The Sum Of All Spiritual Paths Orest Stocco,2014-12-08 Open your heart to God s love and you will get all the respite you need It is not that difficult Whenever I was down in the dumps I prayed You don t pray because it is not in you to beg God for help but you can open your heart to God and let God s love pour into you That is the way of the open heart Here s what you do think of all the times you loved and let your heart fill with those memories Think of one time one moment of love and just let the love fill your heart again that s the exercise It is your prayer Don t ask for anything more because God s love is all there is I am always with you my dear friend Chapter 35 Padre Pio s Promise

**RIVER OF TRUTH** Rev John Robert Thwaytes, There are a vast number of superhuman persons in the spiritual realm created perfect but having free will like us and therefore capable of turning towards evil Among them were Lucifer Satan and Caligastia for example They are not God but when they function perfectly in tandem with God they may be referred to as God or the Good Shepherd as in Psalm 23 Significantly the majority of them the good ones tell us that they first recognize the FACT of God by His River of inexhaustible energy Meditating on this led me to put my thoughts down in this book partly for

Gurdjieff Was Wrong But His Teaching Works Orest Stocco,2016-02-07 Gurdjieff was wrong but his teaching works is the story of one man s remarkable journey of self discovery which dispels the Gurdjieffian premise that man is not born with an immortal soul With his own quest Orest Stocco illustrates that we are all born with a spark of divine consciousness but not until we take evolution into our own hands which Gurdjieff s teaching helped him to do will we realize our true self

"Imperishable Glory Or God and the little gods " John Thwaytes, I think it was Lobsang Rampa who said that the littlest gods are the most powerful of all the gods Perhaps by the end of this chapter you will understand why that is true On the cover of this book I have given an artist s impression of what a typical little god looks like at its third stage when it is in the space time universe and just about ready to hook up with a group of friends and form a particle of matter energy The tiny God Particle is the basic substance that creates and forms all types of matter energy and without it no matter energy of any sort can exist It originates as part of God the Father in pre reality where it is almost the same as a particle of thought and it is constituted in inexhaustible trillions held in reserve and fed into action by the Unqualified Absolute and the Deity Absolute from the Circle of Infinity in nether Paradise Each of these particles is a carrier of the power and Will of God for the various roles of matter energy in Creation

*The Pearl of Great Price* Orest Stocco,2015-03-05 Stories bear the truth of the human condition and the human condition is the story of our becoming but not until we solve the riddle of our becoming will literature resolve the issue of the human condition This

makes literature endlessly fascinating because every writer speaks to their place in the enantiodromic process of man's becoming which Jung called individuation and in their stories they stake out the geography of man's soul whether it be the happy country of one's being the unhappy country of one's non-being or that miserable place of being stuck between two countries the no-man's land of one's soul Chapter 18 The Dust on a Butterfly's Wings      **Just Going With the Flow, And Other Spiritual Musings** Orest Stocco, 2011-12 Just Going With The Flow is a book of spiritually inspired musings or thought pieces that explore the experiences of daily life Thought provoking entertaining and enlightening these personal essays shed light on the human condition      *Current of Grace* Melinda Bern, 2021-09-27 With earnestness she pursued the path of self inquiry under the guidance of American teachers A Ramana and Elizabeth MacDonald Young both devotees of the teachings of Ramana Maharshi In 2011 her search led her on a pilgrimage to Ramana Maharshi's ashram in South India where she received a grace so profound that her life as a seeker stopped She shares her journey in hope that others might partake of this same current of grace which is immediate ever present and available to all      **The Remnant** Mary LaCroix, 1981 The story of Jesus comes alive in this novel of two women who were close to the Master His teacher Judith and His sister Ruth and of the many who set the stage for history's greatest event The story begins with the expectation and preparation surrounding the Essene community where Mary Jesus mother to be is destined to be chosen for the greatest blessings Discover in this moving narrative the hidden truth behind the missing time in the life of Jesus      *Second Coming* Sandra Diaz Ph.D., 2015-06-19 This book is the result of a therapist's spiritual journey which intensified after four vivid lucid dreams where she came face to face with Christ and God who filled her with the energy of pure love This led to a search for the meaning behind the dreams She learned that love is the most powerful force in the universe and is in fact what we are made of By being the love that we are she discovered that we put the heart in its rightful place of master and the mind servant In so doing we live from the higher levels of consciousness where we are able to manifest our hearts deepest desires Christ taught that manifestation requires that we charge our positive thoughts with love She learned that by being love and living from the heart and the highest levels of consciousness we essentially create heaven on earth
