The Imperishable:

The Upanisads N. Jayashanmugam, 2016-01-01 There are twelve authoritative Upanisads This study covers the eight out of the twelve Isa Kena Katha Mundaka Svetasvatara Chandoogya and Brhadarabyaka This book intends to offer a new perspective to the Upanisads It will surely be helpful to all the students of Indian Philosophy **The Bhagavad-gītā** Robert Charles Zaehner, 1973 The most widely read and probably the most important of the Hindu Sacred Books for the understanding of religious mysticism **The World of Philosophy** Steven M. Cahn, 2019 This comprehensive reader includes standard Western philosophical readings alongside selections from Chinese Japanese Indian Arabic African South American and other sources Offering a distinctive blend of traditional and non traditional perspectives all selections have been edited to make them more accessible to undergraduate students *Bhagavad Gītā* Richard Gotshalk, 1985 The Bhagavad Gita is a dramatic poem which forms a small part of the great epic the Mahabharata The poem is the dialogue through which Arjuna's doubts are resolved by Krsna's teaching about the nature and place of action in the ultimate reality of things The present translation is supplemented by a commentary both seek to emphasize how the teaching is rooted in the concrete situation and how its order and structure reflect the changing condition of the conversants and the purpose of the conversation Footnotes and notes are included to clarify the Sanskrit to indicate alternative translations and to note relevant comments from other commentators and translators The Philosophy of the Brahma-sutra Aleksandar Uskokov, 2022-09-22 The Brahma sutra attributed to Badarayana ca 400 CE is the canonical book of Vedanta the philosophical tradition which became the doctrinal backbone of modern Hinduism As an explanation of the Upanishads it is principally concerned with the ideas of Brahman the great ground of Being and of the highest good The Philosophy of the Brahma sutra is the first introduction to concentrate on the text and its ideas rather than its reception and interpretation in the different schools of Vedanta Covering the epistemology ontology theory of causality and psychology of the Brahma sutra and its characteristic theodicy it also Provides a comprehensive account of its doctrine of meditation Elaborates on its nature and attainment while carefully considering the wider religious context of Ancient India in which the work is situated Draws the contours of Brahma sutra's intellectual biography and reception history By contextualizing the Brahma sutra's teachings against the background of its main interlocutors it elucidates how the work gave rise to widely divergent ontologies and notions of practice For both the undergraduate student and the specialist this is an illuminating and necessary introduction to one of Indian philosophy's most important works Self Definition Teodros Kiros, 2019-10-10 Self Definition argues that sex gender and race are constructions by the ineffable self as it seeks to define its possibilities free of domination The self's embodiments are themselves performances of self definition Teodros Kiros supports his argument by a careful reading of the literature from both the Global South and Global North that spans figures works and eras from antiquity to our late modern present These readings demonstrate that race gender and sex are performed in the Global South radically differently from in the Global

North These three notions as markers of identity are fluid open and expansive and Kiros brilliantly shows this through inquiry into thought rooted in Egypt Ethiopia India and China By the time that the Global North forges possibilities of the self in the modern period race gender and sex become fixed Biology and anatomy become understood as destinies and the possibilities of the self are deeply constrained This book approaches case studies of key figures and movements chronologically and thematically and in doing so Kiros highlights the tensions between the openness of the Global South and the rigidity of the Global North through which human possibilities as exercises of self definition become clear under conditions of freedom Our views of self definition will forever be transformed after reading this important text **The Bible and the Future** Anthony

A. Hoekema,1994 Anthony Hoekema brings to the study of biblical prophecy and eschatology a maturity that is rare among contemporary works on the subject Free of sensationalism he evinces a reverence for the Scriptures and a measured scholarship One of the best studies on eschatology available Christianity Today *The Sanskrit Epics* John

