The Ladder Of High Designs Structure And Interpretation Of French Lyric Sequence:

The Ladder of High Designs Doranne Fenoaltea, David Lee Rubin, 1991 **The Ladder of High Designs** Doranne Fenoaltea, David Lee Rubin, 1991 This collection of essays on the structure and interpretation of the French lyric sequence marks a number of tentative signposts for future travelers along this relatively unmarked path It explores the means of seeing how harmony and greater meaning concordia discors arises from the organization of a collection of poems into a poetic work

Emblematics and Seventeenth-century French Literature Laurence Grove, 2000 [Sun King](#) David Lee Rubin, 1992 This work is a selection of papers presented at the Folger Institute by an international collegium of scholars on the ascendancy of French culture during the reign of Louis XIV [The Shape of Change](#), 2021-11-01 In [The Shape of Change](#) Anne L Birberick and Russell Ganim bring together essays by fourteen established scholars who dedicate their studies to David Rubin as they explore the ways in which artistic endeavor shapes and is shaped by literary memory The volume is divided into two sections The first section Continuity and Discontinuity offers essays by Jody Enders Timothy Reiss Twyla Meding Marie Odile Sweetser Robert Corum Jr and the editors themselves and considers the ways in which seventeenth century authors draw upon generic conventions or diverse artistic media to create works that reflect the aesthetic and moral values of their time The second section entitled La Fontaine focuses primarily on Jean de La Fontaine s masterpiece Les Fables Here the problem of imitation and innovation as it relates to genre influence and literary reputation is examined in essays by Jules Brody Richard Danner Judd Hubert Catherine Gris Michael Vincent Nicholas Cronk and Ralph Albanese Jr The Shape of Change serves as a fine scholarly contribution to the studies of French seventeenth century literature and La Fontaine The essays are thoughtful as well as thought provoking and the volume s critical diversity is nicely balanced by its thematic coherence In its ability to stimulate new thinking this collection of essays will be of interest to both students and scholars of early modern France **Blindness and Therapy in Late Medieval French and Italian Poetry** Julie

Singer, 2011 This book argues that late medieval love poets from Petrarch to Machaut and Charles d Orlans exploit scientific models as a broad framework within which to redefine the limits of the lyric subject and his body Just as humoral theory depends upon principles of likes and contraries in order to heal poetry makes possible a parallel therapeutic system in which verbal oppositions and substitutions counter or rewrite received medical wisdom The specific case of blindness a disability that according to the theories of love that predominated in the late medieval West foreclosed the possibility of love serves as a laboratory in which to explore poets circumvention of the logical limits of contemporary medical theory Reclaiming the power of remedy from physicians these late medieval French and Italian poets prompt us to rethink not only the relationship between scientific and literary authority at the close of the middle ages but more broadly speaking the very notion of therapy From publisher s website [On Biblical Poetry](#) F.W. Dobbs-Allsopp, 2015-08-19 On Biblical Poetry considers the characteristics of biblical Hebrew Poetry beyond its currently best known feature parallelism F W Dobbs Allsopp

