

The Last Tsar

Jane Yolen, Adam Stemple

The Last Tsar:

The Last Tsar Edvard Radzinsky, 2011-03-30 Russian playwright and historian Radzinsky mines sources never before available to create a fascinating portrait of the monarch and a minute by minute account of his terrifying last days The Last Tsar Tsuyoshi Hasegawa, 2024-12-03 Elegantly written and magisterially researched Robert Service author of *A History of Modern Russia* the definitive story behind the self destruction of the autocratic Romanov dynasty by the world's foremost expert When Tsar Nicholas II fell from power in 1917 Imperial Russia faced a series of overlapping crises from war to social unrest Though Nicholas's life is often described as tragic it was not fate that doomed the Romanovs it was poor leadership and a blinkered faith in autocracy Based on a trove of new archival discoveries *The Last Tsar* narrates how Nicholas's resistance to reform doomed the monarchy Encompassing the captivating personalities of the era it untangles the struggles between the increasingly isolated Nicholas and Alexandra and the factions of scheming nobles ruthless legislators and pragmatic generals who sought to stabilize the restive Russian empire either with the Tsar or without him By rejecting compromise Nicholas undermined his supporters at crucial moments His blunders cleared the way for all out civil war and the eventual rise of the Soviet Union Definitive and engrossing *The Last Tsar* uncovers how Nicholas II stumbled into revolution taking his family the Romanov dynasty and the whole Russian Empire down with him **Russia Under the Last Tsar** Theofanis G. Stavrou, 1969 The reign of Russia's last tsar Nicholas II from 1894 to 1917 constitutes a period of continuing controversy among historians Interesting in its own right it is also a time of great importance to an understanding of the cataclysmic events which follow *Nicholas II, The Last Tsar* Michael Paterson, 2017-07-13 The character of the last Tsar Nicholas II 1868-1918 is crucial to understanding the overthrow of tsarist Russia the most significant event in Russian history Nicholas became Tsar at the age of 26 Though a conscientious man who was passionate in his devotion to his country he was weak sentimental dogmatic and indecisive Ironically he could have made an effective constitutional monarch but these flaws rendered him fatally unsuited to be the sole ruler of a nation that was in the throes of painful modernisation That he failed is not surprising for many abler monarchs could not have succeeded Rather to be wondered at is that he managed for 23 years to hold on to power despite the overwhelming force of circumstances Though Nicholas was exasperating he had many endearing qualities A modern audience aware as contemporaries were not of the private pressures under which he lived can empathise with him and forgive some of his errors of judgement To some readers he seems a fool to others a monster but many are touched by the story of a well meaning man doing his best under impossible conditions He is in other words a biographical subject that engages readers whatever their viewpoint His family was of great importance to Nicholas He and his wife Alexandra married for love and retained this affection to the end of their lives His four daughters all different and intriguing personalities were beautiful and charming His son the family's and the nation's hope for the future was disabled by an illness that had to be concealed from Russia and from the world It was this circumstance that made possible

the nefarious influence of Rasputin which in turn hastened the end of the dynasty This story has everything romance and tragedy grandeur and misery human frailty and an international catastrophe that would not only bring down the Tsar but put an end to the glittering era of European monarchies **Michael and Natasha** Rosemary Crawford,Donald Crawford,1998 The unknown story of the last Tsar of Russia set against backdrop of wealth love sex royalty war revolution and murder The relationship and subsequent marriage of Michael and Natasha was one of Greatest scandals in Russian History It lead to Michael s disgrace humiliation and banishment Michael and Natasha is the first full account of this magnificent love story But it is also more than that It charts the decline of the last age of elegance and provides a fascinating insight into the daysleading up to the Russian Revolution This is an outstanding romance a Royal scandal and a compelling historical drama with a supremely tragic ending The Last of the Tsars Robert Service,2017-09-05 A riveting account of the last eighteen months of Tsar Nicholas II s life and reign from one of the finest Russian historians writing today In March 1917 Nicholas II the last Tsar of All the Russias abdicated and the dynasty that had ruled an empire for three hundred years was forced from power by revolution Now Robert Service the eminent historian of Russia examines Nicholas s life and thought from the months before his momentous abdication to his death with his family in Ekaterinburg in July 1918 The story has been told many times but Service s deep understanding of the period and his forensic examination of previously untapped sources including the Tsar s diaries and recorded conversations as well as the testimonies of the official inquiry shed remarkable new light on his troubled reign also revealing the kind of Russia that Nicholas wanted to emerge from the Great War The Last of the Tsars is a masterful study of a man who was almost entirely out of his depth perhaps even willfully so It is also a compelling account of the social economic and political ferment in Russia that followed the February Revolution the Bolshevik seizure of power in October 1917 and the beginnings of Lenin s Soviet socialist republic **The Last Tsar** Donald Crawford,2012 An historical biography of the last Tsar of Russia not Nicholas II but his brother Michael Emperor Michael II who succeeded to the throne when Nicholas abdicated in March 1917 Michael married to a double divorc e Natasha the daughter of a Moscow lawyer was the first Romanov murdered by the Bolsheviks five weeks before the other mass killings and because he was the Romanov who posed the greatest threat to them However they never admitted responsibility for his murder pretending instead that he had escaped This book based chiefly on original contemporary sources in Russia tells you what the Soviet Union intended that you should never know Does that matter now Very much so for unlike his brother Nicholas Michael can serve as the bridge between today s Russia and Tsarist Russia a gap which has yet to be closed As Viktor Yevtukhov appointed deputy Russian Minister of Justice in February 2011 has said We should know more about this man and remember him because this memory can give our society the ethical foundation we need This book will tell you why after almost a century that should be so From the tragedy of the past a hope for the future Michael Romanov Mikhail Aleksandrovich (Grand Duke of Russia),Helen Azar,2020 In Michael Romanov Brother of the Last Tsar translator Helen Azar

