The war crimes trials at Nuremberg and Tokyo meted out the Allies official justice Lord Russell of Liverpool s sensational bestselling books on the Axis war crimes decided the public s opinion The Knights of Bushido Russell s shocking account of

Japanese brutality in the Pacific in World War II describes how the noble founding principles of the Empire of Japan were perverted by the military into a systematic campaign of torture murder starvation rape and destruction Notorious incidents like the Nanking Massacre and the Bataan Death March emerge as merely part of a pattern of human rights abuses Undoubtedly formidable soldiers the Japanese were terrible conquerors Their conduct in the Pacific is a harrowing example of the doctrine of mutual destruction carried to the extreme and begs the question of what is acceptable and unacceptable in total war

The Routledge History of Genocide Cathie Carmichael, Richard C. Maguire, 2015-05-01 The Routledge History of Genocide takes an interdisciplinary yet historically focused look at history from the Iron Age to the recent past to examine episodes of extreme violence that could be interpreted as genocidal Approaching the subject in a sensitive inclusive and respectful way each chapter is a newly commissioned piece covering a range of opinions and perspectives The topics discussed are broad in variety and include genocide and the end of the Ottoman Empire Stalin and the Soviet Union Iron Age warfare genocide and religion Japanese military brutality during the Second World War heritage and how we remember the past The volume is global in scope something of increasing importance in the study of genocide Presenting genocide as an extremely diverse phenomenon this book is a wide ranging and in depth view of the field that will be valuable for all those interested in the historical context of genocide

The Japanese Occupation of Borneo, 1941-45 Ooi Keat Gin, 2010-12-17 The Japanese occupation of both British Borneo Brunei Sarawak and North Borneo and Dutch Borneo in 1941 to 1945 is a much understudied subject Of particular interest is the occupation of Dutch Borneo governed by the Imperial Japanese Navy that had long term plans for permanent possession This book surveys Borneo under Western colonialism examines pre war Japanese interests in Borneo and analyses the Japanese military invasion and occupation It goes on to consider the nature of Japanese rule in Borneo contrasting the different regimes of the Imperial Japanese Army which ruled the north and the Navy A wide range of issues are discussed including the incorporation of the economy in the Greater East Asia Co prosperity Sphere and the effects of this on Borneo s economy The book also covers issues such as the relationship with the various indigenous inhabitants with Islam and the Muslim community and the Chinese as well as topics of acculturation and propaganda and major uprisings and mass executions It examines the impact of the wartime conditions and policies on the local multiethnic peoples and their responses providing an invaluable contribution to the greater understanding of the significance of the wartime Japanese occupation in the historical development of Borneo

The Real Tenko Mark Felton, 2010-03-10 The author of *Children of the Camps* delves into the harrowing true stories behind the TV drama the fate of women held in Japanese captivity during WWII This book details the treatment of Allied servicewomen female civilians and local women by the Japanese occupation forces including the massacres of nurses such as that at Alexandra Hospital Singapore disturbing atrocities on both Europeans and Asians and accounts of imprisonment It reveals how many ended up in Japanese hands when they should have been evacuated Also covered are the hardships of long marches and the sexual

