Beautiful Already - Women's Bible Study Participant Book Barb Roose,2016-03-01 I m so fat I don t like my nose I wish I was taller Our dissatisfaction with what we see in the mirror is what Barb Roose calls our ugly struggle with beauty It s a struggle that negatively affects not only our self image and self esteem but also our relationships with God and others What is the answer We desperately need to regain God s perspective on beauty During this six week Bible study women will unpack the beliefs or

experiences that are holding them hostage Together they will explore God s truth about beauty throughout the Scriptures digging into passages in both the Old and New Testaments and applying the truths in their lives They will move away from over focusing on unrealistic expectations and perceived flaws toward God s viewpoint of their hearts minds bodies and souls As women make this journey they will Be set free from the trap of comparison and self ridicule Become comfortable in their own skin Reach beyond themselves to encourage and support other women By learning to see the goodness blessing and purpose for their bodies no matter their size shape or style women will overcome discontent and comparison and learn to live fully as the beautifully unique creations God designed them to be The participant workbook includes five days of lessons for each week combining study of Scripture with personal reflection application and prayer Other components for the Bible study available separately include a Leader Guide DVD with six 19 28 minute sessions and boxed Leader Kit an all inclusive box containing one copy of each of the Bible study s components

God E. Glenn Wagner,2010-03-10 Why do so many of God s followers seem to prefer their boxed in religion over God Listen to their rhetoric and you might wonder how a Supreme Being could be so narrow and small so angry and unattractive It s time to start over with an honest conversation instead of a box If God does exist there should be some clear indications of his being And if humans bear God s image as the Bible indicates then we should be able to connect with God on some level This book is about God not religion It s about questions more than watertight answers It s about the experience of God more than it is about incontrovertible evidence that he exists God can t be seen but he can be found And while he can t be fully explained he can be known and experienced Religious boxes have a way of blinding us to spiritual reality So this dialogue is all God no box Are you ready
