The Last Gamble:

The Last Gamble Rae Foley,1956 **The Last Oil Shock** David Strahan,2011-08-04 This may be the most important book you or anyone else will read in the next fifty years Assuming humanity survives that long Draining the lifeblood of industrial civilization the terminal decline of oil and gas production will spark a crisis far more dangerous than international terrorism and more urgent than climate change World leaders know it so why aren't they telling The last oil shock is the secret behind the crises in Iraq and Iran the reason your gas bill is going through the roof the basis of a secret deal cooked up in Texas between George Bush and Tony Blair the cause of an imminent and unprecedented economic collapse and the reason you may soon be kissing your car keys and boarding pass goodbye David Strahan explains how we reached this critical state how the silence of governments oil companies and environmentalists conspires to keep the public in the dark what it means for energy policy and what you can do to protect yourself and your family from the ravages of the last oil shock

Left to Die Dan Kurzman,2010-06-15 From the award winning author of Fatal Voyage comes the first full account of one of World War II's most secret scandals In November 1942 a Japanese torpedo destroyed the USS Juneau killing 700 men From extensive interviews Kurzman reveals the agonizing truth behind one of America's greatest military tragedies *The Art of Decisions* Chris Blake,2010 The Fast Paced Fun to Read Guide to Making Better Decisions How much information do you really need to make a business decision Why don't past winners keep on winning When should you fold your hand and when should you press on In *The Art of Decisions* Chris Blake reveals the amazing hidden realities beneath human decision making and helps you optimize every decision you make Blake begins by exploding the 1 myth of decision making the idea that if you have enough knowledge you can engineer away all risk and make a rational objective decision that's nearly guaranteed to succeed Next Blake turns to the decision making process itself teaching better ways to make decisions in a world full of uncertainty randomness and tough luck Drawing on the secrets of psychology poker and probability you'll learn how to identify and overcome biases and errors that constantly creep into the decision making process You'll discover the power and pitfalls of intuition in familiar and unfamiliar environments and learn rules of thumb drawn from fields as diverse as gambling and computer programming You're human You'll never be perfect But if you want to be right more often when it matters most this book will get you there Decision making lessons from Texas Hold'em What to do about the risks and randomness you can't eliminate Follow your instinct or follow the rules When to use your intuition and when to doubt it Know when it's time to decide How to know when you know enough Make better decisions in unfamiliar environments Hire a guide or make a map **Reader's Guide to Military History** Charles Messenger,2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war

place in Obersalzberg from the 1920s until the U S Army returned control of the area to the German government in 1995 Concentrating primarily on the years when Hitler was in residence it discusses his original acquaintance with Berchtesgaden and focuses on the symbolism of self identity and public perception Provided by publisher **The Kaiser's Lost Kreuzer** Paul N. Hodos, 2018-01-14 In the final year of World War I Germany made its first attempt to wage submarine warfare off faraway shores Large long range U boats short for unterseeboot or undersea boat attacked Allied shipping off the coasts of the U S Canada and West Africa in a desperate campaign to sidestep and scatter the lethal U boat defenses in European waters Commissioned in 1917 U 156 raided commerce transported captured cargo and terrorized coastal populations from Madeira to Cape Cod In July 1918 the USS San Diego was sunk as it headed into New York Harbor the opening salvo in a month long series of audacious attacks by U 156 along the North American coast The author chronicles the campaign from the perspective of Imperial Germany for the first time in English **The National Being: Some Thoughts on an Irish Polity** George William Russell, 2019-12-19 In *The National Being: Some Thoughts on an Irish Polity* George William Russell who wrote under the pseudonym crafts a profound meditation on the essence of Irish identity sovereignty and the constructs of nationhood in the early 20th century Through a lyrical and poetic prose style that blends personal reflection with political discourse Russell captures the zeitgeist of a country wrestling with its colonial past while aspiring towards a future defined by self determination The book resonates deeply with the cultural revival of the time serving as both critique and manifesto for a reimagined Irish polity that embraces its unique heritage and spiritual ethos George William Russell a key figure in the Irish Literary Revival was deeply influenced by his experiences in a divided Ireland where he perceived the urgent need for a cohesive national identity His engagement with various aspects of Irish culture folklore and spirituality propelled him to explore the philosophical underpinnings of nationalism illuminating the intricacies of the socio political landscape Russell s artistic endeavors as a poet painter and editor further informed his perspective making him an essential voice in the dialogue surrounding Irish nationalism For readers seeking a nuanced understanding of Irish identity and the philosophical discourse surrounding nationalism *The National Being* is an essential read Russell s eloquence and depth of thought provide a compelling exploration of the forces shaping Ireland s political landscape making it invaluable for scholars students and anyone interested in the intricate tapestry of Irish history and culture **Corps Commanders of the Bulge** Harold R. Winton, 2016-07-10 If the Battle of the Bulge was Germany s last gasp it was also America s proving ground the largest single action fought by the U S Army in World War II Taking a new approach to an old story Harold Winton widens our field of vision by showing how victory in this legendary campaign was built upon the remarkable resurrection of our truncated interwar army an overhaul that produced the effective commanders crucial to GI success in beating back the Ardennes counteroffensive launched by Hitler s forces Winton s is the first study of the Bulge to examine leadership at the largely neglected level of corps command Focusing on the decisions and actions of six Army corps commanders Leonard Gerow Troy

