**Crime, Shame and Reintegration** John Braithwaite, 1989-03-23 Crime Shame and Reintegration is a contribution to general criminological theory Its approach is as relevant to professional burglary as to episodic delinquency or white collar crime Braithwaite argues that some societies have higher crime rates than others because of their different processes of shaming wrongdoing Shaming can be counterproductive making crime problems worse But when shaming is done within a cultural context of respect for the offender it can be an extraordinarily powerful efficient and just form of social control Braithwaite identifies the social conditions for such successful shaming If his theory is right radically different criminal justice policies are needed a shift away from punitive social control toward greater emphasis on moralizing social control This book will be of interest not only to criminologists and sociologists but to those in law public administration and politics who are concerned with social policy and social issues *Ethics and Social Concern* Anthony Serafini, 2000-05 Buy this book now only at the iUniverse.com bookstore Ethics and Social Concern gives undergraduate students an overview of key issues in the three major fields of applied ethics Business Medicine and Mass Media Journalism Anthony Serafini has collected the most poignant essays and articles by some of the most provocative

philosophers and writers within these areas of applied ethics Among the critical topics covered are Should AIDS Victims BE Quarantined Multinational Corporations In Vitro Fertilization and Feminist Ethics Whistleblowing The Reporter s Role Blackmailing Integrity in Journalism Confidential Sources The Profit Motive in Medicine To help students see the common underlying ethical themes across these fields of inquiry Serafini has written introductions to each section to ferret out the affinities and connections between the articles
