Dalin, 2010-03-16 In the brutal fight that has raged in recent years over the reputation of Pope Pius XII leader of the Catholic Church during World War II the Holocaust and the early years of the Cold War the task of defending the Pope has fallen primarily to reviewers These reviewers formulated a brilliant response to the attack on Pius but their work was scattered in various newspapers magazines and scholarly journals making it nearly impossible for the average reader to gauge the results In *The Pius War* *Weekly Standard* s Joseph Bottum has joined with Rabbi David G Dalin to gather a representative and powerful sample of these reviews deliberately chosen from a wide range of publications Together with a team of professors historians and other experts the reviewers conclusively investigate the claims attacking Pius XII *The Pius War* and a detailed annotated bibliography that follows will prove to be a definitive tool for scholars and students destined to become a major resource for anyone interested in questions of Catholicism the Holocaust and World War II *What's So Eastern About Eastern Europe?* Leon Marc, 2010-01-01 Leon Marc gives the reader the big picture of Eastern Europe its political economic social and cultural history the nature of changes there and of the issues at stake in the political and economic transition while putting the fall of the Berlin Wall and the EU enlargement into a broader perspective of general European history Three key strands of Eastern Europe Central Europe Eastern Europe proper and Southeast Europe are identified and the Germanic Byzantine and Ottoman influences on the region are examined What s So Eastern About Eastern Europe is written in an accessible non academic way addressing the stereotypes about the region and their roots and explaining why the notion of Eastern Europe is now obsolete and misleading It gives an Eastern European s perspective and is informed by the author s own personal experience of the changes that brought the Wall down **Last Call for Liberty** Os Guinness, 2018-10-02 The American republic is suffering its gravest crisis since the Civil War Will conflicts hostility and incivility tear the country apart Os Guinness provides a careful observation of the American experiment offering a stirring vision for faithful citizenship and renewed responsibility for not only the nation but also the watching world **The Gathering Storm** R. Albert Mohler, Jr., 2020-06-02 The president of Southern Seminary reveals how secularism has infiltrated every aspect of society and how Christians equipped with the gospel of Jesus Christ can meet it head on with hope confidence and steadfast conviction A Storm Is Coming Western civilization and the Christian church stand at a moment of great danger Facing them both is a

hurricane force battle of ideas that will determine the future of Western civilization and the soul of the Christian church The forces arrayed against the West and the church are destructive ideologies policies and worldviews deeply established among intellectual elites the political class and our schools More menacingly these forces have also invaded the Christian church The perils faced by the West and the church are unprecedented threats to religious liberty redefinitions of marriage and family attacks on the sacredness and dignity of human life How should Christians respond to this multifaceted challenge Addressing each dimension of this challenge The Gathering Storm provides answers and equips Christians both to give an answer for the hope that is within them and to contend for the faith that was once and for all delivered to the saints *The Atlantic Monthly*, 1879 *Faith & Wellness* R.