and Romanov historian Nicholas B A Nicholson present for the first time in English the annotated 1916 1918 diaries and letters of Grand Duke Michael from the period in which he learns of the murder of Rasputin attempts to preserve the throne for his brother Nicholas during the February Revolution and finds himself named Emperor when his brother abdicates not only for himself but for his son Alexei Michael s diaries provide rare insight into the fall of the Empire the rise and fall of the Provisional Government and the brief Russian republic and the terrifying days of the February and October Revolutions after which Michael finds himself a prisoner who would meet his end in the Siberian city of Perm

The Court of the Last Tsar
Greg King,2008-04-21 It was the most magnificent court in Europe a world of fairy tale opulence ornate architecture sophisticated fashion extravagant luxury and immense power In the last Russian imperial court a potent underlying mythology drove its participants to enact the pageantry of medieval Orthodox Russia infused with the sensibilities of Versailles against a backdrop of fading Edwardian splendor providing a spectacle of archaic ceremonies carefully orchestrated as a lavish stage upon which Nicholas II played out his tumultuous reign While a massive body of literature has been devoted to the last of the Romanovs The Court of the Last Tsar is the first book to examine the people mysteries traditions scandals rivalries rituals and riches that were part of everyday life in the last two decades of the Romanov dynasty It is as difficult for the twenty first century mind to imagine the pomp and splendor that accompanied the tsar and his family everywhere they went as it was for the simple Russian peasant toiling a thousand miles from St Petersburg This stunningly illustrated volume removes the mystery with more than a hundred black and white photos floor plans of the tsar s Winter Palace the Alexander Palace and the Grand Kremlin Palace a map of St Petersburg and plans of the imperial parks at Tsarskoye Selo and Peterhof This eye popping tour of hedonistic imperial Russia on the edge of oblivion draws on hundreds of previously unpublished primary sources including memoirs personal letters diary entries and official documents collected during author Greg King s fifteen years of research in Russia and elsewhere in Europe It invites you to experience dozens of extravagant ceremonies and entertainments attended only by members of the court exposes the numerous sexual intrigues of the imperial family including rape incest and brazen affairs and introduces many of the more than fifteen thousand individuals who made the imperial court a society unto itself Chief among these of course was Tsar Nicholas II He ruled an empire that stretched over one sixth of the earth s land surface but lacked according to one courtier both his father s inspiring presence and his mother s vibrant charm His wife Alexandra was a strong and passionate woman who never developed the social skills necessary to her rank Their wedding and the tsar s coronation are two of the most spectacular ceremonies described in this lavish volume Vetted with care by the last remaining members of the Russian imperial court The Court of the Last Tsar brings the people places and events of this doomed but unforgettable wonderland to vivid and sparkling life

The Last Tsar Donald Crawford,2011-10 The last Tsar of Russia was Michael II

The Last Tsar's Dragons
Jane Yolen,Adam Stemple,2019-06-19 Vivid gripping and actually riveting as the Red Danger takes a whole new meaning

