Yarbrough, 2008-11-01 Robert Yarbrough coauthor of the bestselling *Encountering the New Testament* offers a historical and theological commentary on the Johannine Epistles in this new addition to the BECNT series The commentary features the author's detailed interaction with the Greek text explores the relationship between John's Epistles and Jesus's work and teaching interacts with recent commentaries is attentive to the history of interpretation and seeks to relate these findings to global Christianity *Urban Legends of the New Testament* David A. Croteau, 2015-08 *Urban Legends of the New Testament* surveys forty of the most commonly misinterpreted passages in the New Testament These urban legends often arise because interpreters neglect a passage's context misuse historical background information or misunderstand the Greek language For each New Testament text professor David Croteau describes the popular incorrect interpretation and then carefully interprets the passage within its literary and historical context Careful attention is given to sound principles of biblical interpretation to guide readers through the process and reach a more accurate understanding of each text's meaning QR codes have been inserted at various points throughout the book By scanning the code with your mobile device you can view a video of David Croteau addressing a specific urban legend With examples from the Gospels Acts the Epistles and Revelation *Urban Legends of the New Testament* will not only help readers avoid missteps in these forty texts but also provide a model for engaging in correct interpretation of other New Testament passages **Biblical Studies on the Internet** Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use **The Theological Intentions of Mark's Literary Devices** Dean B. Deppe, 2015-10-22 What sets *The Theological Intentions of Mark's Literary Devices* apart from other books What niche does it fill that makes its publication important This volume will interest all those who value a literary approach to the Gospel of Mark Dean Deppe introduces some new literary devices in the research of the Gospel of Mark as well as

demonstrates the theological intentions of Mark when he employs these literary devices Deppe argues that Mark employs the literary devices of intercalation framework allusionary repetitions narrative surprises and three types of mirroring to indicate where he speaks symbolically and metaphorically at two levels Mark employs these literary devices not just for dramatic tension and irony but also for theological reasons to apply the Jesus tradition to specific problems in his own day Life in the Son Robert Shank,2024-06-18 A deep study on the doctrine of eternal security Does one moment of faith secure a person's eternal destiny with God even if that person later stops following and trusting in Jesus Or does a person have to keep on trusting and following Jesus to remain in a saving relationship with God Now expanded with new chapters and research this landmark book continues to offer one of the most penetrating studies on the controversial doctrine of eternal security perseverance and apostasy in the New Testament Calling into question the popular once saved always saved belief internationally respected pastor and scholar Dr Robert Shank reveals that the question we should be asking is not Is the believer secure but rather What does it mean to be a believer Straightforward thorough and grounded in biblical understanding this book warns Christians about dangers that could potentially lead a believer to become an unbeliever falling away from faith and share in the unbeliever's eternal condemnation A Biblical Case for Women Pastors, Elders, and Deacons Seth M. Knorr,2023-04-01 An argument for Women Pastors Elders and Deacons based solely on the Bible and backed by historical evidence After discovering a textual variant in early Greek manuscripts which were supported by early Greek scripture quotations from the early church fathers the author realized this variant reading provides the important context which reverses how many are currently understanding Paul's apparent prohibition of women teaching in the pastoral epistles The discovery of this variant completely changed the author's thinking and prompted a thorough study of the topic Setting cultural arguments aside and relying solely on the text of Scripture this book answers the critical question Do these passages prevent women from being pastors elders and or deacons After an in depth study the author concluded that there is zero biblical evidence based on the original text of Scripture to support prohibiting women from holding leadership positions of pastor elder or deacon in the church *Ten Test Questions for the World's Finest Woman: Mary* William Welty,2023-01-23 MAYBE IT'S TIME YOU LEARNED THE TRUTH The community of Christian faith worldwide knows her as the finest woman who ever lived Born in obscurity to a distant descendant of Israel's magnificent King David Mary the mother of Jesus of Nazareth was honored by the Creator of the Universe to be the person through whom God himself would visit his own Creation No matter what you may have thought you knew before about this first century paragon of virtue and faith there's a good possibility that you've been misinformed about her In fact chances are you've been wrong from the start about the most remarkable woman who ever walked the dusty roads of first century Israel at the height of the Roman Empire's power No Mary isn't who you think she is More than twenty centuries have come and gone since a teenaged virgin became the mother of God's incarnate Son As a result far too much myth has grown up around the person and story of the woman

who became one of the foundational figures of human history But what the New Testament records tell us about the life of Mary the mother of Jesus is fascinating enough in its own right that accumulated legends seem to embellish the story So today more than twenty centuries later Biblical scholar and theologian Dr William Welty pulls back the dusty curtain of historically inaccurate tradition and introduces you to the very human but utterly magnificent character of Mary the mother of the Messiah as she struggles to pass Ten Test Questions for the World's Finest Woman In this analysis of every passage recorded in the New Testament in which she is mentioned you'll learn why Mary the mother of the Rabbi from Nazareth rose from literal obscurity to become one of the most pivotal figures in all of human history

*Water From the Rock* Greg Hinnant, 2024-05-05 Thirsty Parched for fresh flowing biblical insights that will revive your tired weary heart and slake your thirst for more of Jesus *Water From the Rock* the final book in Greg Hinnant's devotional trilogy offers you spiritual water aplenty Its 122 biblical devotional studies are intentionally crafted to provide more material than that offered by most devotionals in hopes of providing more inspiration and prompting further study Ministers will find numerous sermons and teachings here and disciples much study material These expository messages address many timely biblical subjects yet like the Bible their central theme is Christ knowing Him pleasing Him and learning to walk closely with Him in the hot spiritually dry wilderness of this increasingly secular Christ rejecting world For that we will need to rehydrate our souls regularly with lots of spiritual water So take long thoughtful prayerful drinks of this devotional's Spirit illuminated biblical water again and again With the Holy Spirit's blessing it will help sustain and guide you through your wilderness trials to the Promised Land of Christian maturity Book Review As always this book is blessing my socks off to use an old expression I am thoroughly enjoying working on it Deborah Moss Associate Editor Charisma Media

