The Land That Time Forgot:

The Land That Time Forgot Edgar Rice Burroughs, 2023-12-17 The Land That Time Forgot is a fantasy novel by American writer Edgar Rice Burroughs the first of his Caspak trilogy His working title for the story was The Lost U Boat The sequence was first published in Blue Book Magazine as a three part serial in the issues for September October and November 1918 The complete trilogy was later combined for publication in book form under the title of the first part by A C McClurg in June 1924 Beginning with the Ace Books editions of the 1960s the three segments have usually been issued as separate short novels Starting out as a harrowing wartime sea adventure Burroughs s story ultimately develops into a lost world story reminiscent of such novels as Sir Arthur Conan Doyle s The Lost World 1912 and Jules Verne s The Mysterious Island 1874 and Journey to the Center of the Earth 1864 Burroughs adds his own twist by postulating a unique biological system for his lost world in which the slow progress of evolution in the world outside is recapitulated as a matter of individual metamorphosis This system is only hinted at in The Land That Time Forgot presented as a mystery whose explication is gradually worked out over the course of the next two novels it forms a thematic element serving to unite three otherwise rather loosely linked stories After reading this far my interest which already had been stimulated by the finding of the manuscript was approaching the boiling point I had come to Greenland for the summer on the advice of my physician and was slowly being bored to extinction as I had thoughtlessly neglected to bring sufficient reading matter Being an indifferent fisherman my enthusiasm for this form of sport soon waned yet in the absence of other forms of recreation I was now risking my life in an entirely inadequate boat off Cape Farewell at the southernmost extremity of Greenland Greenland As a descriptive appellation it is a sorry joke but my story has nothing to do with Greenland nothing to do with me so I shall get through with the one and the other as rapidly as possible *The Land That Time Forgot* Edgar Rice Burroughs, 2021-01-01 The first in the famous fantasy series writer Edgar Rice Burroughs s Caspak trilogy The Land That Time Forgot was first published in Blue Book Magazine in 1918 Starting out as a harrowing wartime sea adventure Burroughs s story ultimately develops into a lost world story reminiscent Burroughs adds his own twist by postulating a unique biological system for his lost world in which the slow progress of evolution in the world outside is recapitulated as a matter of individual metamorphosis This system is only hinted at in The Land That Time Forgot presented as a mystery whose explication is gradually worked out over the course of the next two novels it forms a thematic element serving to unite three otherwise rather loosely linked stories **The Land That Time Forgot (Annotated)** Edgar Rice Burroughs, 2016-02-17 The Land That Time Forgot is a fantasy novel by American writer Edgar Rice Burroughs the first of his Caspak trilogy His working title for the story was The Lost U Boat The sequence was first published in Blue Book Magazine as a three part serial in the issues for September October and November 1918 The complete trilogy was later combined for publication in book form under the title of the first part by A C McClurg in June 1924 *The Land That Time Forgot* Edgar Rice Edgar Rice