demonstrates the many interesting and valuable interpretations that yield from a series of programmatic essays on major facets of biblical verse careful attention to prosody and close reading *Living Death in Medieval French and English Literature* Jane Gilbert, 2011-02-17 Medieval literature contains many figures caught at the interface between life and death the dead return to place demands on the living while the living foresee organize or desire their own deaths Jane Gilbert's original study examines the ways in which certain medieval literary texts both English and French use these living dead to think about existential ethical and political issues In doing so she shows powerful connections between works otherwise seen as quite disparate including Chaucer's Book of the Duchess and Legend of Good Women the Chanson de Roland and the poems of Francois Villon Written for researchers and advanced students of medieval French and English literature this book provides original provocative interpretations of canonical medieval texts in the light of influential modern theories especially Lacanian psychoanalysis presented in an accessible and lively way **Song, Landscape, and Identity in Medieval Northern France** Jennifer Saltzstein, 2023-05-30 Song Landscape and Identity in Medieval Northern France explores how medieval song expressed relationships between people and their environments Integrating musicology with literary studies ecocriticism and environmental history author Jennifer Saltzstein compares the nature imagery that pervades the songs of the trouvères of northern France to the physical terrain and climate of the lands on which their authors lived Through close readings of music text relationships she reveals how for many medieval songwriters identity was tied to place and configured through attachment to specific landscapes The French Tradition and the Literature of Medieval England William Calin, 1994-12-15 The French presence in English literary history in the centuries following the Conquest has to some extent been glossed over or treated as an interlude During this period roughly 1100-1420 French like Latin was the language of the educated in the courts of England and for nobles clerics and the rising commercial elements communication was multilingual In his ground breaking study William Calin explores in depth this era of medieval English literature and culture in relation to its distinctly French influences and contemporaries He examines the Anglo Norman contribution to medieval literature concentrating on romance and hagiography the great continental French texts such as Prose Lancelot and the Romance of the Rose which had a dominant role in shaping literature in English and the English response to the French cultural world the two modes in English where the French presence was most significant court poetry Chaucer Gower Hoccleve and Middle English romance This book is grounded in French sources both well known and relatively obscure Translations of the Old French make The French Tradition and the Literature of Medieval England accessible to scholars and students of Medieval English comparatists and historians as well as those proficient in French Calin develops a synthesis of medieval French and English literature that will be especially useful for classroom study *Guillaume de Machaut* Lawrence Earp, 2013-08-21 This book provides an overview of the current state of research on Machaut the major figure of 14th century French music and poetry giving fair representation to the many areas of Machaut research that are pursued in fields outside music

Coverage of the current state of knowledge on each of the manuscripts includes the newly discovered Aberystwyth manuscript described in detail here for the first time A section on the large narrative poems pulls together recent research of several scholars and offers new views An up to date concordance of the miniatures in all of the illustrated Machaut manuscripts gives information on where published studies and facsimiles may be found The discography is the most complete list of Machaut recordings yet compiled and provides critical evaluations of recordings most valuable for instruction according to our latest conception of performance practice in the 14th century A biography section organizes the documentary material in a way that will facilitate further research The bibliography of secondary works cites books editions articles and dissertations including forthcoming works from 1740 to 1991 in French English the other western European languages Polish Russian and Japanese The volume is fully indexed

The Symphonic Poem in Britain, 1850-1950
Michael Allis, Paul Watt, 2020 The Symphonic Poem in Britain 1850-1950 aims to raise the status of the genre generally and in Britain specifically The volume reaffirms British composers confidence in dealing with literary texts and takes advantage of the contributors interdisciplinary expertise by situating discussions of the tone poem in Britain in a variety of historical analytical and cultural contexts This book highlights some of the continental models that influenced British composers and identifies a range of issues related to perceptions of the genre Richard Strauss became an important figure in Britain during this time not only in terms of the clear impact of his tone poems but the debates over their value and even their ethics A focus on French orchestral music in Britain represents a welcome addition to scholarly debate and links to issues in several other chapters The historical development of the genre the impact of compositional models issues highlighted in critical reception as well as programming strategies all contribute to a richer understanding of the symphonic poem in Britain Works by British composers discussed in more detail include William Wallace's Villon 1909 Gustav Holst's Beni Mora 1909-10 Hubert Parry's From Death to Life 1914 John Ireland's Mai Dun 1921 and Frank Bridge's orchestral poems 1903-15