1st Corinthians Correcting the Church Practical

Christianity Foundation,2020-08-08 Correcting the Church In his first epistle to the Corinthian Church the apostle Paul confronted the immorality doctrinal confusion and frequent disputes that had become commonplace among the Corinthian believers Paul s message to this church was simple yet powerful Consider the values of Christ s redemption and realign your thinking with God s instructions Although this letter was written to correct admonish instruct and encourage the early church they are just as relevant to us today This verse by verse devotional study complete with engaging commentary and practical life applications will challenge you to pursue a closer walk with Jesus Christ and grow in the faith *The LORD Has It Under Control: What the Bible Teaches About the Sovereignty of God* Gary F. Zeolla,2015 This book is for the person struggling in life and for the person struggling with how God sovereignly works in people s lives It goes through the Bible more or less in order from the first verse of Genesis to the last verse of The Revelation It discusses both general principles and specific issues Along the way I relate examples of how I believe the sovereignty of God has been operating in my life in hopes that my experiences will help the reader to apply the principles to your life This book also addresses the question of the relationship of God s sovereignty to the human will or volition **King James Onlyism** James D. Price,2006 The doctrine that the King James Version is the only authoritative Bible for English speaking people has become known as King James Onlyism taking on the characteristics of a sect Using evidence from Scripture history theology textual criticism and ancient and modern Bible versions this book demonstrates that this doctrine is of recent vintage being unknown before the mid twentieth century It also demonstrates that conservative modern translations of the Bible equally support the cardinal doctrines of Scripture Amazon com **Romans (Baker Exegetical Commentary on the New Testament)** Thomas R. Schreiner,1998-12-01 A fresh analysis of the Book of Romans for scholars pastors and students that blends scholarly depth with readability **Introduction to the Prophets** Paul L. Redditt,2008-11-03 Writing in a conversational rather than a scholarly tone Paul Redditt assumes little or no prior knowledge of the Old Testament as he presents and introduces the Major and Minor Prophets in the canonical order of the English Bible The chapters of Redditt s Introduction to the Prophets discuss the place of each book in the canon the literary setting of each book their structure integrity and authorship the main genre s in each special features of each book basic emphases of each book and problems theological literary or historical raised by a study of the book Among other things Redditt demonstrates that the prophets were both foretellers and forthtellers and he argues that the Old Testament prophets developed the concept of monotheism Each chapter ends with questions for further reflection Concluding the volume are a helpful glossary and several indexes **Paul's Concept of Justification** Richard Kingsley Moore,2015-02-11 The Greek family of words characterizing the doctrine of justification by faith as it is known in English is most prominent in the writings of the Apostle Paul It was this doctrine that lay at the heart of the sixteenth century Reformation Martin Luther and his followers considered it to be at the very center of the gospel Protestants came to understand justification differently from the Catholic Church they had left Instead of the Catholic realist

view in which God makes a sinner righteous they came to a forensic understanding by which God as judge declares a sinner righteous During the nineteenth century a third relational view began to emerge it viewed justification as God s gift of a right relationship to a sinner This monograph examines Paul s concept from three perspectives the New Testament data the way the doctrine has developed historically and how the doctrine has been expressed in English translations of the Scriptures The author concludes that it is the relational view that most accurately depicts Paul s concept of justification

**The Letters to Timothy and Titus** Robert W. Yarbrough,2018-09-25 The Pastoral Letters 1 Timothy 2 Timothy and Titus have made an enduring contribution to understanding the role of pastors in the church With a spirited devotion to the text Robert Yarbrough helps unlock the meaning of these short but rich letters in this commentary In keeping with the character of Pillar New Testament Commentary volumes The Letters to Timothy and Titus offers a straightforward reading of these texts Their primary concerns God salvation and the pastoral task remain central to Yarbrough s thorough and comprehensive exegesis Engaging with the best scholarship and resources Yarbrough shows how these letters are as relevant today as they were to the early Christians

*Interpreting the Book of Acts (Guides to New Testament Exegesis)* Walter L. Liefeld,1995-09-01 Tools to help students understand the purpose structure themes and cultural background of the book of Acts

**The Countercultural Victory of 1 John in Greco-Roman Context** Ahreum Kim,2023-09-21 Ahreum Kim re examines conquering language in 1 John arguing that when the letter is read with the context of Greco Roman culture in mind the conflict extends beyond in fighting within the Johannine community She suggests that the letter s author presents a consistent countercultural narrative due to concern about the predominant world and proposes that the author exhorts the minority Johannine community to hold onto their belief while proclaiming that they are triumphant conquerors against the prevailing world Kim first examines how conquering language toward a Johannine nike utilizes militaristic undertones already familiar in Greco Roman culture She argues that each of the opponents mentioned is affiliated with the world and it is ultimately the conquering of the world itself which marks the Johannine victory Kim demonstrates that the author references the negative fear of the divine in the polytheistic world which contrasts with the Johannine love of God and that his countercultural message continues to the very end with a concluding warning against the many worldly idols Finally she posits that the battle with the Greco Roman world is ultimately a conflict of pistis comparing Roman soldiers achieving military victories with a pistis to their emperor and the repeated emphasis on Jesus as the true Son of God