Middleton Matthew Ridgway John Millikin Manton Eddy and J Lawton Collins he recreates their role in this epic struggle through a mosaic of narratives that take the commanders from the pre war training grounds of America to the crucible of war in the icy cold killing fields of Belgium and Luxembourg Winton introduces the story of each phase of the Bulge with a theater level overview of the major decisions and events that shaped the corps battles and for the first time fully integrates the crucial role of airpower into our understanding of how events unfolded on the ground Unlike most accounts of the Ardennes that chronicle only the periods of German and American initiative Winton s study describes an intervening middle phase in which the initiative was fiercely contested by both sides and the outcome uncertain His inclusion of the principal American and German commanders adds yet another valuable layer to this rich tapestry of narrative and analysis Ultimately Winton argues that the flexibility of the corps structure and the competence of the men who commanded the six American corps that fought in the Bulge contributed significantly to the ultimate victory Chronicling the human drama of commanding large numbers of soldiers in battle he has produced an artful blend of combat narrative collective biography and institutional history that contributes significantly to the broader understanding of World War II as a whole With the recent modularization of the U S Army division which makes this command echelon a re creation of the corps of World War II Corps Commanders of the Bulge also has distinct relevance to current issues of Army transformation

Those who Hold Bastogne Peter Schrijvers,2014-01-01 A new telling of the brutal siege of Bastogne where vastly outnumbered American forces held off a savage German onslaught and sealed the fate of the Third Reich Hitler s last gamble the Battle of the Bulge was intended to push the Allied invaders of Normandy all the way back to the beaches The plan nearly succeeded and almost certainly would have were it not for one small Belgian town and its tenacious American defenders who held back a tenfold larger German force while awaiting the arrival of General George Patton s mighty Third Army In this dramatic account of the 1944 45 winter of war in Bastogne historian Peter Schrijvers offers the first full story of the German assault on the strategically located town From the December stampede of American and Panzer divisions racing to reach Bastogne first through the bloody eight day siege from land and air and through three more weeks of unrelenting fighting even after the siege was broken events at Bastogne hastened the long awaited end of WWII Schrijvers draws on diaries memoirs and other fresh sources to illuminate the experiences not only of Bastogne s 3 000 citizens and their American defenders but also of German soldiers and commanders desperate for victory The costs of war are here made real uncovered in the stories of those who perished and those who emerged from battle to find the world forever changed

The Last Gamble Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Last Gamble has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Last Gamble has opened up a world of possibilities. Downloading The Last Gamble provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Last Gamble has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Last Gamble. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Last Gamble. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Last Gamble, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Last Gamble has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
