

The Kind Gang

BOB KISIKI

The Kind Gang

**United States. Congress. House.
Committee on Education and Labor**

The Kind Gang:

The Kind Gang Bob Kisiki, 2002 A lively and sensitive first person narrative of the life of a young boy in Uganda particularly appealing to younger readers Awazi Kati tells the story of his childhood and upbringing and close relationship with his father a kiosk small businessman and liberal Muslim whom he admires and trusts But when his father is accused of being a thief and then pays for his crime with his life Awazi is confronted with his father's own belief that people cannot be trusted and his life changes radically

Jesus and the Gang Jon Wolseth, 2011-02-15 In urban Honduras gun violence and assault form the pulsing backdrop of everyday life This book examines the ways that young men and women in working class neighborhoods of El Progreso Honduras understand and respond to gang and gun violence in their communities Because residents rely on gangs and Catholic and Evangelical Protestant churches to mediate violence in their neighborhoods these institutions form the fabric of society While only a small fraction of youths in a neighborhood are active members of a gang most young men must learn the styles ways of communicating and local geography of gangs in order to survive Due to the absence of gang prevention programs sponsored by the government or outside non governmental organizations Catholic and Pentecostal churches have developed their own ways to confront gang violence in their communities Youths who participate in church organizations do so not only to alter and improve their communities but also to gain emotional and institutional support Offering firsthand accounts of these youths and how they make use of religious discourse narrative practices or the inscription of tattooed images and words on the body to navigate dangerous social settings *Jesus and the Gang* is an unflinching look at how these young men turn away from perpetuating the cycle of violence and how Christianity serves a society where belonging is surviving This book will appeal to readers with an interest in Latin American studies urban anthropology and youth studies With its focus on the lives of young men and women it's also a compelling read for anyone interested in the plight of urban youth trying to escape the gang life

The Palgrave Handbook of Youth Gangs in the UK Paul Andell, John Pitts, 2023-02-17 This handbook brings together cutting edge research from key contributors on the rapidly expanding and fast changing field of UK youth gangs It examines the contours of the academic debates describes and explains the origins and evolution of violent street gangs in the UK against a backdrop of globalization and discusses the factors surrounding the emergence of these gangs in each of the four UK nations and some English regions It also examines the relationship between gangs and wider issues relating to gender ethnicity drug distribution and organised crime It critically assesses the potential and limitations of Public Health approaches to gang violence reduction and the government's policy responses to violent street gangs in the UK Providing a broad examination of the latest UK gangs research with international comparisons it is essential reading for undergraduate and post graduate students in criminology sociology social policy and law policy makers at local and central government level and practitioners in the fields of law policing youth work social work housing and workers in dedicated voluntary sector organizations

Organized Criminal Activity by Youth

Gangs United States. Congress. House. Committee on the Judiciary. Subcommittee on Criminal Justice, 1989 **Gangs** Scott Cummings, Daniel J. Monti, 1993-01-01 This book is an examination of contemporary gangs in American cities. Gangs have proliferated over the past ten years and pose a new set of challenges to public officials, law enforcement agencies, and urban educators. Most major cities are now confronted with serious problems derived from gang violence, drug traffic, and disruption of the public educational system. In the face of deindustrialization and deepening recession, many minority youngsters view gangs as attractive alternatives to a futile search for employment in a deteriorating urban economy. Perhaps most significant, gangs are now beginning to emerge in small and medium-sized cities. Some of the nation's leading scientists and scholars have been brought together in this book to examine the contemporary contours of America's gang problem, including Daniel J. Monti, Joan Moore, Scott Cummings, Howard Pinderhughes, Diego Vigil, Ray Hutchison, Felix Padilla, Jerome H. Skolnick, Pat Jackson, and Robert A. Destro. New material dealing with wilding, gangs, migration, and drug trafficking and public educational disruption appear in this volume. Other topics covered include how gangs are organized, what social function they serve, their relation to conventional society, and the social and psychological factors that contribute to their rise. The relationship of the contemporary gang problem to past research is explored, and a rich variety of case histories and comparative analysis is presented. The book also includes a section on public policy. **Gangs** Anna Collins, 2019-07-15 Gangs have both worried and fascinated Americans for many years, but gangs are not a uniquely American problem; they can be found all over the world, from Sweden to Japan. Most of what people learn about gangs through movies and television does not reflect the reality researchers have discovered through firsthand studies of gang life. The detailed main text, informative charts, annotated quotes from experts, and full-color photographs explore this reality and various social factors that allow gangs to arise. With this knowledge, young adults can identify areas where they can make a difference in their own communities. **Gang Prevention in Schools** Katherine De Vito, 2021-10-30 This book delves deep into the hidden population of former gang members who share their positive and negative experiences of being gang members. Their stories of violence, hopelessness, despair, and loneliness also offer a seed of hope; they contain the building blocks for prevention. By understanding why they each turned to gangs, how they turned to gangs, and what went wrong for some along their pathways during childhood, as well as how and why they chose to leave the gang lifestyle, we can begin to put the pieces together and understand tools for gang prevention. Schools are in the unique position to become an oasis or a safe haven for a child in a world that does not otherwise feel safe to them. School staff members can step in and become consistent people in a child's life. They can help to identify at-risk youth and intervene, facilitating a change in path away from gang membership. This book discusses how schools and staff can be instrumental in gang prevention and outlines warning signs and risk and protective factors for gang involvement. It also talks about components of gang prevention programs in schools. Additional topics explored include Theories of Gang Involvement, Lack of Family Consistency, Relating Attachment Theory with Gang Involvement, Brotherhood

