In the Arms of Baby Hop Kenneth Attaway,2006-10 Many times in my adult life I have had what I would call an awake out of body experience During these times I was peeking in at my life in a dream state thinking this cannot be my life I found myself asking the questions of what happened to the child who outsmarted the world and what happened to the teen who had all the answers and confidence to boot and the young adult who never settled for can't Well somewhere along the way the only thing left of who I was once was were just shreds of an almost non-existent life Now don't get me wrong there were some good times along the way but it certainly was not always smooth sailing But what came later in life was no comparison to the early years Not that long ago my life was filled with disappointment brokenness worry anxiety and

fear I survived breakups and breakdowns sadness and pain grief and loss beyond description all of which led to a one way ticket to Depression Central Getting off the road to depression was very difficult for me but there is no job too hard for God If you can relate to the paralyzing despair that I went through then please know that I fellowship with you and understand the grip depression and anxiety can have on your life However I want you to know that your destination does not have to be a one way ticket to the land of despair instead your journey can bring you to a place of joy and peace if you simply trust and believe in God

Passion for the Heist K'wan,2024-08-27 A crime would bring them together grief would bind them and love would make them famous Parish Pain Wells is a man freshly reintroduced to society after serving time in state prison Prior to his fall Pain had been a heist man who showed the promise of someone who could go on to be a legend His trajectory changed on the night he had made the mistake of accepting a ride from a friend and found himself behind bars for the one crime he hadn't committed Several years later Pain returns home to a world that wouldn't piss on him if he was on fire The only one who still remains in his corner is his ailing grandmother It's for her sake that Pain tries to stay on the straight and narrow He's tired of breaking her heart and vows to be a good grandson but when her medical bills start mounting he finds himself backed into a corner He needs money fast and there's only one way he knows how to get it Since her parents died and Passion Adams found herself a ward of her estranged uncle a gangster who everyone calls Uncle Joe her life has been on a constant downward spiral She moves like a ghost from one day to the next numbing her pain with drugs and alcohol while seeking thrills in unsavory places One morning Passion finds herself the victim of a robbery and the thieves snatch from her the only thing of value that she has left in the world a locket containing the ashes of her deceased parents Passion is devastated fearing she would never see the locket again until it shows up later in the hands of a handsome stranger who brings something into Passion's life that has eluded her since the death of her parents hope The two broken souls find themselves inescapably drawn into each other's orbits and begin their journey of finding lives outside the ones of poverty and sorrow that their worlds had condemned them