Brockington,2021-12-06 Mah bh rata including Hariva a and R m ya a the two great Sanskrit Epics central to the whole of Indian Culture form the subject of this new work The book begins by examining the relationship of the epics to the Vedas and the role of the bards who produced them The core of the work a study of the linguistic and stylistic features of the epics precedes the examination of the material culture the social economic and political aspects and the religious aspects The final chapter presents the wider picture and in conclusion even looks into the future of epic studies In this long overdue survey work the author synthesizes the results of previous scholarship in the field Herewith a coherent view is built up of the nature and the significance of these two central epics both in themselves and in relation to Indian culture as a whole Creating

the Soul Body Robert E. Cox,2008-04-18 Outlines the principles and mechanics of the soul body the spiritual vehicle that enables individual consciousness to survive the body s death Shows that the ancient Vedic Egyptian Hebraic and Pythagorean traditions shared and understood this spiritual practice Reveals modern science as only now awakening to this ancient sacred science Ancient peoples the world over understood that individual consciousness is rooted in a universal field of consciousness and is therefore eternal surviving the passing of the physical body They engaged in spiritual practices to make that transition maximally auspicious These practices can be described as a kind of alchemy in which base elements are discarded and higher levels of consciousness are realized The result is the creation of a vehicle a soul body that carries consciousness beyond physical death These spiritual preparations are symbolized in the Vedic Egyptian and Hebraic traditions as a divine stairway or ladder a step by step path of ascent in which the practitioner raises consciousness by degrees until it comes to rest in the bosom of the infinite thereby becoming immortal This spiritual process explains the reincarnation of the Dalai Lama for example whose reincarnation is confirmed in infancy through physical and spiritual signs indicating that the consciousness has been carried from one lifetime to the next In Creating the Soul Body Robert Cox maps the spiritual journey of consciousness behind this sacred science of immortality and reveals the practice of creating a soul

body in detail He also shows that this ancient spiritual science resembles advanced theories of modern science such as wave and particle theory and the unified field theory and reveals that modern science is only now awakening to this ancient science of immortality

Divine Dialogues: The Mantras of Prashnopanishad and Their Timeless Wisdom Ramesh Chauhan, 2024-07-18 Divine Dialogues The Mantras of Prashnopanishad and Their Timeless Wisdom presents a deep exploration of one of the significant Upanishads the Prashnopanishad This book delves into the profound questions and answers shared between the seekers and the sage Pippalada offering timeless spiritual insights and philosophical teachings Each mantra is presented in its original Devanagari script accompanied by a Romanized version followed by detailed translation explanation interpretation and significance The author meticulously unveils the deeper meanings behind these ancient verses providing contemporary reflections and practical applications to enhance spiritual growth and understanding in modern life The book is structured to guide readers through each Prashna inquiry of the Prashnopanishad offering summaries reflections and questions for contemplation after every Prashna to solidify comprehension and personal connection to the teachings Divine Dialogues not only illuminates the essence of the Prashnopanishad but also bridges the gap between ancient wisdom and today's world making it accessible and relevant to modern seekers The final consolidated reflection synthesizes the key teachings offering a comprehensive guide to applying these insights to everyday life Whether you are a student of philosophy a spiritual seeker or simply curious about ancient Indian wisdom this book provides a rich engaging and transformative experience that will deepen your understanding of the self and the universe

The Bhagavad-Gita Veeraswamy Krishnaraj, 2002 Gita teaches man the essentials of living in this world and beyond Your soul is eternal and indestructible the body beautiful is only a garment beings and universe arose from an act of sacrifice by God the burden of samsara cycle of births and rebirths can be shed by devotion to God man by his conduct creates his own dharma and karma which control the present and the future plants animals and men have souls some sentient and some insentient our roots are in heaven doing one's dharma duty by itself is yoga liberation is the only goal of man there are many ways and means to attain God and nobody is excluded