Sisterhood Unity Gangs as Replacement Family No Other Option The Role of Social Environment Death Jail or a Turnaround Making the Decision to Disengage A Piece About Trauma Informed Practice Authored by a school social worker who has an insider s perspective on working in a school Gang Prevention in Schools is a useful resource that gives a humanistic view of former gang members The book will engage readers in the fields of psychology social work education and educational administration and criminal justice as well as have potential appeal to a lay audience due to the richness of the stories and interviews

Hearings United States. Congress. House,1955 *Hearings* United States. Congress. House. Committee on Merchant Marine and Fisheries,1955 *Study of Harbor Conditions in Los Angeles and Long Beach* United States.

Congress. House. Merchant Marine and Fisheries,1955 **Study of Harbor Conditions in Los Angeles and Long Beach-- 1956** United States. Congress. House. Committee on Merchant Marine and Fisheries. Subcommittee on Merchant Marine,1956 *Criminology* Anthony Walsh, Lee Ellis,2006-12-14 I find that Walsh s text is a great value for the price in that it encompasses a number of criminal justice topics a strong theoretical discussion and dedicates chapters to the integrated approach of criminology It also features an interdisciplinary approach that integrates rather than separates the theories and a comprehensive student study site that challenges the student to move beyond the classroom and textbook Erin Conley Monroe Harold Washington College I was impressed after reviewing the table of contents that Walsh included separate Chapters on Terrorism and Drugs I felt that Walsh s writing is very sophisticated and better organized with regards to Chapters than the competition I really liked how the interdisciplinary approach is explained and the organization choice of theories covered It addresses Criminology more at the interdisciplinary approach and explains why that is important I also find Sage s student study site at www.sagepub.com/criminologystudy to be thorough and easy to navigate Walsh is a much better value for the price Cathryn Lavery Iona College This unique text offers an interdisciplinary perspective on crime and criminality by integrating the latest theories concepts and research from sociology psychology and biology Offering a more complete look at the world of criminology than any other existing text authors Anthony Walsh and Lee Ellis first present criminological theory and concepts in their traditional form and then show how integrating theory and concepts from the more basic sciences can complement expand strengthen and add coherence to them Key Features Offers students the opportunity to learn from the cutting edges of criminology This innovative interdisciplinary approach introduces students to the future of criminology by offering new and exciting insights The book also includes strong sections on crime policy and prevention that illustrate the practical benefits of understanding theory and how theories guide policy makers seeking to prevent and control crime Focuses on topics fascinating to students Chapters on typologies such as violent crime serial killers terrorism drug and alcohol addiction psychopaths organized crime and white collar crime engage students while showing how the theories presented earlier can be applied Presents material in a student friendly style Written in an accessible format the book features many pedagogical tools such as chapter opening vignettes Focus On boxes summary

tables of all theories a unique photo program discussion questions Web driven exercises and key terms Accompanied by High Quality Ancillaries Offers audio links to public radio shows from the NPR and PBS radio archives including This American Life All Things Considered Talk of the Nation Justice Talking The Online Newshour and Marketplace Provides free online video links from the Frontline PBS which are broken up into segments so they can be shown in lecture varying in length from less than 3 minutes to hour long or more Includes interactive quizzes e flashcards and practice quizzes 3 5 journal articles per chapter and much more Intended Audience This core textbook is designed for undergraduate students studying Introductory Criminology in departments of sociology and of criminal justice For only 2 50 more than the textbook alone you can adopt Criminology by Walsh and The Concise Dictionary of Crime and Justice by Davis BUNDLE Just use ISBN 9781412958950 A handy reference for students professionals and anyone interested in criminal justice and criminology The Concise Dictionary of Crime and Justice is an excellent wide ranging resource with clear definitions for over 2 000 key criminal justice terms Often going beyond simple definitions the dictionary presents and explains common misperceptions for selected entries

New York and Los Angeles David Halle, 2003-08-15 This volume presents advanced studies that consider the fundamental difference of urban center versus decentralization that operates in the cities of New York and Los Angeles while comparing politics and culture in each area
