The International Fiction Of Henry James:

The International Fiction of Henry James J. N. Sharma, 1979-08-01 The Evolution of the International Fiction of Henry James, 1975 *An International Episode* Henry James, 2021-09-09 An International Episode Henry James Short story about a love affair by the prolific American born author and literary critic of the late 19th and early 20th centuries this book is James least veiled attempt at analyzing the divide between Britain and the US **The International Fiction of Henry James** Jagdish Narain Sharma, 1979 Henry James - An International Episode Henry James, 2020-10-07 Short story about a love affair by the prolific American born author and literary critic of the late 19th and early 20th centuries He spent much of his life in Europe and became a British subject shortly before his death He is primarily known for novels novellas and short stories based on themes of consciousness and morality Includes a biography of the author *An International Episode (Annotated)* Henry James, 2016-09-29 Two men visiting the US from London meet a pair of charming women who return the visit the following year in London Romantic intrigues miscommunication and cultural faux pas abound in this short but delightful novel The Evolution of the International Theme in the Fiction of Henry James Jagdish Narain Sharma, 1975

An International Episode Henry James, 2020-11-18 Short story about a love affair by the prolific American born author and literary critic of the late 19th and early 20th centuries He spent much of his life in Europe and became a British subject shortly before his death *The New York Stories of Henry James* Henry James, 2005-11-30 Henry James led a wandering life which took him far from his native shores but he continued to think of New York City where his family had settled for several years during his childhood as his hometown Here Colm T ib n the author of the Man Booker Prize shortlisted novel *The Master* a portrait of Henry James brings together for the first time all the stories that James set in New York City Written over the course of James s career and ranging from the deliciously tart comedy of the early *An International Episode* to the surreal and haunted corridors of *The Jolly Corner* and including *Washington Square* the poignant novella considered by many though not as it happens by the author himself to be one of James s finest achievements the nine fictions gathered here reflect James s varied talents and interests as well as the deep and abiding preoccupations of his imagination And throughout the book as T ib n s fascinating introduction demonstrates we see James struggling to make sense of a city in whose rapidly changing outlines he discerned both much that he remembered and held dear as well as everything about America and its future that he dreaded most Stories included *The Story of a Masterpiece* *A Most Extraordinary Case* *Crawford s Consistency* *An International Episode* *The Impressions of a Cousin* *The Jolly Corner* *Washington Square* *Crapy Cornelia* *A Round of Visits*

An International Episode Henry James, 1995 *Henry James' an International Episode* Henry James, 2013-06-27 Summer afternoon summer afternoon to me those have always been the two most beautiful words in the English language In *An International Episode* Henry James introduces his readers to his bi national world of love and nostalgia Like in many of his novels the book s main concern is about the interaction and the cultural differences between the Old World and the New

World Two British gentlemen visit the US and meet two beautiful American females who later return the visit in London In addition to the romantic side of the story the narrative focuses on social and cultural misunderstandings faux pas and false friends which makes the work very close to a comedy of manners Being torn between his loyalty and love for his mother country and his longing for the European world of tradition and authenticity where he spent most of his life James s work can be seen as an attempt to highlight the fundamental distinctions that separate the two cultures Throughout the narrative and right before the sudden and unhelpful closing of the plot the different characters are stereotypically presented their manners their social conventions hypocrisy and prejudice are ironically highlighted which makes of *An International Episode* an authentic reference that offers a balanced overview of British and American cultures and differences around the turn of the century
