# The Korean War An Annotated Bibliography

**Marilyn Martin White**

## **The Korean War An Annotated Bibliography:**

**The Korean War** Keith D. McFarland, 2009-12-04 The Korean War is the most comprehensive and detailed bibliography compiled to date on the American involvement in The Forgotten War In this revised and expanded second edition Keith D McFarland s clearly written annotations provide concise descriptions of more than 2 600 of the most important books articles and documents written in English on the conflict in Korea Key topics include origins of the war the political and military roles of North and South Korea the United States the Soviet Union China Great Britain Canada Australia South Africa Turkey and other United Nations members campaigns and battles weapons and uniforms and the military and diplomatic aspects of the war Specific subjects are easy to find using the index organized by topic and author making The Korean War a necessity for every academic or research library

**The Korean War** Paul M. Edwards, 2006-09-30 An overview of the Korean War

The Korean War Hong-Kyu Park, 1971 **The Pusan Perimeter, Korea, 1950** , 1993-09-21 This annotated bibliography is the first to cover the early phases of the Korean War for the period from June 25 to September 22 1950 in a comprehensive manner This guide provides a brief history of the critical period around the Pusan perimeter identifies important archival sources and then describes 401 studies in English both official and unofficial reports documents surveys monographs and periodical articles The bibliography is organized both by different genres of work and topically An appendix points to the United Nations country s forces that served in the war Indexes by author subject and periodical make this short guide easy for researchers in all fields of study

An Annotated Bibliography of the United States Marines in the Korean War United States. Marine Corps, 1962

**The Korean War** Stanley Sandler, 2014-01-14 First major clash with a communist army The Korean War was America s first ideological conflict and the first large scale clash between U S UN forces and a Communist army More than any other event it signaled the beginning of Cold War mobilization for the U S and NATO and even though the specter of international communism had since faded away the animosities of The Forgotten War threaten to flare up even today Focuses on military topics The Korean War contains articles of varying lengths on key topics that range from the origins of the conflict ground naval and air operations and tactical planning to the Truman MacArthur face off the POW issue and armistice negotiations The bulk of the Encyclopedia focuses on such military topics as the use of artillery the pioneering concept of helicopter evacuation of wounded new infantry tactics dictated by Communist POW riots civil affairs larger military units and communications There are also articles on civilian and military leaders including President Eisenhower General Ridgeway Kim Il Sung Chou En lai Syngman Rhee and others Special features Articles written by experts in the field Useful to librarians scholars researchers

and students alike Includes 48 maps and photographs Covers an extraordinary range of key topics A chronology extensive bibliography and a subject index are included      *The Korean War* , The Korean War has been termed The Forgotten War or the Unknown War It is a conflict which never assumed the mythic character of the American Civil War or World War II However this book asserts it would be impossible to understand the Cold War and indeed post 1945 global history without knowledge of the Korean War Providing a history of the Korean peninsula before the war and including a detailed analysis of the fighting itself The Korean War goes beyond the battlefield to deal with the war in the air ground attack and air evacuation The study also evaluates the contributions of the UN naval forces the impact of the war on various homefronts and issues such as defectors opposition to the war racial segregation and integration POWs and the media Recently released Soviet documents are used to assess the role of China the Soviet Union North and South Korea and the allied forces in the conflict This fascinating work offers a unique analysis of the Korean War and will be invaluable to students of twentieth century history particularly those concerned with American and Pacific history      **Historical Dictionary of the Korean War** Paul M. Edwards,2010-06-10 The Korean War has often been regarded as a forgotten war although that is certainly unfair It was if anything a rather crucial war within the ambit of the Cold War started by North Korea in 1950 and although the bulk of the fighting was over by 1954 peace has never been concluded and the two sides still face off over the demilitarized zone On the other side of the zone is South Korea which has since become a very prosperous and democratic country while North Korea has achieved relatively little So that war is certainly not forgotten by the Koreans And given the large number of deaths and casualties it is still remembered by many in the United States and other allies as well as China and the Soviet Union This Historical Dictionary of the Korean War now in its second edition does much to jolt our memory and inform us about the war This is done first in a lengthy chronology tracking the war but also the path to war and what happened after The introduction covers the war as a whole trying to make sense of it The dictionary section provides all of the necessary details on significant persons places and events battles and other engagements military units and material as well as the political economic and social background There are also maps and a list of acronyms This is really the ideal source for information in addition to which it also has an extensive bibliography      **The Ashgate Research Companion to the Korean War** Donald W. Boose,2016-03-23 This essential companion provides a comprehensive study of the literature on the causes course and consequences of the Korean War 1950 1953 Aimed primarily at readers with a special interest in military history and contemporary conflict studies the authors summarize and analyze the key research issues in what for years was known as the Forgotten War The book comprises three main thematic parts each with chapters ranging across a variety of crucial topics covering the background conduct clashes and outcome of the Korean War The first part sets the historical stage with chapters focusing on the main participants The second part provides details on the tactics equipment and logistics of the belligerents Part III covers the course of the war with each chapter addressing a key stage of the fighting

