**The Last Hunt** Jackson S. Whitman, 2017-02-10 Two not quite over the hill Dall sheep hunters take in one last hunt flying into the vast and unforgiving Chugach Mountain Range in Southcentral Alaska Tragedy strikes the pair early on and one of them is dead The story that ensues is a wholly convincing account of the other hunters epic journey out of the mountains through countless hardships and hostile land but at the same time he traverses a majestically beautiful country called Alaska

From First Life, To the Last Hunt Bo Wafford, 2011-03-02 Bo Wafford is an avid hunter fisherman father and grandfather with five great grandchildren After living and traveling over much of the world during his life he now spends his days in Mt Vernon Texas within four miles of where he was born He grew up in Northeast Texas the son of a farmer spending as much time picking cotton as in school A desire to find adventure in his life led him to enlist in the Air Force Bo served twenty one years in the United States Air Force retiring in 1974 The next phase of life led him to a career as a hunting guide He guided and hunted all over the world including Australia Uruguay Alaska and many more locations He still guides occasionally at the world famous Y O Ranch Mountain Home Texas where he guided throughout his career Among hunters he has guided over the years Bo is known as The Legend From First Life to the Last Hunt chronicles the hardships of his early years and a life full of adventures Bo guarantees every story to be true and authentic most of the time *The Last Hunt in Early County*

John C. Blythe, 2009-07-27 It is hard to say exactly what it is that makes friendships develop There is certainly the bond of common interest But friendship is more than that It grows stronger with shared adventure shared pain and shared laughter I have a better insight into why you enjoyed those trips to South Georgia Ruth said after proofing the chapters for me but she expressed concern that some of the stories might be too ribald for the grandchildren to read But I am only relating what was said and done as best I can remember When I told Paul that I was writing about the trips he also suggested that I might not want to tell it all But I did all that came to mind anyway To really understand you ve got to know it all The stories in this book are about the annual quail hunting trips Paul and I made to Early County Georgia over a period of twelve or so years More than that the book is about the friendships that four men developed and the bonds that grew over the years William and Paul lived in the same dormitory when they were students at Auburn University in the late 1950 s During that time they began making a yearly trip to quail hunt at William s family farm just north of Blakely and after Paul retired from the Marines they took up the tradition again In February 1993 they invited me to join them You will see from these dates that we were not spring chickens when the hunts occurred The exception is Toby the sprightly young grig who was a friend and neighbor of William I use neighbor in the rural sense because they were not in hollering distance of each other I could tell that they had a bond when I met them and that Toby went to choir practice with William s older buddies Choir practice was William s euphemism for playing poker I do not think that either had a corrupting influence on the other They were also fishing and hunting partners the same as Paul and I Anyone who loves dogs will understand the special bond that develops between

owner and dog or in my case it seems between owner and man I love my dogs and thank God Ruth does too probably more than I do This story is about them too Most of all the story is about the gentleman himself Mr Bob White I fear that I have not done him justice because he is hard to describe He is fast agile allusive elusive evasive and smart He is gregarious with his clan and forms a covey that moves like an army and springs into the air simultaneously each foot seeming to leave the ground at the same millisecond Covey rises always seem choreographed and even when you know it is about to happen it is like a surprise a startle The sound of a covey rise is frequently expressed as being like an explosion or thunder or eruption but it is not like that Actually the sound comes from the wing beats and the pounding of the feathered appendage against the feathered body But you just have to be there Paul and I live in east central Alabama the lower Piedmont part of the Appalachian foot hills Here quail and quail habitat have largely disappeared over the last half century as patch or subsistence farming has drastically declined Quail do not do well in cow pastures and pine plantations The opportunity for us to hunt birds in Early County Georgia was a thrill difficult to over state      [Catalog of Copyright Entries](#) Library of Congress.
