The Treachery of Kings Neal Barrett, Jr.,2016-10-16 In a magical world where animals have been given human form and chaos can often be the nature of the day some universal truths remain Like the futility of war and the foolishness of leaders And of course the lingering prejudice against the Newlies the humanized animals But Master Lizard Maker Finn has no quarrel with creatures of any sort Just returned from a highly

traumatic vacation he wants nothing more than a period of prolonged peace with his fetching Newlie lover Letitia and his greatest creation a sassy mechanical lizard named Julia Jessica Slagg But the Fates in the form of the capricious Prince of Fyxedia have other plans in store for Finn Fyxedia's leader has commissioned Finn to build a fantastical lizard timepiece for his archrival the mysterious King of Heldessia an odd enough request since Fyxedia and Heldessia have been at war for 700 years Worse Finn has been ordered to deliver the clock himself a mission that involves flying over the war zone in a rickety and badly patched balloon Finn can hardly refuse the commission but the journey is the least of his problems For Heldessia is a land as odd as any he's encountered and he can't help but wonder what foul plot these monarchs have in store for each other How can one lone lizard maker his lover and his mechanical creation foil a plot they don't even understand and still manage to come out of it alive

The Wonder Clock Howard Pyle, 2024-11-23 Here we are And now I will wind the clock Gurr gurr gurr Tick tock tick tock I PUT on my dream cap one day and stepped into Wonderland Along the road I jogged and never dusted my shoes and all the time the pleasant sun shone and never burned my back and the little white clouds floated across the blue sky and never let fall a drop of rain to wet my jacket And by and by I came to a steep hill I climbed the hill though I had more than one tumble in doing it and there on the tip top I found a house as old as the world itself That was where Father Time lived and who should sit in the sun at the door spinning away for dear life but Time's Grandmother herself and if you would like to know how old she is you will have to climb to the top of the church steeple and ask the wind as he sits upon the weather cock humming the tune of Over yonder song to himself Good morning says Time's Grandmother to me Good morning says I to her And what do you seek here says she to me I come to look for odds and ends says I to her Very well says she just climb the stairs to the garret and there you will find more than ten men can think about
