In fact extraordinary growth awaits a woman willing to deal with the pain of her husband's struggles with sexual purity. In this book she gives you the emotional tools to develop greater intimacy in your life, spiritual tools to transform your suffering and meaningful answers to the questions that arise amid the complex fallout of broken vows: What am I supposed to do now? Why should I get help when this is his problem? How could this have happened? Where can I hide my heart? When will I stop feeling so out of control? What do you mean do I want to get well? How can I ever trust him again? Is forgiving him really possible? How can we rebuild our relationship? The pain endured from sexual betrayal can break your heart but it does not need to break your life.

A Gentler God Doug Frank, 2020-07-09 What is God like? Is he the lofty Almighty of conservative religion with power to stop heartbreaking human holocausts and deadly natural disasters but who inexplicably declines to do so? Is he the callous Judge offering the faithful a place in his heaven while summarily casting the faithless into everlasting hell? Is he the vain King on his throne requiring us to stroke his ego by praising him unceasingly for his awesome power? If this is the God we have been taught it is no wonder that many people have come to realize that they do not like, let alone trust him. The simple certainties of their childhood no longer make sense. But the equally assured assertions of today's atheists also leave them cold. They want a personal connection with God.

an honest faith that grows out of their own felt truth and touches them at the deepest levels of their being This book points the way It dismantles the angry punitive God of traditional Protestantism and beckons us toward a kinder more welcoming God This God does not ask us to grit our teeth and try our best to believe Instead this God meets us in our humanity inviting our hearts to respond in genuine trust and love **Just Hit the Ball** Kevin Rogers,2009-09 This book is about struggling to overcome feelings of self doubt of worthlessness and lack of personal confidence and discovering that in spite of our sin God still loves us Everyone sins but God is forgiving and there is always room for a second chance and a new beginning

Befriend Jana Struková,2023-12-06 Befriend narrates a personal experience of the author with the formation of a faith based nonprofit in health services It combines real life examples with theories from several disciplines to describe the nature and role of nonprofit in a community The book argues that faith based nonprofits create spaces of hospitality and inclusion for diverse humanity They are poised to teach practices of friendship based on the friendship of Trinity and personal awareness of how mental health can either contribute to friendships in communities or inhibit it The Skeptical, Passionate Christian Michael F. Duffy,2006-01-01 In the tone of a much loved college chaplain Duffy takes readers through a personal theological journey exploring what it means to discern and live out a thoughtful informed and responsible faith

Spiritual Building Blocks Marshall Welch,2015-09-26 Spiritual Building Blocks takes the greatest commandment and uses it as the cornerstone in building a spiritual foundation to help notice Gods presence in our everyday lives Part 1 begins by unpacking the greatest commandment into six essential parts God the self our neighbor our head our heart and our hands The opening chapters answer common questions about spirituality and its relationship with religion Part 2 presents a variety of spiritual practices and exercises using our head heart and hands as building blocks to nurture our spiritual lives as we love God the self and our neighbors Some of these practices may be new while others may be familiar but reframed in a new way Personal stories by everyday people illustrate many of these exercises Spiritual Building Blocks was written for individuals or small groups interested in deepening their spiritual lives *Chasing Peace* Tom Rosshirt,2025-01-21 Chasing Peace is a guide for turning emotional breakdowns into breakthroughs with the insights of modern neuroscience It s the story of a lifelong seeker who suffered years of escalating depression and anxiety then discovered that the latest practices from brain science offered a path to the peace he longed for AN OPEN FIELD PUBLICATION FROM MARIA SHRIVER Tom Rosshirt like millions of people chasing peace put his faith in the scripture of our culture we find peace by becoming who we want to be So Tom aimed high worked hard and excelled But instead of peace he experienced debilitating anxiety depression and discouraging bouts of brain fog that forced him out of his life He was one of a rising number of people now getting sidelined by conditions doctors can t cure Many sufferers never find their way back but Tom got lucky After another dead end session with a psychiatrist Tom heard about self directed neuroplasticity a daily practice of retraining the brain based on the discovery that pain and illness often start in the brain s neural circuits and what the brain learns the brain can unlearn After

months of using this approach Tom began to see an alignment between neuroplasticity and the principles of spiritual practice Reversing the patterns that made him ill did more than make him well it opened the path from stress to peace from striving to be who we want to be to becoming who we are Brimming with hope Chasing Peace is for anyone who is sick of chasing peace but might be willing to read one more book
