The Illustrated James Bond 007:

The Illustrated James Bond, 007 Ian Fleming, 1981 James Bond Alan J. Porter, 2008 Now for the first time the complete history of the illustrated James Bond is chronicled by pop culture historian Alan J Porter in *James Bond The History of the Illustrated 007* Before Bond became world famous with his movie series the character was the subject of successful English newspaper strips and later in comic books *James Bond The History of the Illustrated 007* examines it all covering Bond's newspaper strip and comic book appearances from the 1950s to the present *The James Bond Phenomenon* Christoph Lindner, 2003 Shanghai long known as mainland China's most cosmopolitan city is today a global cultural capital This book offers the first in depth examination of contemporary Shanghai based art and design from state sponsored exhibitions to fashionable cultural complexes to cutting edge films and installations Informed by years of in situ research the book looks beyond contemporary art's global hype to reveal the socio political tensions accompanying Shanghai's transitions from semi colonial capitalism to Maoist socialism to Communist Party sponsored capitalism Case studies reveal how Shanghai's global aesthetic constructs glamorising artifices that mask the conflicts between vying notions of foreign influenced modernity and anti colonialist nationalism as well as the city's repressed socialist past and its consumerist present

himself lived a remarkable double life of spy and writer Everyone has an opinion on why 007 became so successful but one possible explanation is the ingenious formula of fact fiction and sheer fantasy Certainly the author drew on friends and places he knew well to provide the backdrop for his drama but what proportion of his output is authentic and what comes directly from the author s imagination These questions and more are examined in the Historical Dictionary of Ian Fleming s World of Intelligence Fact and Fiction This is done through a chronology an introduction a bibliography and hundreds of cross referenced dictionary entries on actual cases of espionage real life spies MI5 SIS CIA KGB and others It also contains entries on Ian Fleming s novels and short stories family and friends his employers and colleagues and other notable characters