JESUS IS THE BEAM: Book One Gwynevere A Lamb, 2021-06-10 Decades ago Stephen Hawking had predicted that an acceptable equation to a grand unified theory would arrive by the year 2020 He was right Jesus is the Beam is an autobiography brimming with philosophical ideas from a supernatural journey with God and an unquenchable desire to know the fundamental truth about our origin The origin of not just our own species but to know the truth about the spark of life and the energy which sustains it Gwynevere Lamb challenges all conventional theories of everything as she presents an intuitive pre numerical formula to the four standard forces of energy and all life as we know it re illustrating time and space She slices in half the nucleus of our reality with a nuclear knife without the need of an atom smasher Finally a simple sensible and satisfactory equation to a grand unified field even a 2nd grader can understand The author's journey continues in her 2nd installment God is the Boom as she dissects truth from fiction in light of her grand

unified equation in all things from scientific discoveries to human behaviors giving new meaning to the theory of everything The story climbs to an epic ending summing up both books on the summit of Mount Calvary as she explains the purpose of the cross of Jesus Christ in quantum mechanical terms The author has a knack of explaining continuums of time and space as well as parental discipline She makes math and science to include particle physics understandable to persons without any scientific background by painting pictures with her words as well as thrilling readers with adventurous real life stories Gwynevere Lamb using the poetry of math and science stitches the fabric of time and space to earth air water and fire and just about everything else She explains how the Fire of God becomes hellfire in sub atomic scenarios On the other end of the spectrum she paints a picture of love flowing like living water She offers a myriad of continuums not exclusive to particle physics She seamlessly threads the needle to include human life sciences and social and political ideas commonly taught in todays media driven pop paradigm set by our modern new age culture She leaves the reader with an acute awareness of what the singularity is what unified purification is and why it is central to our existence Jesus is the Beam and God is the Boom was originally written as one manuscript Dividing them into two separate books was initially a concern for the author because she did not want her readers to miss the climax at the end of the story She came to terms with the separation after realizing that Jesus is the Beam rests on God is the Boom literally thereby making it a blessing in disguise She is confident readers will be enamored at the end of the first book and equally eager to pick up the second with anticipation Gwynevere Lamb believes her readers will be satisfied and well fed after consuming both books however a third and fourth installment are already in the making in the writing

The Midnight Sun Alan F. Alford,2004 **The Upanishads** ,2004-01-29 An Upanisad is a teaching session with a guru and these thirteen texts the Principal Upanisads form a series of philosophical discourses between teacher and student that question the inner meaning of the world Composed from around the eighth century BCE the Upanisads have been central to the development of Hinduism and explore the central doctrines of rebirth karma overcoming death and achieving detachment equilibrium and spiritual bliss Speaking to the reader in direct unadorned prose or lucid verse they embody humanity s perennial search for truth and knowledge Myth and Metaphysics in Plato's Phaedo David A. White,1989 This study intends principally to isolate and describe the function of myth in the Phaedo in order to show its effect on the complex metaphysics developed throughout the dialogue It further illustrates how these metaphysical concepts structure the dialogue s concluding eschatological myth *Application Commentary of the Gospel of Matthew* John M. Strohman, J.D.,2014-12-16 The Application Commentary of the Gospel of Matthew is a verse by verse examination of the Gospel of Matthew and should

be seriously considered for application in personal family devotions group Bible studies and Sunday school classes It is designed to build up and equip the Christian new believer or lifelong in understanding and living out God s Word Each section concludes with a portion called Summary and Application which discusses how to apply the scripture studied to daily life James summed up this concept when he wrote But prove yourselves doers of the word and not merely hearers who delude themselves James 1 22 *The Word Speaks to the Faustian Man (Volume 2)* Som Raj Gupta,1991 ABOUT THE BOOK The Chandogya Upanisad The culture it reflects is remote and archaic the texture of its ritualistic and contemplative symbolism thick and dense virtually a closed book for us moderns A sustained self submitting attentiveness howeve *The System of the Vedânta* Paul Deussen,Charles Johnston,1912
