Daniel Grassian,2020-02-25 It s not the dark side if you approach it with insight wit and compassion Most new college and university administrators especially if they come directly from the faculty ranks or from outside academia receive little if any training Rather they try to succeed mostly by stumbling through the semi dark with a combination of their own knowledge and experience as well as on the job learning This can lead to costly for the administrator and the institution mistakes as well as professional failures and campus wide miseries In An Insider s Guide to University Administration Daniel Grassian helps those currently in faculty positions or outside academia determine whether a career in college and university administration is right for them and if so how to best position themselves for success Applying theory to real practical examples of university administration Grassian provides both prospective and current administrators with an in depth critical analysis of areas pertinent to college and university administration including leadership management vision diversity ethics and fund raising Drawing on his varied extensive teaching and administrative career Grassian leaves readers with a better understanding of what those in college and university administration do and the important practical political and ethical issues with which they engage The Insider's Guide to Working with Universities James W. Dean Jr.,Deborah Y. Clarke,2019-08-13 Colleges and universities stand to benefit greatly when businesspeople engage with them whether through governing boards alumni associations consulting arrangements philanthropy or other channels But many businesspeople are frustrated by the way institutions of higher education work or rather how they don t

work Why do decisions in universities take so long and involve so many people Why aren't profit and growth top priorities for colleges Why can't the faculty be managed like any other employees Shouldn't alumni have a greater say as they continue to invest in their alma mater As leaders in higher education James W Dean Jr and Deborah Y Clarke have years of experience addressing these questions for a wide range of professionals outside the academy This book draws on their expertise to offer real world guidance for businesspeople who work with and seek to improve colleges and universities Dean and Clarke differentiate and clarify the motivations and structures that make universities unique among American enterprises And while they acknowledge the challenges that businesspeople often face when working with academic institutions they explain that understanding the distinct mission of higher education is essential to being able to effect change within these organizations Presenting insights from interviews with a wide range of stakeholders Dean and Clarke give succinct and practical advice for working with universities
