Swedish Chicago Anita Olson Gustafson, 2018-12-14 Between 1880 and 1920 emigration from Sweden to Chicago soared and the city itself grew remarkably During this time the Swedish population in the city shifted from three centrally located ethnic enclaves to neighborhoods scattered throughout the city As Swedes moved to new neighborhoods the early enclave based culture adapted to a progressively more dispersed pattern of Swedish settlement in Chicago and its suburbs Swedish community life in the new neighborhoods flourished as immigrants built a variety of ethnic churches and created meaningful social affiliations in the process forging a complex Swedish American identity that combined their Swedish heritage with their new urban realities Chicago influenced these Swedes lives in profound ways determining the types of jobs they would find the variety of people they would encounter and the locations of their neighborhoods But these immigrants were creative people and they in turn shaped their urban experience in ways that made sense to them Swedes arriving in Chicago after 1880 benefited from the strong community created by their predecessors but they did not hesitate to reshape that community and build new ethnic institutions to make their urban experience more meaningful and relevant They did not leave Chicago untouched they formed an expanding Swedish community in the city making significant portions of Chicago Swedish This engaging study will appeal to scholars and general readers interested in immigration and Swedish

 LeAnne Howe,Padraig Kirwan,2020-10-01 The remarkable story of the money sent by the Choctaw to the Irish in 1847 is one that is often told and remembered by people in both nations This gift was sent to the Irish from the Choctaw at the height of the potato famine in Ireland just sixteen years after the Choctaw began their march on the Trail of Tears toward the areas west of the Mississippi River Famine Pots honors that extraordinary gift and provides further context about and consideration of this powerful symbol of cross cultural synergy through a collection of essays and poems that speak volumes of the empathy and connectivity between the two communities As well as signaling patterns of movement and exchange this study of the gift exchange invites reflection on processes of cultural formation within Choctaw and Irish society alike and sheds light on longtime concerns surrounding spiritual and social identities This volume aims to facilitate a fuller understanding of the historical complexities that surrounded migration and movement in the colonial world which in turn will help lead to a more constructive consideration of the ways in which Irish and Native American Studies might be drawn together today
