New Covenant Christianity in today's contemporary world A Jesus centered theology of only being saved by Jesus rather than acting on a personal integrity based on the precepts examples and teaching of Jesus may signal the continued loss in American churches The roots of which reach back to the origins of either Incarnational Christology or Adoptionist Christology both of which found a footing in ancient Jewish covenant belief The choice of becoming at one with the Creator by acting on the gospel of Jesus may result in a trembling before God a terrible good The reversal of the failing and irrelevance of Christianity today rests on American churches making significant choices whether God exists which covenant it follows if the Christologies remain intact ecclesiology reformation and which doctrinal issues are deemed necessary
