The Korean Conspiracy

Keith Pratt, Richard Rutt

The Korean Conspiracy:

The Korean War in History James Cotton, Ian Neary, 1989 **The Korean Conspiracy Case** Arthur Judson Brown, 1912
Transactions of the Korea Branch of the Royal Asiatic Society, 1925 List of members in v 1 3 6 50 constitution and by laws in v 1 10 *Japan's Colonization of Korea* Alexis Dudden, 2006-12-18 From its creation in the early twentieth century policymakers used the discourse of international law to legitimate Japan's empire Although the Japanese state aggrandizers reliance on this discourse did not create the imperial nation Japan would become their fluent use of its terms inscribed Japan's claims as legal practice within Japan and abroad Focusing on Japan's annexation of Korea in 1910 Alexis Dudden gives long needed attention to the intellectual history of the empire and brings to light presumptions of the twentieth century's so called international system by describing its most powerful and most often overlooked member's engagement with that system Early chapters describe the global atmosphere that declared Japan the legal ruler of Korea and frame the significance of the discourse of early twentieth century international law and how its terms became Japanese Dudden then brings together these discussions in her analysis of how Meiji leaders embedded this discourse into legal precedent for Japan particularly in its relations with Korea Remaining chapters explore the limits of these universal ideas and consider how the international arena measured Japan's use of its terms Dudden squares her examination of the legality of Japan's imperialist designs by discussing the place of colonial policy studies in Japan at the time demonstrating how this new discipline further created a common sense that Japan's empire accorded to knowledgeable practice This landmark study greatly enhances our understanding of the intellectual underpinnings of Japan's imperial aspirations In this carefully researched and cogently argued work Dudden makes clear that even before Japan annexed Korea it had embarked on a legal and often legislating mission to make its colonization legitimate in the eyes of the world The Korean War Keith D. McFarland, 2009-12-04 The Korean War is the most comprehensive and detailed bibliography compiled to date on the American involvement in The Forgotten War In this revised and expanded second edition Keith D McFarland's clearly written annotations provide concise descriptions of more than 2 600 of the most important books articles and documents written in English on the conflict in Korea Key topics include origins of the war the political and military roles of North and South Korea the United States the Soviet Union China Great Britain Canada Australia South Africa Turkey and other United Nations members campaigns and battles weapons and uniforms and the military and diplomatic aspects of the war Specific subjects are easy to find using the index organized by topic and author making The Korean War a necessity for every academic or research library *Ties That Bind* Hannah Kim, 2025 Hannah Kim examines the efforts of nongovernmental actors such as American missionaries the press Korean expatriates social workers and educators in strengthening Korean and American relations from the early twentieth century through the Cold War **Korea Letters in the William Elliot Griffis Collection** William Elliot Griffis, 2024-02-16 William Elliot Griffis 1843 1928 graduated from Rutgers College in 1869 and taught four years in Fukui and Tokyo After his return to

the United States he devoted himself to his research and writing on East Asia throughout his life He authored 20 books about Japan and five books about Korea including *Corea The Hermit Nation* 1882 *Corea Without and Within* Chapters on Korean History Manners and Religion 1885 *The Unmannerly Tiger and Other Korean Tales* 1911 *A Modern Pioneer in Korea* The Life Story of Henry G Appenzeller 1912 and *Korean Fairy Tales* 1922 In particular his bestseller *Corea The Hermit Nation* 1882 was reprinted numerous times through nine editions over thirty years He was not only known as the foremost interpreter of Japan to the West before World War I but also the American expert on Korea After his death his collection of books documents photographs and ephemera was donated to Rutgers The Korean materials in the Griffis Collection at Rutgers University consist of journals correspondence articles maps prints photos postcards manuscripts scrapbooks and ephemera These papers reflect Griffis s interests and activities in relation to Korea as a historian scholar and theologian They provide a rare window into the turbulent period of late nineteenth and twentieth century Korea witnessed and evaluated by Griffis and early American missionaries in East Asia The Korea Letters in the William Elliot Griffis Collection are divided into two parts letters from missionaries and letters from Japanese and Korean political figures Newly available and accessible through this collection these letters develop a multifaceted history of early American missionaries in Korea the Korean independence movement and Griffis s views on Korean culture

Human Rights in South Korea United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Asian and Pacific Affairs,1974

