Andrews,2018-08-10 **HISTORY OF ENGLISH VERSIONS OF THE BIBLE** Edward D. Andrews,2019-10-22 The fascinating story of how we got the English Bible in its present form starts 1 120 years ago HISTORY OF ENGLISH VERSIONS OF THE BIBLE covers the fascinating journey of the Bible from the 9th century AD to the beginning of the 20th century The chief translator of the Updated American Standard Version Edward D Andrews invites readers to explore the process of from the early manuscripts to contemporary translations today And so it was that translators like William Tyndale were martyred for the honor of giving the people a Bible that could easily be understood What a price they had paid however it was a priceless gift Tyndale and others before and after him had worked with the shadow of death towering over their heads However by delivering the Bible to many people in their native tongue they opened up before them the possibility not of death but life eternal As Jesus Christ said in the Tyndale Bible This is life eternal that they might know the that only very God and whom thou hast sent Jesus Christ John 17:3 May we therefore know the value of what we can now hold in our hands and may we diligently study God's Word **New King James - The Bridge Bible** David W. Daniels,2020-05-19 Is The New King James Bible Just An Updated King James It promised to be a 5th edition of the KJV preserving the originally intended meaning of every verse Did publishers and translators keep their promise Author David Daniels shows us in this book that the classical language including the thees and thous is not all that was changed In fact this Bible is not a King James at all Some of the updates actually change doctrines I M NOT SAYING WHAT COULD HAPPEN I M SHOWING YOU WHAT DID HAPPEN DAVID W DANIELS It cannot be a true King James if salvation is changed from a finished work to an unfinished process 1 Corinthians 1:18 How can you know you are saved Or in Matthew 7:14 where it says Because narrow is

the gate and difficult is the way which leads to life God did not make the way difficult Salvation is as close as our mouth and our heart These tiny changes as well as others like it have made a big difference moving people from faith to doubt in God and His words But there s more The publishers of the New King James said themselves that their goal was to provide a transitional bridge to a modern Bible and they sell plenty of them As people get used to seeing words changed in their Bible they soon will accept a Bible that changes even more Eventually you have a Bible with wording vague enough in many key areas that all the world s religions will be able to fit their doctrines into it This is actually part of the larger plan for everyone to accept one world Bible for the Antichrist s coming one world religion How do we counter this By teaching our children how to read the clear words of the King James we can bring faith and not doubt to the next generation In fact as you will see in this book if previous generations had done this the New King James would never have been made *King James Old English Word Definition Guide-3rd Edition Pocket Size* Michael Williams,2011-12-09 The King James Old English Word Definition Guide 3rd edition KJV 400th Anniversary Pocket Size enables the user to read the most accurate English Bible ever translated from the historically reliable Masoretic Hebrew and Received Greek texts without struggling with the Old English words Originally published in 2001 followed by a 2nd edition revision in 2008 this 400th Anniversary of the King James Bible 3rd edition substantially adds to the previous editions This 3rd edition adds two hundred more Old English words for a new total of over eight hundred words It adds a new section of King James helps which explain some of the techniques the translators used to ensure important information in the original texts was clarified and communicated Finally this edition is smaller in size so it fits better inside a Bible cover pocket or purse *In Awe of Thy Word* G.