Courtly Pastimes Gloria Allaire, Julie Human, 2022-11-25 The modern concept of passing leisure hours pleasantly would in the Middle Ages have fallen under the rubric of Sloth a deadly sin Yet aristocrats of past centuries were not always absorbed in affairs of state or warfare What did they do in moments of peace downtime as we might call it today In this collection of essays scholars from various disciplines investigate courtly modes of entertainment ranging from the vigorous to the intellectual hunting jousting horse racing physical and verbal games reading writing and book ownership Favorite pastimes spanned differences of gender and age and crossed geographical and cultural boundaries Literary and historical examples come from England France Germany Spain and Italy *Courtly Pastimes* analyzes the underlying rationales for such activities to display power and prestige to acquire cultural capital to instill a sense of community or to build diplomatic alliances Performativity so crucial in social rituals could become transgressive if taken to extremes Certain chapters explore the spaces of courtliness literal or imaginary man made natural or a hybrid of both Other chapters concern materiality and visual

elements associated with courtly pastimes from humble children's toys and playthings to elite tournament attire castle murals and manuscript illuminations

Baudelaire Nicolae Babuts,1997 In his poetry and critical writings Baudelaire performs a vast fusion of experiential and literary sources explores in a more resolute manner the domain of correspondences and thereby marks a radical departure from the accepted norms He challenges humbles and then reaffirms and recenters Western tradition That is his finest achievement

Reading Undercover Anne L. Birberick,1998-12 This study examines author audience relations in the works of the seventeenth century French poet Jean de La Fontaine Focusing on the Fables Les Amours de Psyche et de Cupidon and the Contes Anne L Birberick explores how La Fontaine remains a largely subversive artist even while he seeks to establish himself within a conventional system of literary patronage Birberick offers an anatomy of readers as she shows how La Fontaine simultaneously appeals to multiple readers whose tastes range from the literal to the ironic from the orthodox to the heterodox To negotiate successfully between and among such diverse audiences the poet employs techniques of concealment and disclosure to foster an anticanonical public

The Monstrous New Art Anna Zayaruznaya,2015-04-02 Late medieval motet texts are brimming with chimeras centaurs and other strange creatures In *The Monstrous New Art* Anna Zayaruznaya explores the musical ramifications of this menagerie in the works of composers Guillaume de Machaut Philippe de Vitry and their contemporaries Aligning the larger forms of motets with the broad sacred and secular themes of their texts Zayaruznaya shows how monstrous or hybrid exempla are musically sculpted by rhythmic and textural means These divisive musical procedures point to the contradictory aspects not only of explicitly monstrous bodies but of such apparently unified entities as the body politic the courtly lady and the Holy Trinity Zayaruznaya casts a new light on medieval modes of musical representation with profound implications for broader disciplinary narratives about the history of text music relations the emergence of musical unity and the ontology of the musical work

Poeticized Language Jean-Jacques Thomas,Steven Winspur,2010-11-01

[La Fontaine's Complete Tales in Verse](#) Jean de La Fontaine,2009-03-23 Though they were first written over 300 years ago this is the first complete English translation of Jean de La Fontaine's comedic classic Contes et nouvelles en vers Both sexually charged and wickedly funny La Fontaine's Tales will surprise readers who know him only from his work on fables for children Though the writing is more suggestive than vulgar it still has the power to shock readers unprepared for the darkness that inhabits these poems Included are nearly seventy illustrations dating from the 18th and 19th centuries many of them rare as well as extensive commentary by the editor

Printers without Borders A. E. B. Coldiron,2015-04-09 This innovative study shows how printing and translation transformed English literary culture in the Renaissance Focusing on the century after Caxton brought the press to England in 1476 Coldiron illustrates the foundational place of foreign especially French language materials The book reveals unexpected foreign connections between works as different as Caxton's first printed translations several editions of Book of the Courtier sixteenth century multilingual poetry and a royal Armada broadside Demonstrating a new way of writing literary history

beyond source influence models the author treats the patterns and processes of translation and printing as co transformations This provocative book will interest scholars and advanced students of book history translation studies comparative literature and Renaissance literature Charles D'Orléans' English Aesthetic R.
