The Hunger Vampires:

The Hunger Whitley Strieber, 2001-10-05 Eternal youth is a wonderful thing for the few who have it but for Miriam Blaylock it is a curse an existence marred by death and sorrow Because for the everlasting Miriam everyone she loves withers and dies Now haunted by signs of her adoring husband s imminent demise Miriam sets out in search of a new partner one who can quench her thirst for love and withstand the test of time She finds it in the beautiful Sarah Roberts a brilliant young scientist who may hold the secret to immortality But one thing stands between the intoxicating Miriam Blaylock and the object of her desire Dr Tom Haver and he s about to realize that love and death to hand in hand **The Girl's Guide to**

Vampires Barb Karg, 2008-12-17 The good news is He s tall dark and handsome The bad news is He s a bloodsucking creature of the night Not to mention arrogant predatory and immortal What s a girl to do No worries in this guide girls learn everything they need to know about these romantic rogues including how to Know when they ve met a vampire Avoid falling prey to a nightstalker s charms Resist even the most aggressive advances Protect themselves against the undead Destroy a vampire using everything from holy water to decapitation Complete with a review of vampire books TV shows and films as well as accounts of real life encounters with vampires this book is all girls need to surrender to the night and still make sure they re around to see another day Barb Karg Pacific Northwest is a veteran journalist author screenwriter and lifelong vampire aficionado currently at work on a vampire novel She s authored or coauthored twenty two books **Celluloid**

Vampires Stacey Abbott, 2009-03-06 In 1896 French magician and filmmaker George Méliès brought forth the first celluloid vampire in his film *Le manoir du diable* The vampire continues to be one of film s most popular gothic monsters and in fact today more people become acquainted with the vampire through film than through literature such as Bram Stoker s classic *Dracula* How has this long legacy of celluloid vampires affected our understanding of vampire mythology And how has the vampire morphed from its folkloric and literary origins In this entertaining and absorbing work Stacey Abbott challenges the conventional interpretation of vampire mythology and argues that the medium of film has completely reinvented the vampire archetype Rather than representing the primitive and folkloric the vampire has come to embody the very experience of modernity No longer in a cape and coffin today s vampire resides in major cities listens to punk music embraces technology and adapts to any situation Sometimes she s even female With case studies of vampire classics such as *Nosferatu* *Martin* *Blade* and *Habit* the author traces the evolution of the American vampire film arguing that vampires are more than just blood drinking monsters they reflect the cultural and social climate of the societies that produce them especially during times of intense change and modernization Abbott also explores how independent filmmaking techniques special effects makeup and the stunning and ultramodern computer generated effects of recent films have affected the representation of the vampire in film Elderly Women Vampires Pasquale De Marco, 2025-05-13 *Elderly Women Vampires* is the definitive guide to the