in chronological order The enormous increase in writings on the Korean War during the last thirty years following the release of key primary source documents has revived and energized the interest of scholars This essential reference work not only provides an overview of recent research but also assesses what impact this has had on understanding the war The Korean War Andrew James Birtle, 2000 The first twelve months of the Korean War June 1950 June 1951 had been characterized by dramatic changes in the battlefield as the opposing armies swept up and down the length of the Korean peninsula This war of movement virtually ended on 10 July 1951 when representatives from the warring parties met in a restaurant in Kaesong to negotiate an end to the war Although the two principal parties to the conflict the governments of the Democratic People's Republic of Korea North Korea and the Republic of Korea ROK or South Korea were more than willing to fight to the death their chief patrons The People's Republic of China and the Soviet Union the one hand and the United States and the United Nations UN on the other were not Twelve months of bloody fighting had convinced Mao Tse tung Joseph V Stalin and Harry S Truman that it was not longer in their respective national interests to try and win a total victory in Korea The costs in terms of men and materiel were too great as were the risks that the conflict might escalate into a wider global conflagration Consequently they compelled their respective Korean allies to accept a truce talks as the price for their continued military economic and diplomatic support Page 3

**The Encyclopedia of the Korean War** Spencer C. Tucker, Paul G. Pierpaoli Jr., 2010-04-09 A multidimensional multidisciplinary work on one of the least understood but most important conflicts in modern history A cornerstone work in ABC CLIO's distinguished list of reference works on military history The Encyclopedia of the Korean War A Political Social and Military History is a comprehensive resource on the confrontation that became the first shooting war of the Cold War the first limited conflict of the Atomic Age and the war that led to a dramatic escalation of the national security state while foreshadowing U S involvement in Vietnam Encyclopedia of the Korean War offers complete coverage of strategies weapon systems and clashes that marked the course of events on the battlefield But this authoritative multidisciplinary work expands beyond the military perspective to portray the overall culture of the era addressing a variety of political economic social and popular culture topics as well Incorporating a wealth of recent research the new edition adds more than 130 entries and updated coverage throughout plus more bibliographic listings an expanded historiographical essay and a documents volume

**The Craft of International History** Marc Trachtenberg, 2009-02-09 This is a practical guide to the historical study of international politics The focus is on the nuts and bolts of historical research that is on how to use original sources analyze and interpret historical works and actually write a work of history Two appendixes provide sources sure to be indispensable for anyone doing research in this area The book does not simply lay down precepts It presents examples drawn from the author's more than forty years experience as a working historian One important chapter dealing with America's road to war in 1941 shows in unprecedented detail how an interpretation of a major historical issue can be developed The aim throughout is to throw open the doors of the workshop so

that young scholars both historians and political scientists can see the sort of thought processes the historian goes through before he or she puts anything on paper Filled with valuable examples this is a book anyone serious about conducting historical research will want to have on the bookshelf Korean War Almanac Paul M. Edwards,2006 Presents a comprehensive reference to American involvement in the Korean War including a chronology of major events biographical sketches related articles and a collection of maps **Selling War in a Media Age** Kenneth Osgood,Andrew K. Frank,2010-06-27 George W Bush s Mission Accomplished banner in 2003 and the misleading linkages of Saddam Hussein to the 9 11 terrorist attacks awoke many Americans to the techniques used by the White House to put the country on a war footing Yet Bush was simply following in the footsteps of his predecessors as the essays in this standout volume reveal in illuminating detail Written in a lively and accessible style **Selling War in a Media Age** is a fascinating thought provoking must read volume that reveals the often brutal ways that the goal of influencing public opinion has shaped how American presidents have approached the most momentous duty of their office waging war **Special Bibliography Series** United States Air Force Academy. Library,1992 **A Companion to American Military History** James C. Bradford,2009-11-03 With more than 60 essays **A Companion to American Military History** presents a comprehensive analysis of the historiography of United States military history from the colonial era to the present Covers the entire spectrum of US history from the Indian and imperial conflicts of the seventeenth century to the battles in Afghanistan and Iraq Features an unprecedented breadth of coverage from eminent military historians and emerging scholars including little studied topics such as the military and music military ethics care of the dead and sports Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and identifies areas where conflicting interpretations are in need of further study

This is likewise one of the factors by obtaining the soft documents of this **The Korean War An Annotated Bibliography** by online. You might not require more era to spend to go to the books opening as with ease as search for them. In some cases, you likewise pull off not discover the publication The Korean War An Annotated Bibliography that you are looking for. It will agreed squander the time.

However below, afterward you visit this web page, it will be suitably no question easy to acquire as capably as download guide The Korean War An Annotated Bibliography

It will not agree to many get older as we run by before. You can complete it while enactment something else at house and even in your workplace. therefore easy! So, are you question? ### **The Korean War An Annotated Bibliography Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Korean War An Annotated Bibliography has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Korean War An Annotated Bibliography has opened up a world of possibilities. Downloading The Korean War An Annotated Bibliography provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Korean War An Annotated Bibliography has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Korean War An Annotated Bibliography. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Korean War An Annotated Bibliography. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to

utilize reputable websites that prioritize the legal distribution of content. When downloading The Korean War An Annotated Bibliography, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Korean War An Annotated Bibliography has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About The Korean War An Annotated Bibliography Books**

1. Where can I buy The Korean War An Annotated Bibliography books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
