became so embellished over time There are surprisingly a great many laws still in existence on the statute books today that would make your jaw drop Whilst bizarre as these laws may now seem to us it begs the question are we in fact unknowingly breaking these laws on a regular basis For example Is it illegal to imagine the abolition of the monarchy Is it illegal to refuse to assist a police constable Did courts squash people into submission Was cricket against the law Was Dr Frankenstein ever real all these questions and more will be answered in this Volume 3 of a 3 volume series by Monty Lord Reading this book you may be inclined to laugh heartily let out a sorrowful cry or recoil in abject horror at some of the more gruesome sentences passed for breaking these weird laws With over 140 bizarre but nevertheless true laws and customs you can use this book to satisfy your curiosity about what our ancestors had to contend with over the years or perhaps as a reference guide for trivia quizzes