enslavement of white and native women so called Comfort Women The book is a testimony both to the callous and cruel behavior of the Japanese and to the courage and fortitude of those who suffered at their hands This well researched book has to be read UK Ministry of Defence The story of the Allied medical staff who were caught in Japan s wave of terror during the Second World War briefly follows the fate of Australian nursing survivors as they try to rebuild their shattered lives Soldier Magazine Accounts of Japanese brutality towards Allied prisoners of war are quite well known but the fate of the tens of thousand s of Allied women and children who fell into their hands is not so familiar at least since memories of the TV drama Tenko have faded This harrowing account should go some way towards redressing that balance an important piece of work looking at an aspect of the Second World War that should not be forgotten HistoryOfWar org *Hirohito* Jean Sénat Fleury,2019-10-11 Hirohito Guilty or Innocent The Trial of the Emperor is a book of information and training a reference book that should be read as an educational tool on Japan s war in South East Asia and the Pacific The book opens the debate on Hirohito s responsibility during World War II with a posthumous trial against the Japanese emperor before the Permanent Peoples Court for crimes against peace war crimes and crimes against humanity **The Permanent International Criminal Court** Dominic McGoldrick,Peter Rowe,Eric Donnelly,2004-03-30 The idea of an International Criminal Court has captured the international legal imagination for over a century In 1998 it became a reality with the adoption of the Rome Statute This book critically examines the fundamental legal and policy issues involved in the establishment and functioning of the Permanent International Criminal Court Detailed consideration is given to the history of war crimes trials and their place in the system of international law the legal and political significance of a permanent ICC the legality and legitimacy of war crimes trials the tensions and conflicts involved in negotiating the ICC Statute the general principles of legality the scope of defences evidential dilemmas the perspective of victims the nature and scope of the offences within the ICC s jurisdiction aggression genocide war crimes crimes against humanity questions of admissibility and theories of jurisdiction the principle of complementarity national implementation of the Statute in a range of jurisdictions and national and international responses to the ICC The expert contributors are drawn from a range of national jurisdictions UK Sweden Canada and Australia The book blends detailed legal analysis with practical and policy perspectives and offers an authoritative complement to the extensive commentaries on the ICC Statute Victory in Defeat Gregory Urwin,2011-01-15 Told here for the first time in vivid detail is the story of the defenders of Wake Island following their surrender to the Japanese on December 23 1941 The highly regarded military historian Gregory Urwin spent decades researching what happened and now offers a revealing look at the U S Marines sailors soldiers and civilian contractors in captivity In addition to exhaustive archival research he interviewed dozens of POWs and even some of their Japanese captors He also had access to diaries secretly kept by the prisoners This information has allowed Urwin to provide a nuanced look at the Japanese guards and how the Americans survived three and a half years in captivity and emerged with a much lower death rate than most other Allied

personnel captured in the Pacific In part Urwin says the answer lies in the Wake Islanders establishment of life saving communities that kept their dignity intact Their mutual help networks encouraged those who faltered under physical and psychological torture including what is today called water boarding The book notes that the Japanese camp official responsible for that war crime was sentenced to life imprisonment by an American military tribunal Most Wake Islanders spent the war at two camps just outside Shanghai one of the few places where Japanese authorities permitted the Red Cross to aid prisoners of war The author also calls attention to the generosity of civilians in Shanghai including Swiss diplomats and the American and British residents of the fabled International Settlement who provided food and clothing to the prisoners In addition some guards proved to be less vicious than those stationed at other POW camps and occasionally went out of their way to aid inmates As the first historical work to fully explore the captivity of Wake Island s defenders the book offers information not found in other World War II histories Uprooted Albert Marrin,2016-10-25 A Publishers Weekly Best Book of the Year A Booklist Editor s Choice On the 75th anniversary of the bombing of Pearl Harbor comes a harrowing and enlightening look at the internment of Japanese Americans during World War II from National Book Award finalist Albert Marrin Just seventy five years ago the American government did something that most would consider unthinkable today it rounded up over 100 000 of its own citizens based on nothing more than their ancestry and suspicious of their loyalty kept them in concentration camps for the better part of four years How could this have happened Uprooted takes a close look at the history of racism in America and carefully follows the treacherous path that led one of our nation s most beloved presidents to make this decision Meanwhile it also illuminates the history of Japan and its own struggles with racism and xenophobia which led to the bombing of Pearl Harbor ultimately tying the two countries together Today America is still filled with racial tension and personal liberty in wartime is as relevant a topic as ever Moving and impactful National Book Award finalist Albert Marrin s sobering exploration of this monumental injustice shines as bright a light on current events as it does on the past *Fanaticism and Conflict in the Modern Age* Matthew Hughes,Gaynor Johnson,2004-12-15 What is fanaticism Is the term at all useful After all one person s fanatic is another s freedom fighter This new book probes these key questions of the twenty first century It details how throughout history there have been fanatics eager to pursue their religious political or personal agendas