here Loved it The Book Smugglers It is the waning days of the Russian monarchy A reckless man rules the land and his dragons rule the sky Though the Tsar aims his dragons at his enemies Jews and Bolsheviks his entire country is catching fire Conspiracies suffuse the royal court bureaucrats jostle one another for power the mad monk Rasputin schemes for the Tsar's ear and the desperate queen takes drastic measures to protect her family Revolution is in the air and the Red Army is hatching its own weapons Discover Russia's October Revolution reimagined in flight by the acclaimed mother and son writing team of the Locus Award winning novel Pay the Piper and the Seelie Wars series **Nicholas and Alexandra** Robert K. Massie, 2022-05-12 A biography of the last days and last rulers of the Russian Empire Tsar Nicholas II of Russia and his wife Alexandra **The Last of the Tsars** Robert Service, 2018-02-08 In March 1917 Nicholas II the last Tsar of All the Russias abdicated and the dynasty that had ruled an empire for three hundred years was forced from power by revolution In this masterful and forensic study Robert Service examines the last year Nicholas's reign and the months between that momentous abdication and his death with his family in Ekaterinburg in July 1918 Drawing on the Tsar's own diaries and other hitherto unexamined contemporary records The Last of the Tsars reveals a man who was almost entirely out of his depth perhaps even willfully so It is also a compelling account of the social economic and political foment in Russia in the aftermath of Alexander Kerensky's February Revolution the Bolshevik seizure of power in October 1917 and the beginnings of Lenin's Soviet Republic **Alexander II** Edvard Radzinsky, 2005-10-18 Alexander II was Russia's Lincoln and the greatest reformer tsar since Peter the Great He was also one of the most contradictory and fascinating of history's supreme leaders He freed the serfs yet launched vicious wars He engaged in the sexual exploits of a royal Don Juan yet fell profoundly in love He ruled during the Russian Renaissance of Dostoevsky Tolstoy and Turgenev yet his Russia became the birthplace of modern terrorism His story could be that of one of Russia's greatest novels yet it is true It is also crucially important today It is a tale that runs on parallel tracks Alexander freed 23 million Russian slaves reformed the justice system and the army and very nearly became the father of Russia's first constitution and the man who led that nation into a new era of western style liberalism Yet it was during this feverish time that modern nihilism first arose On the sidelines of Alexander's state dramas a group of radical disaffected young people first experimented with dynamite and first began to use terrorism Fueled by the writings of a few intellectuals and zealots they built bombs dug tunnels and planned ambushes They made no less than six unsuccessful attempts on Alexander's life Finally the parallel tracks joined when a small cell of terrorists living next door to Dostoevsky built the fatal bomb that ended the life of the last great Tsar It stopped Russian reform in its tracks Edvard Radzinsky is justly famous as both a biographer and a dramatist and he brings both skills to bear in this vivid page turning rich portrait of one of the greatest of all Romanovs Delving deep into the archives he raises intriguing questions about the connections between Dostoevsky and the young terrorists about the hidden romances of the Romanovs and about the palace conspiracies that may have linked hard line aristocrats with their nemesis the young nihilists Alexander's life proves the

timeless lesson that in Russia it is dangerous to start reforms but even more dangerous to stop them It also shows that the traps and dangers encountered in today s war on terrorists were there from the start **The Last Tsar** Эдвард Радзинский,1992 Biography of Tsar Nicholas II providing a portrait of the monarch and detailed account of his last days and assassination Last Tsar Sergej S. Ol'denburg,1975 *The Lost Fortune of the Tsars* William Clarke,1995-12 At its peak before the first world war the fortune of the Romanovs of Russia has been calculated at over 45 billion dollars It included fabulous state jewels exquisite Faberge eggs the palaces in and around St Petersburg and the Crimea the royal yachts and trains and millions in Tsarist bank accounts in London New York and elsewhere Since the secret murders of Nicholas and Alexandra and their family in 1918 and the subsequent and controversial discovery of their remains the mystery persists What happened to all that wealth Questions surrounding the lost fortune are inevitably tied up with the issue of just who was killed that terrible summer s night in 1918 at Ekaterinburg William Clarke goes to the heart of the Romanov story to the Central State Archives in Russia which for three quarters of a century had been filed away in secrecy and is only now open to investigation The result of over twenty years of research Clarke s quest reveals the truth behind claims to the Tsarist fortune made by the likes of Anna Anderson and Michel Goleniewski and sheds new light on this most intriguing of historical mysteries **Tsar Nicholas II : Last Russian Tsar - History Book Age 10 | Children's Biography Books** Baby Professor,2017-12-01 The story of Tsar Nicholas II and his family has been the object of much heartbreak and speculations up to this day This history book will present all the facts about Tsar Nicholas II You will be reading about his story from proven documents and research Are you ready to fall in love with the last Russian Tsar *Nicholas II* Marc Ferro,Brian Pearce,1995 A figure surrounded by myth and speculation at the center of one of history s most cataclysmic events the Russian Revolution Nicholas II remains haunting and enigmatic Now one of France s most eminent historians presents a biography that goes beyond the lies and half lies surrounding Nicholas s reign to provide an evocative portrait of this most mysterious ruler Illustrations **Nicholas and Alexandra** Robert K. Massie,2013-01-01 A superbly crafted and humane portrait of the last days and last rulers of the Russian Empire Complementing his Pulitzer prize winning Peter the Great in this commanding book Robert K Massie sweeps readers back to the extraordinary world of imperial Russia to tell the story of the decline and fall of the ruling Romanov family Tsar Nicholas II s political naivete his wife Alexandra s obsession with the corrupt mystic Rasputin and their son Alexis s battle with haemophilia Against a lavish backdrop of luxury and intrigue Massie unfolds a family tragedy played out on the brutal stage of early twentieth century Russian history the tale of a doomed empire and the death marked royals who watched it crumble

The Last Tsar Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Last Tsar PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to

become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Last Tsar PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Last Tsar free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Last Tsar Books
