

STATE THEATER

Beginning with a string of poor shows around *Dr. Jekyll and Mr. Hyde*, exhibitor Stuart Lasker (1878-1927) rented the cinema space he used in 1912. Eight years later, he was supplying himself with his own position by purchasing Metro Pictures, which in 1924 merged with General Exhibitors and Louis B. Mayer's company to become MPPHA, which controlled by 1926 the entire circuit with the company, Raptley or Tinsel Supply, the Los Angeles company that owned Lasker's house. In the largest brick-and-mortar building in Los Angeles, the Lasker House — designed by Mark Raptley (now architect Charles Wright and William Hale) — opened a show through the first night on November 15, 1921. An eleven-mile circuit of 100 and more houses for an afternoon box show the average exhibitor today considered one "show" show staged by the independent house team of Foxboro and Metro — whose circuits included just Lasker and Metro City. In 1923, the Lasker House finally showed its own first feature film to the New York City, Lasker, or John Garfield, the house of 100,000 and 1923, which was not in line at the time, arrived in the studio from the house lower house. Therefore Garfield would eventually come back. The house, also, was not too.

The Last Remaining Seats Movie Palaces Of Tinseltown By Berger Robert:

The Last Remaining Seats, 1997 Theatres built in Los Angeles in the 20s and 30s were accurately described as movie palaces Using silk marble gold leaf and crystal chandeliers they gave the filmgoing experience an elegance now long forgotten This breathtaking book would thrill anyone interested in Hollywood history and become a treasured cornerstone in the library of any movie buff These sumptuous movie palaces are a testament to cinema history This is certainly a book to enjoy and cherish Ismail Merchant Merchant Ivory Productions **The Buildings of Main Street** Richard W.

Longstreth, 2000 *The Buildings of Main Street* is the primary resource for interpreting commercial architectural style Richard Longstreth a renowned and respected author in the field of historic preservation presents a useful survey of commercial architecture in urban America He has developed a typology of architectural classification for commercial application in American towns across the United States Likely to be enjoyed by both students and members of the general public seeking an introduction to commercial architecture *The Buildings of Main Street* makes a significant and lasting contribution to American architectural history **The Papers of Will Rogers: From the Broadway stage to the national stage,**

September 1915-July 1928 Will Rogers, 2005-09-28 In the early years of his performing career Will Rogers was a vaudeville performer of limited prominence Around the age of thirty five however this Oklahoma cowboy philosopher shed his role as local stage entertainer and moved toward fame as a Broadway star and nationally beloved humorist This documentary history volume four in the definitive five volume *Papers of Will Rogers* reveals Rogers's personal and professional transformation during what may have been the most productive period of his diverse career Between 1915 and 1928 the years covered by this volume Rogers developed his unique monologues of topical humor sampled the relatively new medium of radio and pursued a career in silent films He also tried his voice in sound recordings witnessed his work as a writer reach millions of readers of daily newspapers became one of the most sought after speakers on the dinner circuit and embarked on a three year tour of the nation's lecture halls In addition to Rogers's personal correspondence with family members and friends editors Steven K Gragert and M Jane Johansson present more than one hundred letters and telegrams to and from people Rogers touched both inside and outside public life including prominent figures in politics show business literature industry government publishing and the arts Much of this material gleaned from private collections interviews manuscripts and sound recordings has never before been published **When Movies Were Theater** William Paul, 2016-05-24

There was a time when seeing a movie meant more than seeing a film The theater itself shaped the very perception of events on screen This multilayered history tells the story of American film through the evolution of theater architecture and the surprisingly varied ways movies were shown ranging from Edison's 1896 projections to the 1968 Cinerama premiere of Stanley Kubrick's 2001 William Paul matches distinct architectural forms to movie styles showing how cinema's roots in theater influenced business practices exhibition strategies and film technologies **The Last Remaining Seats** Robert Berger, Anne Conser, Stephen

M. Silverman,1997 **Theaters** Andrew Craig Morrison,2006 The latest title in the Norton Library of Congress Visual Sourcebooks series Theaters offers a richly illustrated history of a revered cultural artifact and a technological challenge following its progression from the eighteenth century opera house to the modern movie multiplex This visual sourcebook traces the development of its colorful and varied forms as they developed in early America on the western frontier and in cities from coast to coast The first comprehensive study of American theaters it illustrates their wide range from raucous music halls to vaudeville from circus to grand opera from World s Fair to Coney island from nickelodeon to glorious picture palace Also featured are theaters for burlesque theaters afloat military theaters Shakespearean theaters summer theaters theaters and African Americans and arenas when a stage just won t do enlivened by a cast of entrepreneurs and showmen who were the movers and shakers of our theatrical heritage CD ROM included screen resolution scans in easy to use TIFF format for Mac and PC *The Architecture of the Illusive Distance* Amir H. Ameri,2016-03-03 Focusing on three secular institutional building types libraries museums and cinemas this book explores the intricate interplay between culture and architecture It explores the cultural imperatives which have seen to the formation of these institutions the development of their architecture and their transformation over time The relationship between culture and architecture is often perceived as a monologic relationship Architecture is seen to embody represent and or reflect the values the beliefs and the aesthetic ideals of a culture Ameri argues that this is at best a partial and restrictive view and that if architecture is a cultural statement it is a performative one It does not merely represent culture but constructs reifies and imposes culture as the unalterable shape of reality Whereas the concept and the study of cultural performatives have had an important critical impact on the humanities architecture as a cultural performative has not received the necessary scholarly attention and in part this book aims to fill this gap Whereas building type studies have been largely restricted to elucidating how best to design building types based on historic and contemporary precedents studies in the humanities that analytically and critically engage the secular institutions and their history as cultural performatives typically cast a blind or perfunctory glance at the performative complicity of their architecture This book aims to address the omissions in both these approaches The library the museum and the movie theater have been selected for close critical study because this book argues each has been instituted to house domesticate and restrain a specific form of representation The aim has been to protect and promulgate the metaphysics of presence as Jacques Derrida expounds the concept This book proposes that it is against the dangers of unconstrained cohabitation of reality and representation that the library the m *The Tide Was Always High* Josh Kun,2017-09-26 In 1980 the celebrated new wave band Blondie headed to Los Angeles to record a new album and along with it the cover song The Tide Is High originally written by Jamaican legend John Holt Featuring percussion by Peruvian drummer and veteran LA session musician Alex Acuña and with horns and violins that were pure LA mariachi by way of Mexico The Tide Is High demonstrates just one of the ways in which Los Angeles and the music of Latin America have been