Korea Keith Pratt,Richard Rutt,2013-12-16 Compiled by specialists from the University of Durham Department of East Asian Studies this new reference work contains approximately 1500 entries covering Korean civilisation from early times to the present day Subjects include history politics art archaeology literature etc The Dictionary is intended for students teachers and researchers and will also be of interest to the general reader Entries provide factual information and contain suggestions for further reading A name index and comprehensive cross reference system make this an easy to use multi purpose guide for the student of Korea in the broadest sense

The New History of Korean Civilization Chai-Shin Yu,2012 This book explores the existence of a distinctive Korean culture established by the Korean people and separate from its Chinese and Japanese counterparts The author surveys the history of cultural life in Korea and provides a detailed account of this country s remarkable heritage Written for the purpose of introducing the roots of Korean culture to Westerners and second generation Koreans living in the West P 4 of cover

Human Rights in South Korea: Implications for U.S. Policy United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Asian and Pacific Affairs,1974

The Japan Chronicle ,1912

The Mistaken History of the Korean War Paul M. Edwards,2018-02-21 Much of the history of the Korean War has been misinterpreted or obscured Intense propaganda and limited press coverage during the war coupled with vague objectives and an incomplete victory resulted in a popular narrative of partial truth and factual omission Battlefield stories essentially true but often missing significant data added an element of myth Drawing on a range of sources the author a Korean War veteran

reexamines the war's causes, costs, and outcomes *Understanding Korean Christianity* K. Kale Yu, 2019-10-14 The cultural landscape plays a momentous role in the transmission of Christianity. Consequently, the global expansion of the church has led to the increasing diversification of world Christianity. As a result, scholars are turning more and more to native cultures as the point of focus. This study examines how this new discourse evolved as well as presenting a missional methodology based on the study of the native landscapes of Korea. Kale Yu argues that the process of formulating and communicating Christianity was less consistent than is usually supposed. By immersing the reader in the thought and lived experience of various Korean contexts, Professor Yu recreates the diversity of cultural landscapes experienced by Korean Christians of different periods in history. The result is a new interpretation of cross-cultural missional interactions *The Politics of Korean Nationalism* Chong-Sik Lee, 1963 *International Impact of Colonial Rule in Korea, 1910-1945* Yong-Chool Ha, 2019-12-23 In recent years, discussion of the colonial period in Korea has centered mostly on the degree of exploitation or development that took place domestically, while international aspects have been relatively neglected. Colonial discourse such as characterization of Korea as a hermit nation was promulgated around the world by Japan and haunts us today. The colonization of Korea also transformed Japan and has had long-term consequences for post-World War II Northeast Asia as a whole. Through sections that explore Japan's images of Korea, colonial Koreans' perceptions of foreign societies and foreign relations, and international perceptions of colonial Korea, the essays in this volume show the broad influence of Japanese colonialism not simply on the Korean peninsula but on how the world understood Japan and how Japan understood itself. When initially incorporated into the Japanese empire, Korea seemed lost to Japan's designs, yet Korean resistance to colonial rule, along with later international fear of Japanese expansion, led the world to rethink the importance of Korea as a future sovereign nation *American Missionaries, Korean Protestants, and the Changing Shape of World Christianity, 1884-1965* William Yoo, 2016-10-04 This book examines the partnerships and power struggles between American missionaries and Korean Protestant leaders in both nations from the late 19th century to the aftermath of the Korean War. Yoo analyzes American and Korean sources, including a plethora of unpublished archival materials, to uncover the complicated histories of cooperation and contestation behind the evolving relationships between Americans and Koreans at the same time the majority of the world Christian population shifted from the Global North to the Global South. American and Korean Protestants cultivated deep bonds with one another but they also clashed over essential matters of ecclesial authority, cultural difference, geopolitics, and women's leadership. This multifaceted approach, incorporating the perspectives of missionaries, migrants, ministers, diplomats, and interracial couples, casts new light on American and Korean Christianities and captures American and Korean Protestants mutually engaged in a global movement that helped give birth to new Christian traditions in Korea, created new transnational religious and humanitarian partnerships such as the World Vision organization, and transformed global Christian traditions ranging from Pentecostalism to Presbyterianism *War and Democracy: A*

Comparative Study of the Korean War and the Peloponnesian War David R. McCann, Barry S. Strauss, 2015-03-04 A comparison of the cultural and political institutional dimensions of war's impact on Greece during the Peloponnesian War and the United States and the two Koreas North and South during the Korean War It demonstrates the many underlying similarities between the two wars Korean Newsletter ,1978 **The Truth about Korea** Carlton Waldo Kendall, 1919
