Miriel helped him and his brother to escape when Seth caught them in their last adventure, but here's no one to save Jimmy this time except perhaps for Ursula. She is determined that her new friend will not become a lost friend. She has shown flashes of her raw and unrefined power already, but how can she save Jimmy if she can't find him or control it? What would happen if she unleashed her power in its full force now? Jimmy and Ursula are Otherworldlings and not the only ones needing help in Omni. How would ordinary Omnians react to the emergence of a new and potentially more destructive threat, not only to their stability but also to their very existence? Is the answer on Omni itself or in some other place?