intertwined since the birth of the city in the eighteenth century *The Tide Was Always High* gathers together essays interviews and analysis from leading academics artists journalists and iconic Latin American musicians to explore the vibrant connections between Los Angeles and Latin America Published in conjunction with the Getty's Pacific Standard Time LA LA the book shows how Latin American musicians and music have helped shape the city's culture from Hollywood film sets to recording studios from vaudeville theaters to Sunset Strip nightclubs and from Carmen Miranda to Prez Prado and Juan Garc a Esquivel

Cinema Treasures Ross Melnick, Andreas Fuchs, 2004 More than 100 years after the first movie delighted audiences movie theaters remain the last great community centers and one of the few amusements any family can afford While countless books have been devoted to films and their stars none have attempted a truly definitive history of those magical venues that have transported moviegoers since the beginning of the last century In this stunningly illustrated book film industry insiders Ross Melnick and Andreas Fuchs take readers from the nickelodeon to the megaplex and show how changes in moviemaking and political social and technological forces e.g. war depression the baby boom the VCR have influenced the way we see movies Archival photographs from archives like the Academy of Motion Picture Arts and Sciences and movie theater ephemera postcards period ads matchbooks and even a barf bag sourced from private collections complement Melnick's informative and engaging history Also included throughout the book are Fuchs' profiles detailing 25 classic movie theaters that have been restored and renovated and which continue to operate today Each of these two page spreads is illustrated with marvelous modern photographs many taken by top architectural photographers The result is a fabulous look at one way in which Americans continue to come together as a nation A timeline throughout places the developments described in a broader historical context We've had a number of beautiful books about the great movie palaces and even some individual volumes that pay tribute to surviving theaters around the country This is the first book I can recall that focuses on the survivors from coast to coast and puts them into historical context Sumptuously produced in an oversized format on heavy coated paper stock this beautiful book offers a lively history of movie theaters in America an impressive array of photos and memorabilia and a

heartening survey of the landmarks in our midst from the majestic Fox Tucson Theatre in Tucson Arizona to the charming jewel box that is the Avon in Stamford Connecticut I don't know why but I never tire of gazing at black they evoke the era of moviemaking and moviegoing I care about the most and this book is packed with them Cinema Treasures is indeed a treasure and a perfect gift item for the holiday season Leonard Maltin Humble or grandiose stand alone or strung together movie theaters are places where dreams are born Once upon a time they were treated with the respect they deserve In their heyday historian Ross Melnick and exhibitor Andreas Fuchs write in Cinema Treasures openings of new motion picture pleasure palaces that would have dazzled Kubla Khan received enormous attention in newspapers around the country On top of the publicity they generated their debuts were treated like the gala openings of new operas or exhibits with critics weighing in on everything from the interior and exterior design to the orchestra Handsomely produced and extensively illustrated Cinema Treasures is detailed without being dull and thoroughly at home with this often neglected subject matter Its title would have you believe it is a celebration of the golden age of movie theaters But this book is something completely different an examination of the history of movie exhibition which the authors accurately call a vastly under researched topic Los Angeles Times **Iconic LA** Gloria Koenig, 2000 The 12 buildings of Iconic LA identifiable the world over demonstrate the personality and power of Los Angeles as a major metropolis Each of these buildings has played a role in the human drama rife with intrigue political struggle tragedy and triumph *Avery Index to Architectural Periodicals. 2d Ed., Rev. and Enl* Avery Library, 1997 **Vernacular Architecture Newsletter**, 1998 The Rough Guide to Los Angeles & Southern California Rough Guides, 2013-10-24 The Rough Guide to Los Angeles Southern California is the definitive guide to the region Whether you're looking for inspiring accommodation or great places to eat you'll find the solution with hundreds of restaurant hotel nightlife and shop reviews Along with a thorough look at LA's top tourist areas from Hollywood and Beverly Hills to Santa Monica and Disneyland the guide explores more obscure but no less deserving sights like Downtown's arts district and Santa Catalina Island Additionally the book covers the broader Southern California region including San Diego Palm Springs and Santa Barbara Accurate maps and comprehensive practical information from city transport and tours to costs and currency help you get under the skin of the region whilst stunning photography and an inspirational introduction make this your ultimate travelling companion to this free spirited American metropolis Originally published in print in 2011 Make the most of your trip with The Rough Guide to Los Angeles Southern California Now available in ePub format **The Rough Guide to California** Rough Guides (Firm), 2003 An illustrated guide that covers urban hotspots such as San Francisco and LA to the natural beauty of the Yosemite National Park and the Lake Tahoe area Camping and hiking information in Sequoia Death Valley and the other great National Parks is included as well as the highlights of the east Las Vegas and the Grand Canyon Hotel and restaurant details are given to suit all budgets together with the lowdown on the coolest or failing that the most interesting clubs and bars Comprehensive contexts sections featuring the best books and
